# **Assessment Plan: GELOs in Biology Courses**

## A. PLNU General Education lab courses (BIO 101, 103, 105, 130, 210 & 211)

**Learning Outcome:** GELO 1d. Critical Thinking: Students will be able to examine, critique and synthesize information in order to arrive at reasoned conclusions. This outcome will be measured yearly via direct, summative assessment.

#### **Outcome Measure:**

- 1) BIO 101, 103, 105, 210, 211 Signature Assignment: Multiple choice questions on the final exam taken from the Test of Scientific Literacy Skills (TOSLS). The whole class was assessed.
- 2) BIO 130 Signature Assignment: Motor unit lab activity. Students were chosen randomly by the administration.

#### **Criteria for Success:**

- 1) For BIO101, 103, 105, 210, and 211, at least 60% of the students will answer the questions correctly (an average of 60% for all of the questions). 60% was chosen since these are all introductory courses. BIO210 and BIO211 are freshmen courses for all Biology Department majors and also service courses for Allied Health majors. BIO101, 103, and 105 are General Biology courses for all other majors. Questions from the TOSLS were chosen that specifically addressed critical thinking and were appropriate for the content of each course.
- 2) For BIO130, at least 70% of the students will score at an average of level 2 or higher on the AACU critical thinking rubric. Level 2 was chosen because this course is the introductory Anatomy & Physiology course for pre-nursing students and Allied Health majors.

## **Longitudinal Data:**

	SPRING/SUMMER, 2017		FALL, 2016			
Class	n	% of Students Answering TOSLS	n	% of Students Answering TOSLS	% of Students Scoring at	
		Questions Correctly (Ave + S.D.)		Questions Correctly (Ave + S.D.)	Level 2 or Higher on AACU Rubric	
BIO101	34	72 <u>+</u> 12	45	73 + 15	NA	
BIO103	48	71 <u>+</u> 12	48	73 <u>+</u> 14	NA	
BIO105	21	69 <u>+</u> 16	47	75 <u>+</u> 16	NA	
BIO130	NA	Not offered	51	NA	71%	
BIO210	79	69 <u>+</u> 16	98	80 <u>+</u> 16	NA	
BIO211	65	83 <u>+</u> 5	44	75 <u>+</u> 10	NA	

Conclusions Drawn from Data: The students in the various GE laboratory courses are meeting the criteria for critical thinking.

Changes to be Made Based on Data: This is the first year we have used questions from the TOSLS exam, and we are quite pleased with the outcome. We will continue to use these questions for summative assessment in our GE courses.

### **Rubric:**

1) Gormally, C., Brickman, P., and Lutz, M. "Developing a Test of Scientific Literacy Skills (TOSLS): Measuring Undergraduates' Evaluation of Scientific Information and Arguments." C.B. E. Life Science Education 11(4): 364–377 (2012).

BIO101: Questions 1, 4, 6, 7, 8, 11, 13, 14, 18, 28

BIO103: Questions 4, 6, 7, 8, 11, 13, 14, 18, 28

BIO104: Questions1, 2, 7, 8, 11, 18, 19, 24, 25

BIO105: Questions 2, 6, 18, 28

BIO210: Questions 1, 2, 7, 8, 11, 19, 24, 25

BIO211: Questions 2, 6, 18, 28

2) BIO130: AACU Critical Thinking Rubric, Row 5.

## B. PLNU General Education non-lab courses (BIO 102 and 104)

**Learning Outcome:** GELO 1c. Information Literacy: Students will be able to access and cite information as well as evaluate the logic, validity, and relevance of information from a variety of sources. This outcome will be measured yearly via direct, summative assessment.

**Outcome Measure:** Signature Assignment: Multiple choice questions on the final exam taken from the Test of Scientific Literacy Skills (TOSLS). The whole class was assessed.

Criteria for Success: At least 60% of the students will answer the questions correctly (an average of 60% for all of the questions). 60% was chosen since this is an introductory course for non-science majors. Questions from the TOSLS were chosen that specifically addressed information literacy and were appropriate for the content of each course.

### **Longitudinal Data:**

	<b>SPRING, 2017</b>		FALL, 2016		
Class	n	% of Students Answering	n	% of Students Answering	
		TOSLS Questions Correctly		TOSLS Questions Correctly	
		(Ave <u>+</u> S.D.)		$(Ave \pm S.D.)$	
BIO102	NA	Not offered in Spring 2017	50	56 <u>+</u> 28	
BIO104	NA	Not offered in Spring 2017	NA	Not offered in Fall 2016	

**Conclusions Drawn from Data:** The students in BIO102 are close to meeting the criteria for information literacy.

Changes to be Made Based on Data: This is the first year we have used questions from the TOSLS exam, and we are quite pleased with the outcome. We will continue to use these questions for summative assessment in our GE courses.

**Rubric:** Gormally, C., Brickman, P., and Lutz, M. "Developing a Test of Scientific Literacy Skills (TOSLS): Measuring Undergraduates' Evaluation of Scientific Information and Arguments." C.B. E. Life Science Education 11(4): 364–377 (2012).

<u>BIO102</u>: Questions 9, 10, 12, 17, 22 <u>BIO104</u>: Questions 5, 9, 10, 17, 22, 27
