Each clinical course syllabi have specific clinical hour policies and expectations regarding the completion of these clinical hours. Please see course syllabus for more information. See clinical education progression for more details on clinical education hour requirements.

CLINICAL ROTATION REQUIREMENTS

Students will participate in a 16-week hands-on learning experience at various high schools and injury clinics around San Diego County under the supervision of a certified athletic trainer. Clinical hours will include covering clinic days, practice days, game days, and any other experiences that clinical preceptors deem beneficial to student learning. Students should expect to be scheduled at their clinical site 3-4 times per week. Students must have at least one day off in a seven day period.

A total of 225-299 clinical hours for the entire semester is required of the athletic training student.

Transportation to the clinical site is the responsibility of the individual student as stipulate in the [university catalog](#) and the [MS-AT student handbook \(Links to an external site.\)](#). Consider organizing car pools. Transportation problems will not be seen as a reason for excused absences from clinical rotations.

All students are required to attend all assigned days. If a student misses a day, the student is required to make up those missed hours. Students are allowed a total of three miss/switch days a semester.

All students are required to follow the dress code established by the [MS-AT student handbook \(Links to an external site.\)](#) and requirements set during the MS-AT clinical orientation at the beginning of the semester.

PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all classes is considered essential to optimum academic achievement. If the student is absent from more than 10 percent of class meetings, the faculty member can file a written report which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. See Academic Policies in the Graduate and Professional Studies Catalog for additional detail.

COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law. All supplemental materials posted on this course site (including articles, book excerpts, or other documents) are provided for your personal academic use. These materials may be protected by copyright law and should not be duplicated or distributed without permission of the copyright owner.

ACADEMIC HONESTY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. As explained in the university catalog, "Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the result of another person's creativity and effort. Violations of university academic honesty include cheating, plagiarism, falsification, aiding the academic dishonesty of others, or malicious misuse of university resources. An instructor who believes a situation involving academic dishonesty has been detected may assign a failing grade for a) that particular assignment or examination, and/or b) the course following the procedure in the university catalog. Students may appeal using the procedure in the university catalog. See [Academic Policies](#) for further information.

ACADEMIC ACCOMMODATIONS

While all students are expected to meet the minimum standards for completion of this course as established by the instructor, students with disabilities may require academic accommodations or adjustments, modifications or auxiliary aids/services. At Point Loma Nazarene University (PLNU), these students are requested to register with the Disability Resource Center (DRC), located in Rm. 312C at the Mission Valley Regional Center via DRC@pointloma.edu or 619.849.2533. The DRC's policies and procedures for assisting such students in the development of an appropriate Accommodation Plan (AP) allows PLNU to comply with Section 504/508 of the Rehabilitation Act and the Americans with Disabilities Act. Section 504 (a) prohibits discrimination against students with special needs and guarantees all qualified students equal access to and benefits of PLNU programs and activities. After the student files the required and official disability documentation, the DRC will contact the student within 15 business days to schedule an AP meeting. During the AP meeting an Accommodation Plan will be established to meet the student's specific disability-related needs. The DRC will thereafter email the student's AP to all faculty who teach courses in which the student is enrolled each quad/semester. The AP must be implemented in all such courses by faculty. All questions should be directed to the DRC for clarification.
