

**Department of Sociology, Social Work, & Family Sciences**  
**Nutrition and Health**  
**Food Handlers' Permit**  
**Spring 2019**

**Learning Outcome:**

Demonstrate basic skills in food preparation, sanitation and safety in working with a variety of food products.

**Outcome Measure:**

San Diego County Food Handlers' Exam

**Criteria for Success (if applicable):**

Pass/Fail 100% will pass

**Longitudinal Data:**

Students have been successful at passing the food handlers' permit previously.

**Conclusions Drawn from Data:**

Criteria was met for spring 2019. The combination of lectures and hands on field experience successfully met students' perceived understanding of proper food handling. 100% of students passed the food handler's permit.

**Changes to be Made Based on Data:**

Continue providing in-class lectures and additional resources with hands-on learning to enhance the student's understanding of safe food handling practices.
