**Course Policies:**

**Student Responsibilities (Responsabilidades del/ de la estudiante):**

**La preparación de los materiales, las lecturas y las tareas (Preparation of course materials, readings and homework):** Es necesario que los estudiantes lean *antes* de la clase. De esta forma, se puede hacer preguntas, comentar y conversar sobre los textos asignados y/o presentar con claridad sobre los temas del curso.

**1. Asistencia (Attendance):** Es obligatorio estar en clase y participar en las discusiones. La nota de asistencia se bajará **20 puntos** con cada falta (**la primera falta es gratis**, no se les quitarán los 20 puntos). Si el/la estudiante falta **tres (3)** veces o más, el profesor tiene el derecho de desmatricular al estudiante. Si el/la estudiante falta **seis (6)** veces, **no** puede recibir crédito para la clase. Según las normas de PLNU, el/la estudiante no puede recibir crédito para una clase si falta 20% de las clases. Para clarificar, explico en inglés: According to the college catalog, attendance is a requirement for each class. There are no excused absences, except those allowed by the Provost of the university.

**2. Participación (Participation):** La participación es de **suma importancia** en la clase. Responderán oralmente y también por escrito acerca de los elementos estudiados. Es necesario que hablen solamente en español en la clase, tanto con el profesor como con los demás estudiantes. **La hora de clase es para conversar y escribir en español, no tiempo para hablar inglés o usar los teléfonos celulares etc.** Si hablan solamente en español, si hacen y preparan las tareas asignadas y si se mantienen enfocados en la clase tendrán una nota alta de participación. **Al mismo tiempo, es bueno tener una actitud positiva, especialmente si uno tiene un poco de miedo acerca de sus destrezas con el español.**

**A key requirement will be maintaining a notebook with the new words that you learn or are learning in Spanish.** I will check this regularly to see how your list of words is progressing. It is essential to do the readings, engage in class discussion, and continue working on the list of new words you encounter. Although most of our readings are in English, class discussion and all assignments will be done in Spanish. If you don't know the meaning of a word in English, most likely you wouldn't know the meaning in Spanish. So, please add to your vocabulary list actively on a regular basis. If necessary, it would be good to have a space for examples of usage, or your own practice sentences with the words you are learning.

**3. Assignments (Tareas):** We will have various homework assignments (answering questions on texts, short responses, in-class work) throughout the semester.

**4. Exams (Exámenes):** There will be one midterm during the course, and also a final exam. No exams can be taken early, and there are no make-ups on exams, unless authorized by the professor, or in the case of an emergency. Please contact the professor if you have any conflicts concerning exams or due dates. Professor will provide instructions about the exams in class.

**5. Film Critique (Análisis de película):** Each student will need to write a short critical analysis of one film during the semester. More instructions will be given, and the critique needs to be two pages in length. A note of caution: some of the films may contain offensive and/or difficult parts in their content. The point of viewing films and doing a film critique is to broaden cultural perspectives, not to offend or upset the student. If you prefer to not view films that are rated R, please choose from the PG or PG-13 films that are available.

**6. Short Essay (Ensayo corto):** Each student will write one short (two page) essay concerning readings and other topics from the class. The professor will provide information about this requirement, and will also provide the prompts to follow and topics to analyze.

**7. Oral Presentation (Presentación oral):** Students will prepare an oral presentation on one of the texts and authors studied in the class.

Each presentation should be 10-15 minutes long. Professor will explain more about this assignment.

**8. Research Paper (Trabajo de investigación):** Students will submit an investigative paper, approximately 5-6 pages, using academic articles and criticism in conjunction with the primary sources assigned in class. We will go over research databases and check on academic articles concerning the topics studied. Please use the MLA format for the research paper.

**9. Extra Credit (Crédito extra):** Students can complete two possible Cultural Engagement assignments for 25 points each (a total of 50 possible extra credit points). Professor will explain more about this in class and offer possible activities for the class that are connected with course readings and topics.

## **PLNU Copyright Policy**

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

## **PLNU Academic Honesty Policy**

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

## **PLNU Academic Accommodations Policy**

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center ([EAC@pointloma.edu](mailto:EAC@pointloma.edu) or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester. PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course. Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

## **Final Examination Policy**

Successful completion of this class requires taking the final examination **on its scheduled day**. The final examination is posted on the class schedules site. No requests for early examinations or alternative days will be approved.

**NOTE:** It is the student's responsibility to maintain his/her class schedule. Should the need arise to drop this course (personal emergencies, poor performance, etc.), the student has the responsibility to follow through (provided the drop date meets the stated calendar deadline established by the university), not the instructor. Simply ceasing to attend this course or failing to follow through to arrange for a change of registration (drop/add) may easily result in a grade of F on the official transcript.

## Key Information Concerning COVID-19:

We will follow PLNU guidelines concerning COVID-19. It is required to wear a mask indoors (inside of BAC, inside the classroom etc.) Please do not bring food to class, since we will not be taking off masks inside the classroom. We will be doing most of our work with digital files (provided on Canvas or through email), so you will need to have your laptop or tablet. I will have a few paper handouts, but they will be for your individual use (please do not share these with other students). Also, we will work outside whenever possible, to provide some fresh air for everyone!
