PLNU Mission

To Teach ~ To Shape ~ To Send

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service is an expression of faith. Being of Wesleyan heritage, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

Department Mission

As followers of Christ, our mission is to nurture servant scholars who critically and empirically evaluate social systems, cultural patterns, and basic human needs to constructively engage as agents of hope with individuals, families, and communities.

COURSE DESCRIPTION

The Criminal Justice Internship/ Practicum provides you the opportunity to increase your professional competence through a direct, supervised practice experience in an agency setting. Course Assignments

Five types of course products are associated with the internship/practicum.

1. *Practicum Plan and Learning agreement*: An individualized Practicum Plan and Learning Agreement will guide the internship experience. The plan must identify the major field of criminal justice and the occupational setting where the internship will be completed. The plan provides contact information for the practicum setting and an overview of the internship plan. A learning agreement will serve as the contract between you and the field supervisor. It will help form, shape, and outline your personal learning objectives within the context of the agency. The learning agreement is created using a standardized form which is to be completed during the first week of the practicum. This will serve as a guide for the term of the practicum, i.e. you don't have to do one at the beginning of a second semester if you are in a continuing placement. You draft a plan by identifying key activities to be accomplished during placement and exploring them with the agency that will provide opportunities to learn. Internship activities should incorporate essential skills and activities related to the occupational setting. The

agreement must include at least one goal related to production of a written report used in the CJ career of choice; or application of a skill from another discipline (such as communications, politics, psychology, business, or religion. The final learning agreement is negotiated or approved by the faculty member responsible for the course.

2. *Weekly Reports:* Each week you prepare and submit a log or report (via email or in-person) to the faculty member responsible for the internship. There is a standard report form provided. The reports are to include information and reflections on your work the previous week. Please include questions, insights, and comments on how your practice experience integrates with theory and content learned in the sociology / criminal justice curriculum. You are highly encouraged to reflect on the relationship between Christianity and your field placement. How does your faith influence and integrate with the work you are performing at the agency? Your learning agreement will serve as your initial report.
3. *Reflection Paper:* A paper incorporating the application of theory, personal investment, and reflection on the internship experience. The main components of the paper: a description of the setting, a summary of learning, and a reflection on how faith impacted your work. Please see the Reflection Paper Handout for more detail.
4. *Final evaluation of the practicum:* The final evaluation of the practicum is to recount your experiences in your field placement. Weekly reports can be used as source material for the final evaluation. Your evaluation should discuss how your experience relates to your learning agreement. The evaluation must reflect on interdisciplinary skills that are useful to success in the particular criminal justice setting where you completed internship. Be sure to include references to literature from other related fields to support your thoughts, questions, ideas, and reflections in practice. Please think critically about the relationship between your field experience and Christian principles and practices. The paper should approximate 10 doubled-spaced pages, using a 10-12 point font. Page borders should be 1 inch. All references must be in the format of the American Sociological Association style guide.
5. *Evaluation of the Practicum by the Internship Supervisor:* Your internship supervisor at the agency must complete an evaluation of your performance. There is a simple form for the evaluation which includes scoring on eight items. Although you are not responsible for filling out the form, you are responsible for ensuring that your internship supervisor completes and submits the form to the course professor at the end of your internship.

The field practicum supervisor will have the greatest opportunity to observe student performance in the agency; therefore, the supervisor's recommendation and advice will be a primary factor in determining the final grade. For internships graded as “credit-no credit”, you must earn at least the equivalent of a “C” to receive credit.

No credit will be granted until the minimum of 40 hours for each unit is completed and all documentation submitted, including the field instructors evaluation. The original copy of the student evaluation will be maintained in the Sociology Department and only the grade is recorded in the Registrar's Office.

STATE AUTHORIZATION ☼

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point

Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization](#) to view which states allow online (distance education) outside of California.

INCOMPLETES AND LATE ASSIGNMENTS

All assignments are to be submitted/turned in by the beginning of the class session when they are due—including assignments posted in Canvas. Incompletes will only be assigned in extremely unusual circumstances.

PLNU COPYRIGHT POLICY ☼

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU ACADEMIC HONESTY POLICY ☼

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

PLNU ACADEMIC ACCOMMODATIONS POLICY ☼

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

PLNU ATTENDANCE AND PARTICIPATION POLICY ☼

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation.

In some courses, a portion of the credit hour content will be delivered **asynchronously** and attendance will be determined by submitting the assignments by the posted due dates. See [Academic Policies](#) in the Undergraduate Academic Catalog. If absences exceed these limits but are due to university excused health issues, an exception will be granted.

Asynchronous Attendance/Participation Definition

A day of attendance in asynchronous content is determined as contributing a substantive note, assignment, discussion, or submission by the posted due date. Failure to meet these standards will result in an absence for that day. Instructors will determine how many asynchronous attendance days are required each week.

SPIRITUAL CARE

Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith.

If students have questions, a desire to meet with the chaplain or have prayer requests you can contact the [Office of Spiritual Development](#).

USE OF TECHNOLOGY ☼

In order to be successful in the online or hybrid environment, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use. Please note that any course with online proctored exams require a computer with a camera (tablets are not compatible) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.
