- Demonstrate Christian servant leadership through holistic compassionate care
- Utilize ethical principles in promoting health of diverse individuals and populations

PLO 3: Communicating Faithfully

The student will actively engage in the dynamic interactive process that is intrapersonal and interpersonal with the goal of advocating for others and/or self. This includes effective, culturally appropriate communication conveys information, thoughts, actions and feelings through the use of verbal and nonverbal skills. (ILO 1 and 2)

- Incorporate information and communication technologies to facilitate optimal care of patients, nurses, and organizations
- Participate in interprofessional healthcare teams to influence positive patient outcomes across the lifespan

PLO 4: Following Faithfully

Defined as claiming the challenge from Florence Nightingale that nursing is a "divine imposed duty of ordinary work." The nursing student will integrate the ordinary work by complying with and adhering to regulatory and professional standards (e.g. ANA Code of Ethics, the California Board of Registered Nursing, Scope of Nursing Practice, SON Handbook). This includes taking responsibility, being accountable for all actions and treating others with respect and dignity.

(ILO 2 and 3)

- Implement health policies to improve care of diverse patients, communities, and populations
- Develop as a professional nurse through self-reflection, accountability, and life-long learning processes

PLO 5: Leading Faithfully

The student will incorporate a foundational relationship with Christ and others and embrace a willingness to serve others in the midst of life circumstances (e.g., illness, injustice, poverty). The student will role-model the need for "Sabbath Rest" as a means of personal renewal, and true care of the self, so that service to others is optimally achieved. The student will incorporate the characteristics of a servant leader including: humility, courage, forgiveness, discernment. (ILO 2)

- Demonstrate systems-thinking to enhance access, quality, and cost effectiveness across the healthcare delivery continuum
- Apply evidence-based, quality improvement principles to improve patient care delivery
