Final Essay: Psychology and You: Three Concepts

8 points

Objective

- Demonstrate an understanding of self that fosters personal well-being

Instructions

1. Write an essay explaining how insights from psychology can tell you more about yourself, other people, or your relationships. In your essay, be sure to...
 - a. Choose three concepts from this course that involve you or your life in some way (e.g., depression, stress, cognition, etc.). Define them in your own words. Explain why you chose to include each of those three concepts. Be sure to discuss how each concept affects you/your life on a personal level.
 - b. Describe how learning about these concepts can help you thrive and achieve personal well-being. Include examples of how this course gave you insight on how to better thrive on a personal level.
2. Be sure to write approximately 500 words.
3. Turn your assignment in electronically on Canvas
