PLNU Mission

To Teach ~ To Shape ~ To Send

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service is an expression of faith. Being of Wesleyan heritage, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

COURSE DESCRIPTION

Introduces techniques of emergency care as outlined by the Emergency Medical Services Education Standards (NAEMSES). Provides the theoretical portion of the EMS standards, designed to prepare graduates to work in prehospital care (ambulance, firefighter) and emergency departments at EMT basic level.

COURSE LEARNING OUTCOMES

1. To provide the student with an understanding of the role of an EMT-B as determined by State and County guidelines, medical legal limitations, and the roles of other pre-hospital care providers within the EMS system.
2. To enhance the student's ability to communicate effectively with medical personnel through the introduction of basic, descriptive medical terminology.
3. To increase the student's understanding of basic anatomy and physiology of major body systems as it relates to emergency care for associated illnesses and injuries.
4. To develop the student's skill in performing efficient patient assessment techniques in order to determine appropriate field intervention and provide effective patient monitoring.
5. To develop the student's ability to recognize life threatening emergencies and institute appropriate field intervention based on triage priorities.
6. To increase the student's knowledge of efficient stabilization and extrication measures aimed at prevention of further injury to a patient prior to transportation to a medical facility.
7. To increase the student's effectiveness in dealing with special medical problems such as those presented by pediatric and psychiatric patients.
8. To enhance the student's ability to deal with the public during times of stress in the pre-hospital care environment.
9. To provide the student with an opportunity to observe the course of illness and injury from onset to definitive hospital care.

CLASS HOURS

The KIN1002 portion of the class will be held from the dates and times stated above. Class will begin promptly at the designated time and excessive tardiness will not be accepted. Speak to the instructor if you have a scheduling conflict. **Anyone who leaves early without permission may be counted absent** for that class session. Additionally, there is an EMT ambulance ride-along (24 hours), which fall outside of the listed class hours. DOT title 22 requires a minimum amount of hours to be eligible to take the National Registry exam. If you miss 4 or more weekdays or 2 Saturdays, YOU ARE INELIGIBLE TO TAKE THE NATIONAL EXAM. Due to the skills nature of this course there are no out of class makeups.

Contact Ron Ungar and wait for further instruction in the unlikely event that an instructor is not present at the beginning of class. Do not assume class is cancelled unless a PLNU Instructor or staff member advises you of that directive.

2. EMT Course Completion Certificate
3. Cost: about \$80. Signup will be done online by the student. More information will be given to the student at the end of the semester.

There are third party online companies (such as Fisdap.net) that offer preparatory services (such as practice exams and study guides) for the NREMT written exam. Although we do not recommend one company over another, your instructors do recommend that you investigate purchasing one of these services to assist you to prepare for your written exam Note: Certification may be denied if you have a criminal record. determination will be made by the County of San Diego EMS Office.

STATE AUTHORIZATION

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization](#) to view which states allow online (distance education) outside of California.

INCOMPLETES AND LATE ASSIGNMENTS

All assignments are to be submitted/turned in by the beginning of the class session when they are due—including assignments posted in Canvas. Incompletes will only be assigned in extremely unusual circumstances.

PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU Recording Notification®

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized personnel.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. For all student appeals, faculty and students should follow the procedures outlined in the University Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

PLNU ACADEMIC ACCOMMODATIONS POLICY

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will work with the student to create an Accommodation Plan (AP) that outlines allowed accommodations. The EAC makes accommodations available to professors at the student's request.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course.

Accommodations are not retroactive so clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC. Students cannot assume that because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any special accommodations.

PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an "F" grade.

A maximum of 12 hours of absences are allowed per class. You will be dropped from the course if you miss more than 12 hours for each class. This equates to approximately 2 classes. Notify the instructor ahead of time for your absence, via email. Due to the course content and accelerated schedule, continuous attendance is necessary for student success. In order to succeed, you will need to dedicate a large amount of time to studying the material outside of class.

DISRUPTIVE BEHAVIOR

In accordance with the policies of this university, behavior such as profane language, racially explicit comments, harassment of any kind, or disrespect towards other students or instructors will not be tolerated. This behavior reduces the effectiveness of the learning environment and is disrespectful to others.

Your full attention is expected during class at all times. Please keep talking amongst each other to a minimum and turn the audible alert of cell phones off. If you are expecting a phone call, please be considerate by placing these items on vibrate and responding to them outside the classroom. Please do not listen to music, text, or surf the internet during class.

METHODS OF INSTRUCTION

Lecture, discussion, audio/visual material, in-class group assignments, hands-on skills practice. Please pay close attention to all information presented during class. We will have a quiz most class meetings. We will be taking a 10 minute breaks every hour of class.

SPIRITUAL CARE

Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith.

If students have questions, a desire to meet with the chaplain or have prayer requests you can contact the [Office of Spiritual Development](#).

USE OF TECHNOLOGY

In order to be successful in the online or hybrid environment, you'll need to meet the minimum technology and system requirements; please refer to the *Technology and System Requirements* information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use. Please note that any course with online proctored exams requires a computer with a camera (tablets are not compatible nor allowable) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

LOMABOOKS INSTRUCTIONS FOR STUDENTS

This course is part of our course material delivery program, **LomaBooks**. The bookstore will provide each student with a convenient package containing all required physical materials; all digitally delivered materials will be integrated into Canvas.

You should have received an email from the bookstore confirming the list of materials that will be provided for each of your courses and asking you to select how you would like to receive any printed components (in-store pick up or home delivery). If you have not done so already, please confirm your fulfillment preference so the bookstore can prepare your materials.
