PLNU Mission

To Teach ~ To Shape ~ To Send

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service is an expression of faith. Being of Wesleyan heritage, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

Course Description

This is an interdisciplinary study of physical, social, emotional, and intellectual development from birth to two years old which will include: exploration of the impact of culture, atypical behavior and development, socialization techniques, interpersonal relationships of infant-toddler and caregivers, suitable environments for health and safety, and legal requirements for infant-toddler care. This course also includes an in-depth study of attachment and focuses on recent research identifying the importance of intellectual development in the first two years of life. Course lectures and readings are supplemented by required DRDP observations and field experience.

Pre or Corequisite(s): CDV 3023; may not take CDV 4013 before CDV 3023 but courses may be taken concurrently.

Program Goal

The goal of the Bachelor of Arts degree program in Child Development (BA-CDV) is to provide students the opportunity to complete a quality college degree via a schedule and format specially designed to meet their unique needs. This curriculum will help support student development toward a personal commitment to improving 1) the lives of individuals and families in their professional endeavors, 2) the lives of community members, and 3) their personal family life.

Course Learning Outcomes

The following student learning outcomes will be achieved by this course:

1. Examine factors that influence emotional development in infants and young children through adolescence. PLO-1
2. Differentiate factors that promote positive cognitive and physical development in infants and young children through adolescence. PLO-1
3. Analyze and distinguish hereditary, cultural, and environmental factors which promote or hinder the growth and development of infants, young children, and adolescents. PLO-5
4. Analyze, evaluate and discuss various influences on prenatal growth and development. PLO-1
5. Analyze, evaluate and discuss factors involved with adequate prenatal, postnatal, and infant care. PLO-1
6. Develop guidelines in the selection of materials, artistic and recreational activities, and play equipment according to the child's age, interest, and developmental stage. PLO-1
7. Assess children's behavior as a basis for appropriate decision-making. PLO-1
8. Apply awareness of current research as it impacts the growth and development of children. PLO-1

9. Identify the unique needs and circumstances of families with respect to diversity in family systems based on race, culture, ethnicity, and socio-economic status. PLO 5
 10. Explain diverse family systems and their effect on both child and adolescent development. PLO-2
 11. Articulate ways to assist parents and families to enhance and stimulate the physical, cognitive, socio-emotional, and spiritual development of children and adolescents. PLO-1
-

Program Learning Outcomes

The Point Loma Nazarene University BA-CDV graduate is prepared for expanded roles within his or her organization through enhanced abilities to:

1. Identify and describe normative similarities and differences of intellectual, emotional, social, and physical theories at each developmental stage from prenatal through adolescence. ILO-1
 2. Evaluate the effects of family systems on the development of children and adolescents. ILO-2
 3. Identify and discuss scientific research in understanding different philosophical views of growth and development both historic and current. ILO-1
 4. Assess research of theoretical and appropriate practical elements of parenting to facilitate discussions for a healthy environment for children and adolescents. ILO-2
 5. Evaluate the effects of society and culture upon the family microsystems, family types, and the subsequent macrosystems with which they co-exist. ILO 2
 6. Identify career paths and professional areas of service within the child and adolescent profession. ILO 3
-

Program Core Competency Learning Outcomes (CCLO)

1. Students will be able to examine, critique, and synthesize information in order to arrive at reasoned conclusions.
 2. Students will be able to effectively express ideas and information to others through written communication.
 3. Students will be able to solve problems that are quantitative in nature.

NAEYC Professional Standards and Competencies

Standard 1: Child Development and Learning in Context

- 1a: Understand the developmental period of early childhood from birth through age 8 across physical, cognitive, social and emotional, and linguistic domains, including bilingual/multilingual development.

- 1b: Understand and value each child as an individual with unique developmental variations, experiences, strengths, interests, abilities, challenges, approaches to learning, and with the capacity to make choices.
- 1c: Understand the ways that child development and the learning process occur in multiple contexts, including family, culture, language, community, and early learning setting, as well as in a larger societal context that includes structural inequities.
- 1d: Use this multidimensional knowledge—that is, knowledge about the developmental period of early childhood, about individual children, and about development and learning in cultural contexts—to make evidence-based decisions that support each child.

Standard 2: Family-Teacher Partnerships and Community Connections

- 2a: Know about, understand, and value the diversity of families.

Standard 3: Child Observation, Documentation, and Assessment

- 3a: Understand that assessments (formal and informal, formative and summative) are conducted to make informed choices about instruction and for planning in early learning settings.
- 3b: Know a wide range of types of assessments, their purposes, and their associated methods and tools.
- 3c: Use screening and assessment tools in ways that are ethically grounded and developmentally, ability, culturally, and linguistically appropriate in order to document developmental progress and promote positive outcomes for each child.

Standard 4. Developmentally, Culturally, and Linguistically Appropriate Teaching Practices

- 4a: Understand and demonstrate positive, caring, supportive relationships and interactions as the foundation of early childhood educators' work with young children.
- 4b: Understand and use teaching skills that are responsive to the learning trajectories of young children and to the needs of each child, recognizing that differentiating instruction, incorporating play as a core teaching practice, and supporting the development of executive function skills are critical for young children.
- 4c: Use a broad repertoire of developmentally appropriate, culturally and linguistically relevant, anti-bias, evidence-based teaching skills and strategies that reflect the principles of universal design for learning.

Standard 5. Knowledge, Application, and Integration of Academic Content in the Early Childhood Curriculum

- 5a: Understand content knowledge—the central concepts, methods and tools of inquiry, and structure—and resources for the academic disciplines in an early childhood curriculum.
- 5b: Understand pedagogical content knowledge—how young children learn in each discipline—and how to use the teacher knowledge and practices described in Standards 1 through 4 to support young children's learning in each content area.

- 5c: Modify teaching practices by applying, expanding, integrating, and updating their content knowledge in the disciplines, their knowledge of curriculum content resources, and their pedagogical content knowledge.

Standard 6: Professionalism as an Early Childhood Educator

- 6a: Identify and involve themselves with the early childhood field and serve as informed advocates for young children, families, and the profession.
- 6b: Know about and uphold ethical and other early childhood professional guidelines.
- 6c: Use professional communication skills, including technology-mediated strategies, to effectively support young children’s learning and development and to work with families and colleagues.
- 6d: Engage in continuous, collaborative learning to inform practice.
- 6e: Develop and sustain the habit of reflective and intentional practice in their daily work with young children and as members of the early childhood profession.

Institutional Learning Outcomes

1. Learning, Informed by our Faith in Christ

Students will acquire knowledge of human cultures and the physical and natural world while developing skills and habits of the mind that foster lifelong learning.

2. Growing, in a Christ-centered Faith Community

Students will develop a deeper and more informed understanding of others as they negotiate complex professional, environmental, and social contexts.

3. Serving, in a Context of Christian Faith

Students will serve locally and/or globally in vocational and social settings.

Note: Students are responsible for having the required textbooks prior to the first day of class. Students are also encouraged to begin reading the books in preparation for the class as soon as possible.

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law. All supplemental materials posted on this course site (including articles, book excerpts, or other documents) are provided for your personal academic use. These materials may be protected by copyright law and should not be duplicated or distributed without permission of the copyright owner.

Course Credit Hour Information

In the interest of providing sufficient time to accomplish the stated Course Learning Outcomes, this class meets the PLNU credit hour policy for a 3-unit class delivered over 8 weeks. It is anticipated that students will spend a minimum of 37.5 participation hours per credit hour on their coursework. For this course, students will spend an estimated 112.5 total hours meeting the course learning outcomes. The time estimations are provided below and in the Canvas modules.

Estimated Time to Complete Course

<i>Activity Category</i>	<i>Time-to-Complete (Hours)</i>
Required Reading & Resources	42.5
Discussions	25
Quizzes	8
Assignments	22
Fieldwork	15
<i>Total:</i>	112.5

Assessment and Grading

Weighted Grades

Students must complete this course with a grade of “C” or better before proceeding with other courses as outlined in the catalog.

Assignments will be graded as soon after the due date as possible, and feedback will be given on your assignments. It is important to read the comments posted in the Grades area and on your document submissions, as these comments are intended to help you improve your work. You can expect an email response from your instructor within 24-48 hours. Your grades will be posted in the Canvas Grades area no later than Friday of each week beginning in Week Two of this course.

This course uses weighted grades. Each assignment category is worth a certain percentage of the total grade (100%) for the course, as specified in the table below:

<i>Assignment Category</i>	<i>Description</i>	<i>Percentage of Total Grade</i>
Online Discussions	Participation in discussion board forums is intended to promote collaboration between participants as new	1 

	<p>approaches to child development are considered. These online conversations will be based primarily on related assigned readings or content in the course. As a guideline, plan to contribute at least two substantive posts per day during active discussions. A substantive post contains material related to the topic, application to your teaching practice, and/or extends learning in a meaningful way. It is expected that you read all posts in each discussion board forum.</p>	
Assignments	<p>Assignments are created throughout the course. They include video observation assignments that are used to measure understanding and provide you with the opportunity to apply and practice skills, in-class activities, and group assignments.</p>	25%
Fieldwork	<p>15 hours of observation fieldwork is required in this course and will be completed in a licensed infant/toddler facility. You will be required to maintain a fieldwork log and provide anecdotal notes and a summary reflection for each observation.</p>	20%
Quizzes	<p>Quizzes are created each week to assess your understanding of key terms in our course text.</p>	10%
Attendance	<p>Synchronous sessions participation and completion of activities are important for the success of the class and your learning. No credit for attendance is awarded if you do not participate in assigned activities (i.e., discussions, assignments) scheduled for the week.</p>	N/A
Final Project	<p>Final Project includes a written critique and a partner presentation. The Final Project represents 30% of the overall course grade. Failure to complete either of these assignments will result in a failing grade in the course, regardless of the overall score from other assignment submissions.</p>	30%

Student grades for assignments will be posted in the Canvas gradebook no later than midnight on Tuesday of each week beginning in Week Two of this course. It is important to read the comments posted in the gradebook as these comments are intended to help students improve their work. Final grades will be posted by the due date as posted in the Academic Calendar.

Grading Scale

The following grading scale will be used for all exams and final course grades:

- 93 – 100% = A
- 90 – 92% = A-
- 87 – 89% = B+
- 83 – 86% = B
- 80 – 82% = B-
- 77 – 79% = C+
- 73 – 76% = C
- 70 – 72% = C-
- 67 – 69% = D+
- 63 – 66% = D
- 60 – 62% = D-
- Below 59% = F

Incompletes and Late Assignments

All assignments are to be submitted by the due dates. There will be a 10% reduction of possible points for **each day** an assignment is late, and assignments will **not be** accepted for credit four days after the due date. If missing assignments result in the failure to meet learning outcomes, you may receive a letter grade reduction on the final grade in addition to the loss of points for missing work. Assignments will be considered late if posted after the due date and time using Pacific Standard Time. No assignments will be accepted after midnight on Sunday night, the last day of class.

Exceptions for extenuating circumstances must be pre-approved by the instructor and the program director.

PLNU Spiritual Care

PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our Graduate and Adult Undergraduate students to encounter God and grow in their Christian faith. We have onsite chaplains at our different campuses who may be available during class break times across the week. If you have questions or a desire to meet or share any prayer requests with our chaplains, you can find them at the [Chaplain's Page \(https://my.pointloma.edu/pages/chaplains\)](https://my.pointloma.edu/pages/chaplains) via myPLNU.

In addition, the Mission Valley and Balboa campuses have a prayer chapel for use as a space set apart for quiet reflection and prayer.

In addition, on the MV campus, there is a prayer chapel on the third floor, which is open for use as a space set apart for quiet reflection and prayer.

State Authorization

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization \(https://www.pointloma.edu/offices/office-institutional-effectiveness-research/disclosures\)](https://www.pointloma.edu/offices/office-institutional-effectiveness-research/disclosures) to view which states allow distance education outside of California.

PLNU Copyright Policy

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU Recording Notification

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized personnel.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

PLNU Academic Honesty Policy

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when, in reality, they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign

grade for that assignment or examination or, depending on the seriousness of the offense, for the course.

For all student appeals, faculty and students should follow the procedures outlined in the University Catalog. See [Adult Undergraduate Academic and General Policies](https://pointloma-public.courseleaf.com/aug-catalog/academic-general-policies/#text)  (<https://pointloma-public.courseleaf.com/aug-catalog/academic-general-policies/#text>) for definitions of kinds of academic dishonesty and for further policy information.

During the first week of class, you will be asked to submit an Academic Honesty Verification Statement. Submitting the statement is a requirement of this course. By submitting the Academic Honesty Verification Statement, you will be verifying all assignments completed in this course were completed by you. Carefully review the Academic Honesty Statement below.

Statement: "In submitting this form, I am verifying all the assignments in this course will be completed by me and will be my own work."

Artificial Intelligence (AI) Policy

You are allowed to use Artificial Intelligence (AI) tools (e.g., ChatGPT, Gemini Pro 1.5, GrammarlyGo, Perplexity, etc) to generate ideas, but you are not allowed to use AI tools to generate content (text, video, audio, images) that will end up in any work submitted to be graded for this course. If you have any doubts about using AI, please gain permission from the instructor.

PLNU Academic Accommodations Policy

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2533). Once a student's eligibility for an accommodation has been determined, the EAC will work with the student to create an Accommodation Plan (AP) that outlines allowed accommodations. Professors are able to view a student's approved accommodations through Accommodate.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course. Accommodations are not retroactive so clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to ensure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC. Students cannot assume that

because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any accommodations.

Language and Belonging

Point Loma Nazarene University faculty are committed to helping create a safe and hospitable learning environment for all students. As Christian scholars we are keenly aware of the power of language and believe in treating others with dignity. As such, it is important that our language be equitable, inclusive, and prejudice free. Inclusive/Bias-free language is the standard outlined by all major academic style guides, including MLA, APA, and Chicago, and it is the expected norm in university-level work. Good writing and speaking do not use unsubstantiated or irrelevant generalizations about personal qualities such as age, disability, economic class, ethnicity, marital status, parentage, political or religious beliefs, race, gender, sex, or sexual orientation. Inclusive language also avoids using stereotypes or terminology that demeans persons or groups based on age, disability, class, ethnicity, gender, race, language, or national origin. Respectful use of language is particularly important when referring to those outside of the religious and lifestyle commitments of those in the PLNU community. By working toward precision and clarity of language, we mark ourselves as serious and respectful scholars, and we model the Christ-like quality of hospitality.

If you (or someone you know) have experienced other forms of discrimination, you can find more information on reporting and resources at [PLNU's Nondiscrimination webpage \(http://www.pointloma.edu/nondiscrimination\)](http://www.pointloma.edu/nondiscrimination).

Sexual Misconduct and Discrimination

Point Loma Nazarene University faculty are committed to helping create a safe learning environment for all students. If you (or someone you know) have experienced any form of sexual discrimination or misconduct, including sexual assault, dating or domestic violence, or stalking, know that help and support are available through the [Title IX Office \(https://www.pointloma.edu/title-ix\)](https://www.pointloma.edu/title-ix). Please be aware that under Title IX of the Education Amendments of 1972, it is required to disclose information about such misconduct to the Title IX Office.

If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact Counseling Services at counselingservices@pointloma.edu or find a list of campus pastors via our [Sexual Harassment and Discrimination Policy. \(https://www.pointloma.edu/title-ix\)](https://www.pointloma.edu/title-ix)

If you (or someone you know) have experienced other forms of discrimination or bias, you can find more information on reporting and resources via our [Nondiscrimination and Anti-harassment Policy \(https://www.pointloma.edu/bias\)](https://www.pointloma.edu/bias).

PLNU Attendance and Participation Policy

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. Therefore, regular attendance and participation in each course are minimal requirements.

If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an “F” grade.

Students who anticipate being absent for an entire week of a course should contact the instructor in advance for approval and make arrangements to complete the required coursework and/or alternative assignments assigned at the discretion of the instructor. Acceptance of late work is at the discretion of the instructor and does not waive attendance requirements.

Refer to [Academic Policies](https://pointloma-public.courseleaf.com/aug-catalog/academic-general-policies/)  (<https://pointloma-public.courseleaf.com/aug-catalog/academic-general-policies/>) for additional details.

Synchronous Attendance/Participation Definition

For synchronous courses that have specific scheduled meeting times (including in-person, hybrid, and synchronous online courses), absences are counted from the first official meeting of the class regardless of the date of the student’s enrollment. For courses with specific attendance requirements, those requirements are outlined in the course syllabus.

Note: For synchronous courses with an online asynchronous week, refer to the Online Asynchronous Class Attendance policy listed below.

Online Asynchronous Attendance/Participation Definition

Students taking online courses with no specific scheduled meeting times are expected to actively engage throughout each week of the course. Attendance is defined as participating in an academic activity within the online classroom which includes, but is not limited to:

- Engaging in an online discussion
- Submitting an assignment
- Taking an exam
- Participating in online labs
- Initiating contact with faculty member within the learning management system to discuss course content

Note: Logging into the course does not qualify as participation and will not be counted as meeting the attendance requirement.

Course Modality Definitions

1. Online Courses: These are courses with class meetings where all instruction and interaction are fully online.
 1. Synchronous Courses: At least one class meeting takes place at a designated time.
 2. Asynchronous Courses: All class meetings are asynchronous.
 2. Hybrid Courses: These are courses with class meetings that take place both in the classroom and online synchronously and/or asynchronously.
 3. In-Person Courses: These are courses that meet in person with the instructor and students in a physical classroom setting. With approval by the area dean, this may include up to 25% of qualified class interactions through a Learning Management System (such as Canvas).
-

Use of Technology

In order to be successful in the online or hybrid environment, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements \(https://help.pointloma.edu/TDClient/1808/Portal/KB/ArticleDet?ID=108349\)](https://help.pointloma.edu/TDClient/1808/Portal/KB/ArticleDet?ID=108349) information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use. Please note that any course with online proctored exams requires a computer with a camera (tablets are not compatible nor allowable) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.
