Other Course-Specific Info

TEACHING METHODOLOGY

There are different ways in which to approach the teaching of the same subject area and materials. The focus of this course will be applying the concepts presented in the textbook to our group counseling sessions during class and the group sessions students attend outside of class.

Not all of the chapter materials will be covered in class; however, students are expected to know all of the materials covered in each chapter on the syllabus and to apply them during class group sessions.

Reading of texts - Critical to your success is that assigned reading is done prior to class in order to do well on quizzes and to promote a rich class time experience to demonstrate you can apply what you have learned.

NOTICE TO STUDENTS: This class may challenge feelings of vulnerability and safety with each other as we engage in “mock” group counseling sessions together. To provide a level of comfort for one another in these groups please demonstrate respectfulness (both verbal and non-verbal) when speaking to one another, and or sharing your experiences. In this program with honor and value everyone and we expect you to do the same. These “mock” group sessions are not intended to provide you professional group counseling. However, it is an opportunity to participate in an experiential treatment approach which requires participation and interaction. Authenticity and being in the moment (the here-and-now) are expected. Responding to relevant interactions to the group process correlated to reading from the text is also expected.

Providing Trauma-Informed Care as a counselor, force and coercion are never used in a patient/therapist relationship - unless it is a crisis/suicidal/homicidal situation in which we are required to keep the patient safe. A Trauma-Informed response in healthy relationships adheres to force never being used, a choice is always offered, and consent must always be in the form of a verbal reply (“yes,” or “no”). Likewise, each of you are not forced to share any more than you feel comfortable in these “mock” group therapy sessions. Participation means having a response, which does not require you to divulge your personal history.

Please remember how you speak to others (tone/facial expressions) and what (content) you say impacts group members. Therefore, if you disagree with someone, share feedback respectfully (calm tone/emotionally regulated) like you would want someone to speak to you when being given feedback. Details of violence and abuse that you may have experienced in the past is not appropriate for these “mock” group sessions. On the other hand, during these group sessions deep feelings may surface, or activate a difficult experience from the past. If this happens, please make an appointment with your personal mental health provider right away to continue in your growth and development as a clinician.

PLNU Spiritual Care

Mission Valley: PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our Graduate students to encounter God and grow in their Christian faith. At the Mission Valley (MV) campus we have an onsite chaplain who is available during class break times across the week. If you have questions for or a desire to meet or share any prayer requests with the onsite chaplain, you may email Dr. Sylvia Cortez Masyuk at scortezm@pointloma.edu (<mailto:scortezm@pointloma.edu>).

In addition, on the MV campus there is a prayer chapel on the third floor. It is open for use as a space set apart for quiet reflection and prayer.

PLNU Copyright Policy

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU Recording Notification

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized personnel.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

PLNU Academic Honesty Policy

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. For all student appeals, faculty and students should follow the procedures outlined in the University Catalog. See [Graduate Academic and General Policies](https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/#text) [↗ \(https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/#text\)](https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/#text) for definitions of kinds of academic dishonesty and for further policy information. **Honor lock will be used for all exams.**

Note: Additionally, include the below if this pertains to your course:

During the first week of class, you will be asked to submit an Academic Honesty Verification Statement. Submitting the statement is a requirement of this course. By submitting the Academic Honesty Verification Statement, you will be verifying all assignments completed in this course were completed by you. Carefully review the Academic Honesty Statement below.

Statement: "In submitting this form, I am verifying all the assignments in this course will be completed by me and will be my own work."

Artificial Intelligence (AI) Policy

You are allowed to use Artificial Intelligence (AI) tools (e.g., ChatGPT, Gemini Pro 1.5, GrammarlyGo, Perplexity, etc) to generate ideas, but you are not allowed to use AI tools to generate content (text, video, audio, images) that will end up in any work submitted to be graded for this course. If you have any doubts about using AI, please gain permission from the instructor.

PLNU Academic Accommodations Policy

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu (<mailto:EAC@pointloma.edu>) or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will work with the student to

create an Accommodation Plan (AP) that outlines allowed accommodations. The EAC makes accommodations available to professors at the student's request.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course. Accommodations are not retroactive so clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC. Students cannot assume that because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any special accommodations.

Sexual Misconduct and Discrimination

Point Loma Nazarene University faculty are committed to helping create a safe learning environment for all students. If you (or someone you know) have experienced any form of sexual discrimination or misconduct, including sexual assault, dating or domestic violence, or stalking, know that help and support are available through the [Title IX Office \(https://www.pointloma.edu/title-ix\)](https://www.pointloma.edu/title-ix). Please be aware that under Title IX of the Education Amendments of 1972, it is required to disclose information about such misconduct to the Title IX Office.

If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact Counseling Services at counselingservices@pointloma.edu or find a list of campus pastors via our [Sexual Harassment and Discrimination Policy. \(https://www.pointloma.edu/title-ix\)](https://www.pointloma.edu/title-ix)

If you (or someone you know) have experienced other forms of discrimination or bias, you can find more information on reporting and resources via our [Nondiscrimination and Anti-harassment Policy \(https://www.pointloma.edu/bias\)](https://www.pointloma.edu/bias).

PLNU Course Modality Definitions

1. Online Courses: These are courses with class meetings where all instruction and interaction is fully online.
 - Synchronous Courses: At least one class meeting takes place at a designated time.
 - Asynchronous Courses: All class meetings are asynchronous.
2. Hybrid Courses: These are courses with class meetings that take place both in the classroom and online synchronously and/or asynchronously.

3. In-Person Courses: These are courses that meet in person with the instructor and students in a physical classroom setting. With approval by the area dean, this may include up to 25% of qualified class interactions through a Learning Management System (such as Canvas).

PLNU Attendance

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. Therefore, regular attendance and participation in each course are minimal requirements.

PLNU Policy: If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent (equivalent to two (2) classes in the MACC program), the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an “F” grade.

Note: If a student incurs a third absence, they may petition the faculty to remain enrolled in class. The faculty will provide a make up assignment proportionate in length and difficulty to the class missed. This third absence may also result in a referral to the Student Development Committee.

In addition to the university policy, 10% of your course grade will reflect your attendance. Coming to class is mandatory and expected. As extenuating circumstances may happen that prevent you from attending class, a student may incur one absence without losing points. Each subsequent absence will drop this portion of the grade by 5% of the total course points (up to 10%). Note: absences are not categorized as excused or unexcused.

Attending class on time is essential to promote a respectful and professional learning environment. Arriving to class more than 15 minutes late is counted as a tardy. Two tardies count as one absence. Arriving 30 minutes or more late to a class will be considered an absence.

Refer to [Academic Policies](https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/)  (<https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/>) for additional detail.

Professionalism

Student professionalism will be assessed in each course, constituting 10% of the total course grade. Professionalism indicators include class participation, interactions with peers and instructors, and self-awareness. The full rubric can be found here: [PLNU MACC Professionalism Rubric](https://docs.google.com/document/d/1113zcG8BAe_gb79ABwXlqk10QI8GJ1GUYI6TosQ5mxg/edit?tab=t.0)  (https://docs.google.com/document/d/1113zcG8BAe_gb79ABwXlqk10QI8GJ1GUYI6TosQ5mxg/edit?tab=t.0).

What is considered “class participation”?

- o Raising your hand and answering questions.
- o Sharing ideas, observations, and personal experiences.
- o Pointing out relevant data.
- o Generating potential solutions.
- o Relating and synthesizing the ideas of others.

- o Pointing out relationships to earlier discussions.

Helping others develop their views and ideas.

Late Policy

Assignments submitted up to 24 hours past the due date will be deducted 25% of the grade. Assignments submitted up to 48 hours past the due date will be deducted 50% of the grade. Any assignment turned in after 48 hours past the due date will receive no credit. Students are encouraged to alert the professor if an assignment is anticipated to be late. Professors can extend these late penalties if arrangements are made in advance.

Use of Technology

MACC is committed to a distraction-free learning environment. Students are welcome to bring devices to class, but they *must remain stored* throughout class time unless directed otherwise by the instructor. Phones, laptops, iPads/tablets, and other personal devices are not permitted to be passively used during lectures, discussions, or any other activity unless expressly communicated by the instructor.
