PLNU Mission

To Teach ~ To Shape ~ To Send

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service is an expression of faith. Being of Wesleyan heritage, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

COURSE DESCRIPTION

The internship/practicum experience presents opportunities for students to pursue practical work in their chosen field of study that relates to their professional plans. The department expects the student to have completed coursework and have the necessary experience to carry out the objectives of the internship as well as possess the habits and motivation to be of benefit to the sponsoring agency. Furthermore, the student must understand that he/she represents Point Loma Nazarene University during the entire internship and therefore should act professionally and ethically at all times.

INSTITUTIONAL LEARNING OUTCOMES (ILO)

1. **Learning, Informed by our Faith in Christ**

Students will acquire knowledge of human cultures and the physical and natural world while developing skills and habits of the mind that foster lifelong learning.

2. **Growing, In a Christ-Centered Faith Community**

Students will develop a deeper and more informed understanding of others as they negotiate complex professional, environmental and social contexts.

3. **Serving, In a Context of Christian Faith**

Students will serve locally and/or globally in vocational and social settings.

PROGRAM LEARNING OUTCOMES (PLO)

The Point Loma Nazarene University MS-KIN graduate will be able to:

1. Appraise current research data in Kinesiology and integrate it into professional practice to solve relevant problems and make effective decisions .
2. Work independently and with a team to persuasively communicate essential information in their discipline.
3. Demonstrate appropriate breadth of knowledge of the background and principle research in their specialization in order to conduct an independent research project.
4. Serve various populations, integrating compassionate care and the Christian faith with their professional practice.
5. Pursue an active and growing involvement in their discipline by achieving advanced certification and/or membership in a related professional organization.

COURSE LEARNING OUTCOMES (CLO)

An essential component of the Internship/Practicum experience is to give the graduate student direct, relevant experience in her/his discipline. Therefore, each internship experience should accomplish at least 3 of the Program Learning Outcomes (PLO) of the MS-KIN program (see above "Program Learning Outcomes"). The intern and coordinator should agree on which of the following MS-KIN program learning outcomes will be met by the internship experience through the various assignments outlined on pg. 4. The two will work together to evaluate the extent to which the student met these outcomes as a result of the experience.

INTERNSHIP GUIDELINES

Below are listed the required amount of hours for each credit:

3 credits =120-150 total hours (10 hours/week, 15 weeks)

2 credits =75-100 total hours (7 hours/week, 15 weeks)

1 credit =40-50 total hours (4 hours/week, 10-12 weeks)

There is flexibility in hours per week as long as the total hours are completed. For example, a student may desire to work 20 hours per week for six weeks during the summer. The 120-hour total would meet

the three-credit requirement. It is suggested, however, that the internship not be less than four weeks in length and not continue longer than two terms (16 weeks). Students must register to take their internship in the semester in which the internship will occur (i.e., if you want to do your internship in the summer, you must register in the summer). Internships that are not completed within six weeks after the semester is over will receive a failing grade. Be sure to plan in advance.

INTERNSHIP PROCEDURES

1. Upon expression of interest in an internship, the instructor will help the student discern the goals and objectives of the internship as well as the rationale for engaging in the internship and project. Internship must be developed to achieve specific MS-KIN program learning outcomes.
2. The Internship Coordinator and the student will discuss the journaling process. Journals should be typed and submitted on Canvas to the Internship Coordinator and Academic Advisor every Friday by 11:59pm.
3. The intern will be evaluated. This will be done through conferring with the field sponsor and having a closing meeting with the student to discuss the internship and evaluate the journal, written evaluation and/or summative project. It is expected that the field sponsor will complete an evaluation form, which will be provided by the Academic Advisor.

CREDIT HOUR INFORMATION

It is anticipated that students will spend a minimum of 50 participation hours per credit hour on their course work. As a graduate course, students can expect the work in this class to be significant in proportion to the amount of credits they choose to have the internship worth. The estimated time expectations for this course are shown below:

Assignments	1 credit	2 credit	3 credit
Internship Hours	40	80	130
Journal Reflections	8	8	8
Final Project	15	15	15
Total Course Hours	63	103	153

COURSE ASSIGNMENTS

All internship requirements (i.e. the Student Evaluation form, Verification of Internship Hours form, the Written Reflection and any Additional Project) will be sent to the student’s internship coordinator via email.

a. Completion of hours

b. Journal

The journal is a weekly record of the experience and the learning that occurred during the internship. It is hoped that this journal would serve as a valuable resource and tool if the student were to be involved in a similar setting in the future; it should reflect significant reflection on lessons learned, insights gained, and changed perspectives. This journal must be typed and should include adequate detail associated with student observation, activity and learning synthesis. Hours of experience should be included and highlighted such that the advisor can easily confirm that the required numbers of hours and key learning objectives have been achieved.

*1/2 page to 1 page, double-spaced, times new roman font size 12.

c. Written reflection/evaluation of experience

Upon completion of the required experience, the student will produce a concise and thoughtful reflection of the internship experience. The written evaluation must include the following:

1. Description of program (i.e. location, type of experience, hours, duties, etc.)
2. Description of goals / expected outcomes of program
3. Summary of learning / goal attainment / value of experience / effect on future career decisions
4. Reflection of entire field experienced.
5. Double-spaced, 2-3 pages, Times New Roman Font Size 12.

REQUIRED TEXTS AND RECOMMENDED RESOURCES

Please communicate with the professional with whom you are interning and the faculty coordinator to determine the recommended readings and resources to complete the experience.

PLNU Spiritual Care

Balboa Campus

PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our graduate students to encounter God and grow in their Christian faith. At the Balboa campus, we have an onsite chaplain, Rev. Kevin Portillo, who is available during class break times across the week. If you have questions or a desire to meet or share any prayer requests with Rev. Portillo, you may contact him directly at KevinPortillo@pointloma.edu

State Authorization

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization](#) to view which states allow distance education outside of California.

PLNU Copyright Policy

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU Recording Notification

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized PLNU personnel only.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

PLNU Academic Honesty Policy

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when, in reality, they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination or, depending on the seriousness of the offense, for the course.

For all student appeals, faculty and students should follow the procedures outlined in the University Catalog. See [Graduate Academic and General Policies Links to an external site.](#) for definitions of kinds of academic dishonesty and for further policy information.

During the first week of class, you will be asked to submit an Academic Honesty Verification Statement. Submitting the statement is a requirement of this course. By submitting the Academic Honesty Verification Statement, you will be verifying all assignments completed in this course were completed by you. Carefully review the Academic Honesty Statement below.

Statement: "In submitting this form, I am verifying all the assignments in this course will be completed by me and will be my own work."

Artificial Intelligence (AI) Policy

You are allowed to use Artificial Intelligence (AI) tools (e.g., ChatGPT, Gemini Pro 1.5, GrammarlyGo, Perplexity, etc) to generate ideas, but you are not allowed to use AI tools to generate content (text, video, audio, images) that will end up in any work submitted to be graded for this course. If you have any doubts about using AI, please gain permission from the instructor.

PLNU Academic Accommodations Policy

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2533). Once a student's eligibility for an accommodation has been determined, the EAC will work with the student to create an Accommodation Plan (AP) that outlines allowed accommodations. Professors are able to view a student's approved accommodations through Accommodate.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course. Accommodations are not retroactive so clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC. Students cannot assume that because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any accommodations.

Language and Belonging

Point Loma Nazarene University faculty are committed to helping create a safe and hospitable learning environment for all students. As Christian scholars we are keenly aware of the power of language and believe in treating others with dignity. As such, it is important that our language be equitable, inclusive, and prejudice free. Inclusive/Bias-free language is the standard outlined by all major academic style guides, including MLA, APA, and Chicago, and it is the expected norm in university-level work. Good writing and speaking do not use unsubstantiated or irrelevant generalizations about personal qualities such as age, disability, economic class, ethnicity, marital status, parentage, political or religious beliefs, race, gender, sex, or sexual orientation. Inclusive language also avoids using stereotypes or terminology that demeans persons or groups based on age, disability, class, ethnicity, gender, race, language, or national origin. Respectful use of language is particularly important when referring to those outside of the religious and lifestyle commitments of those in the PLNU community. By working toward precision and clarity of language, we mark ourselves as serious and respectful scholars, and we model the Christ-like quality of hospitality.

If you (or someone you know) have experienced other forms of discrimination, you can find more information on reporting and resources at [PLNU's Nondiscrimination webpage](#).

Sexual Misconduct and Discrimination

Point Loma Nazarene University faculty are committed to helping create a safe learning environment for all students. If you (or someone you know) have experienced any form of sexual discrimination or misconduct, including sexual assault, dating or domestic violence, or stalking, know that help and

support are available through the [Title IX Office](#). Please be aware that under Title IX of the Education Amendments of 1972, it is required to disclose information about such misconduct to the Title IX Office.

If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact Counseling Services at counselingservices@pointloma.edu or find a list of campus pastors via our [Sexual Harassment and Discrimination Policy](#).

If you (or someone you know) have experienced other forms of discrimination or bias, you can find more information on reporting and resources via our [Nondiscrimination and Anti-harassment Policy](#).

PLNU Attendance and Participation Policy

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. Therefore, regular attendance and participation in each course are minimal requirements.

If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an “F” grade.

Students who anticipate being absent for an entire week of a course should contact the instructor in advance for approval and make arrangements to complete the required coursework and/or alternative assignments assigned at the discretion of the instructor. Acceptance of late work is at the discretion of the instructor and does not waive attendance requirements.

Refer to [Academic PoliciesLinks to an external site.](#) for additional details.

Synchronous Attendance/Participation Definition

For synchronous courses that have specific scheduled meeting times (including in-person, hybrid, and synchronous online courses), absences are counted from the first official meeting of the class regardless of the date of the student’s enrollment. For courses with specific attendance requirements, those requirements are outlined in the course syllabus.

Note: For synchronous courses with an online asynchronous week, refer to the Online Asynchronous Class Attendance policy listed below.

Online Asynchronous Attendance/Participation Definition

Students taking online courses with no specific scheduled meeting times are expected to actively engage throughout each week of the course. Attendance is defined as participating in an academic activity within the online classroom which includes, but is not limited to:

- Engaging in an online discussion
- Submitting an assignment
- Taking an exam
- Participating in live lectures

- Initiating contact with faculty member within the learning management system to discuss course content

Note: Logging into the course does not qualify as participation and will not be counted as meeting the attendance requirement.

Course Modality Definitions

1. **Online Courses:** These are courses with class meetings where all instruction and interaction are fully online.
 1. **Synchronous Courses:** At least one class meeting takes place at a designated time.
 2. **Asynchronous Courses:** All class meetings are asynchronous.
2. **Hybrid Courses:** These are courses with class meetings that take place both in the classroom and online synchronously and/or asynchronously.
3. **In-Person Courses:** These are courses that meet in person with the instructor and students in a physical classroom setting. With approval by the area dean, this may include up to 25% of qualified class interactions through a Learning Management System (such as Canvas).

Use of Technology

In order to be successful in the online or hybrid environment, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use. Please note that any course with online proctored exams requires a computer with a camera (tablets are not compatible nor allowable) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.
