The Liberal Studies with an Emphasis on Education (LSEE): Teacher Education program includes a series of courses designed to meet California State Standards for Multiple Subject, Single Subject or Education Specialist Preliminary teaching credentials along a traditional undergraduate pathway. The content and standards of these credential courses are subject to CTC accreditation cycles and the foundation upon which the LSEE program is built. Table One displays the four LSEE Program Learning Outcomes (PLOs). Table Two displays the four PLOs and the courses in which each is Introduced (I), Developed (D), or Mastered (M) as candidates work toward program completion and their degree.
