Midterms & Final Exam: The exams will be taken on Canvas using Honorlock, which is an academic honesty software. You must have Google Chrome installed on your computer and as the browser that you use when you take this exam. You must also have a webcam on your computer, as Honorlock requires this to proceed with the exam. There will be an Honorlock practice on Canvas before the first exam so that you can make sure the system is working. On the Midterms, questions may include Multiple-Choice or Problems based on text material, quizzes, lecture videos and/or homework assignments. The final exam will be comprehensive covering all chapters in the course. Exams **must** be taken by the due date listed on the syllabus. Each midterm exam is worth 100 pts (10% of your overall course grade), and the comprehensive final exam is worth 200 pts (20% of your overall course grade).

Quizzes: Quizzes on chapter material will be due at the beginning of each chapter and completed through Connect. No makeup quizzes will be given, and late submissions will **not** be accepted. Quiz scores are worth 10 pts each.

Homework will be completed and submitted through Connect. Late homework assignments will incur a 50% late penalty, and no homework will be accepted after the exam on the chapter material. Homework scores are worth 20 pts each.

Discussion Posts & Responses: Each week there will be required discussions where students are required to interact with the chapter videos. In addition, there will be some learning reflection discussions to check in on what you are understanding and what you are struggling with, as well as what you need going forward. You are required to provide an initial post and two responses to the provided prompt for each discussion. Late discussion posts/responses will incur a 50% late penalty, and no discussion posts/responses will be accepted after the exam on the related chapter. FINAL EXAMINATION POLICY

Successful completion of this class requires taking the final examination **on its scheduled day**. No requests for early examinations or alternative days will be approved.

PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. For all student appeals, faculty and students should follow the procedures outlined in the University catalog. See Graduate Academic & General Policies for definitions of kinds of academic dishonesty and for further policy information.

During the first week of class, you will be asked to submit an Academic Honesty Verification Statement. Submitting the statement is a requirement of this course. By submitting the Academic Honesty Verification Statement, you will be verifying all assignments completed in this course were completed by you.

Carefully review the Academic Honesty Statement below:

Statement: "In submitting this form, I am verifying all the assignments in this course will be completed by me and will be my own work."

ARTIFICIAL INTELLIGENCE (AI) POLICY

You are allowed to use Artificial Intelligence (AI) tools (e.g., ChatGPT, Gemini Pro 1.5, GrammarlyGo, Perplexity, etc) to generate ideas, but you are not allowed to use AI tools to generate content (text, video, audio, images) that will end up in any work submitted to be graded for this course. If you have any doubts about using AI, please gain permission from the instructor.

PLNU ATTENDANCE AND PARTICIPATION POLICY

Students taking online courses with no specific scheduled meeting times are expected to actively engage throughout each week of the course. Attendance is defined as participating in an academic activity within the online classroom which includes, but is not limited to:

- Engaging in an online discussion
- Submitting an assignment
- Taking an exam
- Participating in online labs
- Initiating contact with faculty member within the learning management system to discuss course content

Note: Logging into the course does not qualify as participation and will not be counted as meeting the attendance requirement.

USE OF TECHNOLOGY

In order to be successful in your course, you'll need to meet the minimum technology and system requirements; please refer to the Technology and System Requirements information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use for any online or hybrid classes. Please note that any course with online proctored exams require a computer with a camera (tablets are not compatible) to complete exams online. Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

SPIRITUAL CARE

Please be aware PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our students to encounter God and grow in their Christian faith.

At the Mission Valley (MV) campus we have an onsite chaplain who is available during class break times across the week. have questions for or a desire to meet or share any prayer requests with the onsite chaplain, you may email Dr. Sylvia Cortez Masyuk at scortezm@pointloma.edu. In addition, on the MV campus there is a prayer chapel on the third floor which is open for use as a space set apart for quiet reflection and prayer.

PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU RECORDING NOTIFICATION

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized personnel.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

PLNU ACADEMIC ACCOMMODATIONS POLICY

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2533). Once a student's eligibility for an accommodation has been determined, the EAC will work with the student

to create an Accommodation Plan (AP) that outlines allowed accommodations. Professors are able to view a student's approved accommodations through Accommodate.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course.

Accommodations are not retroactive so clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided.

It is the student's responsibility to make the first contact with the EAC. Students cannot assume that because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any accommodations.

STATE AUTHORIZATION

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on State Authorization to view which states allow online (distance education) outside of California.

To learn this material: Focus your study efforts on understanding the material. Try not to simply memorize. Read each chapter before watching the lecture videos and attempting the chapter quizzes. The most effective study strategy to prepare for tests is to **thoroughly understand problems worked in lecture and videos** and assigned in the homework.

You must keep up with the assignments. Accounting is a subject that builds on the previous chapter material. **It is important to not fall behind.** If you are experiencing problems, please notify me immediately.
