Week 1 Reading Discussion Post

Week 1 Getting to Know You & Think (Pair & Share Later)

Week 3 Creation of Self-Care Plan

Signature theme paper (15%)

Objective: Identify Personal growth and enhance self-awareness. Students will increase their perception of the relevance of personal development as it relates to the role of the Therapist. Students are expected to decide how much they want to share about their personal lives. Part of your grade depends on your thoughtfulness and participation in this process, NOT on the content you choose to share.

Directions: The five sections listed below will be used as your headers for this paper. Respond to each prompt thoroughly and thoughtfully. You are encouraged to begin working on this assignment in advance to allow for the emotional reactivity that often accompanies this level of introspection.

- Introduction to Signature Theme (Heading: Introduction)
- Coping with Signature Theme (Heading: Coping)
- Family History Related to Signature Theme (Heading: Family History)
- Impact of Signature Theme on Clinical Work (Heading: Impact on Clinical Work)
- Conclusion (Heading: Conclusion)

Signature Theme Conversation Reflection Paper (10%)

Purpose: The purpose of the conversation portion of the assignment is to allow you to describe your initial understanding of your signature theme, locate it in your personal/family history, and consider how it may manifest itself in your clinical work. The purpose of the reflection paper is to discuss your expanded understanding of your signature theme based on the feedback during the conversation portion and how you anticipate you might be able to utilize your expanded understanding of your signature theme in your role as a therapist. This reflection paper is *not* a repeat of your original paper, but an opportunity to build on your understanding of your signature theme.

Signature Theme Observer Journals (7) (15%)

Purpose: The purpose of this assignment is to allow you to practice empathically identifying with another person utilizing your “self” and to allow for personal feedback from the professor in a more private manner.

Instructions: In the entry, you should use the following prompts as a guide, but expansion and attunement to your own process is encouraged. Refer to page 123 of *The Person of the Therapist Training Model* (Aponte & Kissil, 2016). The primary guideline is that you will be writing about *yourself and your internal process*, not the person whose conversation you witnessed.

- What did you experience during your classmate’s signature theme conversation? What feelings and thoughts came up for you? What resonated with you? Which parts of the demonstration could you relate to most?
- How did this presentation relate to your own “self” (e.g., signature theme, values, experiences, etc.) and your clinical work?

In-vivo Coaching Reflection and Growth plan (10%)

Instructions: You will submit your Reflection and Growth Plan paper in this assignment, which will be go directly to the professor. The paper should be 3-4 pages in length and adhere to APA 7th edition guidelines. This paper is different from the Signature Theme Response Paper in that it has a decidedly clinical focus, namely, what did you do in the session to use your POTT to enhance treatment? Refer to pages 131 & 136 of [The Person of the Therapist Training Model](https://www.scribd.com/document/557691584/Harry-J-Aponte-Karni-Kissil-The-Person-of-the-Therapist-Training-Model-Mastering-the-Use-of-Self-2016-Routledge) (<https://www.scribd.com/document/557691584/Harry-J-Aponte-Karni-Kissil-The-Person-of-the-Therapist-Training-Model-Mastering-the-Use-of-Self-2016-Routledge>) (Aponte & Kissil, 2016).

In-vivo Coaching Observation Journal (5) (10%)

Purpose: The purpose of this assignment is to allow you to practice empathically identifying with another person utilizing your “self,” and to allow for personal feedback from the professor in a more private manner.

Instructions: In the entry you should use the following prompt (Aponte & Kissil, 2016, p 123) as a guide but expansion and attunement to your own process is encouraged. The primary guideline is that

be writing about *yourself and your internal process*, not the person who was coached or the person who was the student partner.

- On the session, you observe: What did you relate to (from the client) during this presentation that is connected to your own “self” (e.g., signature theme, values, experiences, etc.)?
- How might you apply this knowledge and access to your “self” to one of the real-play clients if you had been the therapist? This section of the paper will be summarized and submitted via video or in writing on the Feedback Discussion Post.
- On the session, you are the client: How did it feel for you to have your partner use their “self” to connect with you? Where did you feel most connected? Where did you feel least connected? What was the most meaningful take-away you had from being with your therapist partner?

Wounded Healer Creative Expression Proposal and Wounded Healer Creative Expression Project (10%)

Purpose: The purpose of this assignment is to interact with and respond to the idea that our wounded nature is an asset to utilize in clinical settings.

Create an artistic representation that demonstrates the thoughts, emotions, challenges, and hopes/wishes that arose from your experiences in this class thus far and from the readings focused on the “wounded healer” worldview.

This is a creative expression and can be done in any form. Some ideas could be to do a piece of art, written or spoken word, creative writing, a film, dance, any form of expression that is congruent to your experience with this idea.

Submit an image or representation of your project along with a written paragraph that accompanies the project, which states how your project is related to the concept of the wounded healer. Since creativity and art takes many expressions, this project will be awarded full points if both elements are submitted on time.

Submission ideas should have been approved by the professor one week prior to the due date by submitting your idea via [Project Proposal](https://canvas.pointloma.edu/courses/83026/assignments/1215094) (<https://canvas.pointloma.edu/courses/83026/assignments/1215094>) assignment. However, we recognize that this is a *creative* process and what you present to the class might be different than what was approved by your professor initially.

The project will be shared with the class and the explanation paragraph/video will be submitted via Canvas to the professor. Make sure to bring your materials with you to the next class session.

Mission Valley: PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our Graduate students to encounter God and grow in their Christian faith. At the Mission Valley (MV) campus we have an onsite chaplain who is available during class break times across the week. If you have questions for or a desire to meet or share any prayer requests with the onsite chaplain, you may email Dr. Sylvia Cortez Masyuk at scortezm@pointloma.edu.

PLNU State Authorization

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization](https://www.pointloma.edu/offices/office-institutional-effectiveness-research/disclosures) (<https://www.pointloma.edu/offices/office-institutional-effectiveness-research/disclosures>) to view which states allow distance education outside California.

PLNU Copyright Policy

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU Recording Notification

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized personnel.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

PLNU Academic Honesty Policy

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. For all student appeals, faculty and students should follow the procedures outlined in the University Catalog. See [Graduate Academic and General Policies](https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/#text) [\(https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/#text\)](https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/#text) for definitions of kinds of academic dishonesty and for further policy information.

Note: Additionally, include the below if this pertains to your course:

During the first week of class, you will be asked to submit an Academic Honesty Verification Statement. Submitting the statement is a requirement of this course. By submitting the Academic Honesty Verification Statement, you will be verifying all assignments completed in this course were completed by you. Carefully review the Academic Honesty Statement below.

Statement: "In submitting this form, I am verifying all the assignments in this course will be completed by me and will be my own work."

PLNU Academic Accommodations Policy

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will work with the student to create an Accommodation Plan (AP) that outlines allowed accommodations. The EAC makes accommodations available to professors at the student's request.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course. Accommodations are not retroactive so clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC. Students cannot assume that because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any special accommodations.

Language and Belonging

Point Loma Nazarene University faculty are committed to helping create a safe and hospitable learning environment for all students. As Christian scholars, we are keenly aware of the power of language and believe in treating others with dignity. As such, it is important that our language be equitable, inclusive, and prejudice-free. Inclusive/Bias-free language is the standard outlined by all major academic style guides, including MLA, APA, and Chicago, and it is the expected norm in university-level work. Good writing and speaking do not use unsubstantiated or irrelevant generalizations about personal qualities such as age, disability, economic class, ethnicity, marital status, parentage, political or religious beliefs, race, gender, sex, or sexual orientation. Inclusive language also avoids using stereotypes or terminology that demeans persons or groups based on age, disability, class, ethnicity, gender, race, language, or national origin. Respectful use of language is particularly important when referring to those outside of the religious and lifestyle commitments of those in the PLNU community. By working toward precision and clarity of language, we mark ourselves as serious and respectful scholars, and we model the Christ-like quality of hospitality.

If you (or someone you know) have experienced other forms of discrimination, you can find more information on reporting and resources at www.pointloma.edu/nondiscrimination.

Sexual Misconduct and Discrimination

Point Loma Nazarene University faculty are committed to helping create a safe learning environment for all students. If you (or someone you know) have experienced any form of sexual discrimination or

misconduct, including sexual assault, dating or domestic violence, or stalking, know that help and support are available through the [Title IX Office \(https://www.pointloma.edu/title-ix\)](https://www.pointloma.edu/title-ix). Please be aware that under Title IX of the Education Amendments of 1972, it is required to disclose information about such misconduct to the Title IX Office.

If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact Counseling Services at counselingservices@pointloma.edu or find a list of campus pastors via our [Sexual Harassment and Discrimination Policy. \(https://www.pointloma.edu/title-ix\)](https://www.pointloma.edu/title-ix)

PLNU Course Modality Definitions

1. Online Courses: These are courses with class meetings where all instruction and interaction is fully online.
 - Synchronous Courses: At least one class meeting takes place at a designated time.
 - Asynchronous Courses: All class meetings are asynchronous.
2. Hybrid Courses: These are courses with class meetings that take place both in the classroom and online synchronously and/or asynchronously.
3. In-Person Courses: These are courses that meet in person with the instructor and students in a physical classroom setting. With approval by the area dean, this may include up to 25% of qualified class interactions through a Learning Management System (such as Canvas).

PLNU Attendance

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. Therefore, regular attendance and participation in each course are minimal requirements.

PLNU Policy: If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent (equivalent to two (2) classes in the MACC program), the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an "F" grade.

Note: If a student incurs a third absence, they may petition the faculty to remain enrolled in class. The faculty will provide a make-up assignment proportionate in length and difficulty to the class missed. This third absence may also result in a referral to the Student Development Committee.

In addition to the university policy, 10% of your course grade will reflect your attendance. Coming to class is mandatory and expected. For semester-long classes, as extenuating circumstances may happen that prevent you from attending class, a student may incur one absence without losing points. Each subsequent absence will drop this portion of the grade by 5% of the total course points (up to 10%). **For quad-length classes, a student may incur one absence without losing points.** A second abs

will incur a 10% deduction, and after a third absence the student will be unenrolled from the class. Note: absences are not categorized as excused or unexcused.

Attending class on time is essential to promote a respectful and professional learning environment. Arriving to class more than 15 minutes late is counted as a tardy. Two tardies count as one absence. Arriving 30 minutes or more late to a class, or leaving 30 minutes or more early from a class will be considered an absence. [Academic Policies](https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/)  [\(https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/\)](https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/) for additional detail.

Professionalism

Student professionalism will be assessed in each course, constituting 10% of the total course grade. Professionalism indicators include class participation, interactions with peers and instructors, and self-awareness. The full rubric can be found here: [PLNU MACC Professionalism Rubric](https://docs.google.com/document/d/1113zcG8BAe_gb79ABwxlqkl0Ql8GJ1GUYl6TosQ5mxg/edit?tab=t.0)  [\(https://docs.google.com/document/d/1113zcG8BAe_gb79ABwxlqkl0Ql8GJ1GUYl6TosQ5mxg/edit?tab=t.0\)](https://docs.google.com/document/d/1113zcG8BAe_gb79ABwxlqkl0Ql8GJ1GUYl6TosQ5mxg/edit?tab=t.0)

Late Policy

Assignments submitted up to 24 hours past the due date will be deducted 25% of the grade. Assignments submitted up to 48 hours past the due date will be deducted 50% of the grade. Any assignment turned in after 48 hours past the due date will receive no credit. Students are encouraged to alert the professor if an assignment is anticipated to be late. Professors can extend these late penalties if arrangements are made in advance.

Use of Technology

MACC is committed to a distraction-free learning environment. Students are welcome to bring devices to class, but they *must remain stored* throughout class time unless directed otherwise by the instructor. Phones, laptops, iPads/tablets, and other personal devices are not permitted to be passively used during lectures, discussions, or any other activity unless expressly communicated by the instructor.
