

Student Life and Formation Assessment Data
LoveWorks (Short Term Missions)
Fall 2025 - Summer 2026 - Faith

SLO 1: Students will demonstrate knowledge about Christian faith formation (Faith).

Outcome Measure:

Students who participated and served on our LoveWorks short term missions teams were surveyed and asked the following question(s) regarding our Student Learning Outcomes. The results were processed through AI and verified with International Ministries Leadership. A total of 75 students participated in LoveWorks summer trips. Of those participants, 43 completed the post-trip survey. Because students were not required to answer every survey question, 37 participants responded to this specific prompt.

Question/Prompt: Please choose one spiritual practice that you have learned in your LoveWorks experience and describe its value and relevance to Christian faith formation.

Criteria for Success:

80% of the students will be Proficient or above.

Longitudinal Data:

Academic Year	Criteria %	Notes
2024 - 2025		No data collected
2025 - 2026	92%	34/37 responses were proficient or advanced

*(See Appendix A - LoveWorks Survey Results)

Criteria was met.

Conclusions Drawn From Data:

The results demonstrate that LoveWorks had a meaningful impact on students' spiritual growth and their understanding of cultural and diverse perspectives. Students most frequently identified journaling, prayer, devotionals, worship, gratitude, and intentional reflection as spiritual practices that deepened their relationship with God and helped them process their experiences through a Christian faith perspective. Many students indicated that these practices have continued beyond their LoveWorks experience, demonstrating lasting spiritual formation.

Changes to be Made Based on Data:

Make this specific prompt mandatory on the survey for students.

Rubric Used:

- Below Basic - Fails to identify or explain a relevant spiritual practice.
- Basic - Mentions a spiritual practice but with vague or incomplete explanation.
- Proficient - Names a specific spiritual practice and explains it accurately.
- Advanced - Clearly names and explains a specific spiritual practice with strong insight.

Fall 2025 - Summer 2026 - Diversity

SLO 2: Students will articulate the value of diverse perspectives by engaging with individuals from a variety of abilities, cultures, ethnicities, and socio-economic backgrounds (Diversity).

Outcome Measure: Students who participated in our LoveWorks short term missions teams were surveyed and asked the following question(s) regarding our Student Learning Outcomes. The results were processed through AI and verified with the International Ministries Leadership. A total of 75 students participated in LoveWorks summer trips. Of those participants, 43 completed the post-trip survey. Because students were not required to answer every survey question, 39 participants responded to this specific prompt.

Question/Prompt: Describe a LoveWorks experience that has broadened your understanding of and commitment to engaging in cultural and diverse perspectives.

Criteria for Success:

80% of the students will be Proficient or above.

Longitudinal Data:

Academic Year	Criteria %	Notes
2024 - 2025		No data collected
2025 - 2026	95%	37/39 responses were proficient or advanced

*(See Appendix A - LoveWorks Ministry Teams Survey Results)

Criteria was met.

Conclusions Drawn From Data:

Within the data, students described how engaging directly with local communities through shared meals, worship, home visits, cultural exchanges, recreation, evangelism, and everyday interactions broadened their understanding of different cultures and challenged their assumptions about how people live, worship, build community, and serve others. Overall, the responses reflect increased cultural humility,

a greater appreciation for relationships and community, and a deeper understanding that ministry is not simply about serving others but about entering into relationships, learning from different perspectives, and recognizing God's work across cultures.

Changes to be Made Based on Data:

Make this specific prompt mandatory on the survey for students.

Rubric Used:

- Below Basic - Fails to describe a relevant experience.
- Basic - Describes a limited or general experience.
- Proficient - Describes a relevant experience involving diversity.
- Advanced - Provides a detailed and meaningful description of an experience involving diversity.
