PLNU Mission

To Teach ~ To Shape ~ To Send

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service is an expression of faith. Being of Wesleyan heritage, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

Course Description

In this practicum, students will apply course-based knowledge and skills by working in a social service setting. A minimum of 200 clock hours are required.

Course Learning Outcomes

1. Apply Social Work theories to real-world scenarios, navigating complex systems and policies at micro, mezzo, and macro levels
 2. Display commitment to the NASW Code of Ethics through ethical practice and pursuit of social justice while engaging clients
 3. Acquire experience with assessment skills and interventions while working with diverse clients and settings
 4. Demonstrate the CSWE core competencies and practice behaviors
 5. Develop self-awareness as a social worker through a synthesis of practicum experiences, supervisors' performance evaluations, and peers' experiences
-

Program Learning Outcomes

1. Demonstrate understanding of integrated body of knowledge required of a "advanced generalist practitioner" as defined by the Council on Social Work Education.
2. Engage in professional practice that is guided by values and ethics and inspired by faith:
 - Possess a command of the professional values and ethics required of an "advanced generalist practitioner."
 - Demonstrate an awareness of the influence of Christian and Wesleyan perspectives on social work practice.
 - Demonstrate competence in the concrete practice of professional skills, especially those skills required for an "advanced generalist practitioner."
 - Demonstrate professional competency as defined by the CSWE competencies.

Program Goals

The goals of the social work program flow from the mission and are related to the development of competent professions; integration of faith and professional practice; service to the community that empowers others; and continuous personal development. The four primary program goals are:

1. To prepare students for beginning advanced generalist professional practice by providing the advanced knowledge, skills, and values and ethics that form a professional foundation for competent practice with diverse populations and systems of any size.
2. To prepare students who are committed to service in the community in a manner that includes an understanding of the intersection of a Christian/Wesleyan perspectives and social work practice

3. To develop entry level advanced generalist or clinical practitioners who are motivated to promote social, racial, environmental, and economic justice and who employ theory and cultural sensitivity to empower diverse populations and to understand the transactions between social and cultural environments.
4. To foster student involvement in continuing professional development. These core program goals are accomplished through student achievement of objectives that form a professional foundation of knowledge, clearly articulated values and ethics, and acquisition of professional and personal skills.

CSWE Core Competencies

Achievement of the program objectives relies on the successful 'teaching' and 'shaping' of students into professionals who successfully acquire personal competency in ten domains: nine domains identified by CSWE and one additional domain reflecting integration of the Christian foundation of the PLNU program. These domains inform the master of social work program design and curriculum and form the basis of student learning outcomes and core professional competencies to be achieved by students. Upon completion of the PLNU master of social work program, students are expected to demonstrate professional practice behaviors commensurate with the advanced generalist practitioner in each domain by practicing stated practice behaviors in their courses and field placement(s).

1. Demonstrate ethical and professional behavior
2. Advance human rights and social, racial, economic, and environmental justice
3. Engage anti-racism, diversity, equity, and inclusion (ADEI) in practice
4. Engage in practice-informed research and research-informed practice
5. Engage in policy practice
6. Engage with individuals, families, groups, organizations, and communities
7. Assess and plan with individuals, families, groups, and communities
8. Intervene with individuals, families, groups, organizations, and communities
9. Evaluate practice with individuals, families, groups, organizations, and communities
10. Service as an expression of faith

Institutional Learning Outcomes

PLNU Spiritual Care

PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our Graduate and Accelerated Undergraduate students to encounter God and grow in their Christian faith. We have onsite chaplains at our different campuses who may be available during class break times across the week. If you have questions or a desire to meet or share any prayer requests with our chaplains, you can find them at the [Chaplain's Page \(https://my.pointloma.edu/pages/chaplains\)](https://my.pointloma.edu/pages/chaplains) via myPLNU.

In addition, the Mission Valley and Balboa campuses have a prayer chapel for use as a space set apart for quiet reflection and prayer.

Student Success

The Center for Student Success supports our Graduate and Professional Studies students throughout their academic journey. We provide student services such as academic advising and planning, resource workshops, and connect students to career services, writing support, tutorial services, and wellness resources. The Center itself is located on the first floor of the Mission Valley Campus. If you have any questions about how to access resources at PLNU, please start by reaching out to the Center for Student Success [by email \(mailto:studentsuccess@pointloma.edu\)](mailto:studentsuccess@pointloma.edu) or by phone at 619-563-2850. PLNU Copyright Policy

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU Recording Notification

In order to enhance the learning experience, please be advised that this course may be recorded by the professor for educational purposes, and access to these recordings will be limited to enrolled students and authorized personnel.

Note that all recordings are subject to copyright protection. Any unauthorized distribution or publication of these recordings without written approval from the University (refer to the Dean) is strictly prohibited.

PLNU Academic Honesty Policy

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when, in reality, they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination or, depending on the seriousness of the offense, for the course.

For all student appeals, faculty and students should follow the procedures outlined in the University Catalog. See [Graduate Academic and General Policies](https://pointloma.edu/graduate-academic-and-general-policies) [↗\(https://pointloma-](https://pointloma.edu/graduate-academic-and-general-policies)

public.courseleaf.com/grad-catalog/academic-general-policies/#text for definitions of kinds of academic dishonesty and for further policy information.

During the first week of class, you will be asked to submit an Academic Honesty Verification Statement. Submitting the statement is a requirement of this course. By submitting the Academic Honesty Verification Statement, you will be verifying all assignments completed in this course were completed by you. Carefully review the Academic Honesty Statement below.

Statement: "In submitting this form, I am verifying all the assignments in this course will be completed by me and will be my own work."

PLNU Academic Behavior Policy

Both faculty and students at Point Loma Nazarene University have the right to expect a safe and ordered environment for learning. Students are expected to take the initiative to learn and conduct themselves in a mature and civil manner in the classroom environment. Any student behavior that is disruptive or threatening is a serious affront to Point Loma Nazarene University as a learning community. Students who fail to adhere to these behavioral standards may be subject to disciplinary action, including removal from class or further university sanctions. For a full definition of disruptive behavior, response procedures, and the appeal process, please consult the [Academic Behavior Policy](https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/#academicbehavior)  (<https://pointloma-public.courseleaf.com/grad-catalog/academic-general-policies/#academicbehavior>) in the [University Catalog](https://pointloma-public.courseleaf.com/grad-catalog/)  (<https://pointloma-public.courseleaf.com/grad-catalog/>).

Artificial Intelligence (AI) Policy

You are allowed to use Artificial Intelligence (AI) tools (e.g., ChatGPT, Gemini Pro 1.5, GrammarlyGo, Perplexity, etc) to generate ideas, but you are not allowed to use AI tools to generate content (text, video, audio, images) that will end up in any work submitted to be graded for this course. If you have any doubts about using AI, please gain permission from the instructor.

PLNU Academic Accommodations Policy

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities in accordance with the Americans with Disabilities Act (ADA). Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center on the PL campus, the first floor of the Balboa campus, and the second floor of the Mission Valley campus. For all students, including the Bakersfield campus, virtual appointments are available. You can reach the Educational Access Center (EAC) [by email](#)

(<mailto:EAC@pointloma.edu>) or phone at 619-849-2533. Students can access both requests for and evidence of disability through the Accommodate link off the main page of [OneLogin](#)  (<https://pointloma.onelogin.com/portal>). Once a student's eligibility for an accommodation has been determined, the EAC will work with the student to create an Accommodation Plan (AP) that outlines approved accommodations. Professors are able to view a student's approved accommodations through [Accommodate](#)  (<https://pointloma-accommodate.symlicity.com/>).

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their approved accommodations in that particular course. Accommodations are not retroactive; as such, clarifying with the professor at the outset is one of the best ways to promote positive academic outcomes.

Students who need accommodations for a disability-related need should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. In accordance with ADA, accommodations cannot constitute a fundamental alteration to course outcomes; therefore, planning ahead is vital in establishing appropriate accommodations for equal access to this course. It is the student's responsibility to make the first contact with the EAC. Students cannot assume that because they had accommodations in the past, their eligibility at PLNU is automatic. All determinations at PLNU must go through the EAC eligibility process. This is to protect the privacy of students with disabilities who may not want to disclose this information and are not asking for any accommodations.

Language and Belonging

Point Loma Nazarene University faculty are committed to helping create a safe and hospitable learning environment for all students. As Christian scholars we are keenly aware of the power of language and believe in treating others with dignity. As such, it is important that our language be equitable, inclusive, and prejudice free. Inclusive/Bias-free language is the standard outlined by all major academic style guides, including MLA, APA, and Chicago, and it is the expected norm in university-level work. Good writing and speaking do not use unsubstantiated or irrelevant generalizations about personal qualities such as age, disability, economic class, ethnicity, marital status, parentage, political or religious beliefs, race, gender, sex, or sexual orientation. Inclusive language also avoids using stereotypes or terminology that demeans persons or groups based on age, disability, class, ethnicity, gender, race, language, or national origin. Respectful use of language is particularly important when referring to those outside of the religious and lifestyle commitments of those in the PLNU community. By working toward precision and clarity of language, we mark ourselves as serious and respectful scholars, and we model the Christ-like quality of hospitality.

If you (or someone you know) have experienced other forms of discrimination, you can find more information on reporting and resources at [PLNU's Nondiscrimination webpage](#) (<http://www.pointloma.edu/nondiscrimination>).

Sexual Misconduct and Discrimination

In support of a safe learning environment, if you (or someone you know) have experienced any form of sexual discrimination or misconduct, including sexual assault, dating or domestic violence, or stalking, know that accommodations and resources are available through the [Title IX Office](https://www.pointloma.edu/title-ix) (<https://www.pointloma.edu/title-ix>). Please be aware that under Title IX of the Education Amendments of 1972, faculty and staff are required to disclose information about such misconduct to the [Title IX Office](https://www.pointloma.edu/title-ix) (<https://www.pointloma.edu/title-ix>).

If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact [Counseling Services](mailto:counselingservices@pointloma.edu) (<mailto:counselingservices@pointloma.edu>) or [consult the list of campus pastors](https://www.pointloma.edu/title-ix/get-help-now) (<https://www.pointloma.edu/title-ix/get-help-now>).

If you (or someone you know) has experienced other forms of discrimination or bias, you can find more information on reporting and resources via the [Nondiscrimination and Anti-harassment Policy](http://www.pointloma.edu/nondiscrimination) (<http://www.pointloma.edu/nondiscrimination>).

Course Modality Definitions

1. Online Courses: These are courses with class meetings where all instruction and interaction are fully online.
 1. Synchronous Courses: At least one class meeting takes place at a designated time.
 2. Asynchronous Courses: All class meetings are asynchronous.
2. Hybrid Courses: These are courses with class meetings that take place both in the classroom and online synchronously and/or asynchronously.
3. In-Person Courses: These are courses that meet in person with the instructor and students in a physical classroom setting. With approval by the area dean, this may include up to 25% of qualified class interactions through a Learning Management System (such as Canvas).

PLNU Attendance and Participation Policy

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. Therefore, regular attendance and participation in each course are minimal requirements.

If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an “F” grade.

Students who anticipate being absent for an entire week of a course should contact the instructor in advance for approval and make arrangements to complete the required coursework and/or alternative assignments assigned at the discretion of the instructor. Acceptance of late work is at the discretion of the instructor and does not waive attendance requirements.

Refer to [Academic Policies](https://pointloma-public.courseleaf.com/aug-catalog/academic-general-policies/)  (<https://pointloma-public.courseleaf.com/aug-catalog/academic-general-policies/>) for additional details.

Synchronous Attendance/Participation Definition

For synchronous courses that have specific scheduled meeting times (including in-person, hybrid, and synchronous online courses), absences are counted from the first official meeting of the class regardless of the date of the student's enrollment. For courses with specific attendance requirements, those requirements are outlined in the course syllabus.

Note: For synchronous courses with an online asynchronous week, refer to the Online Asynchronous Class Attendance policy listed below.

Online Asynchronous Attendance/Participation Definition

Students taking online courses with no specific scheduled meeting times are expected to actively engage throughout each week of the course. Attendance is defined as participating in an academic activity within the online classroom which includes, but is not limited to:

- Engaging in an online discussion
- Submitting an assignment
- Taking an exam
- Participating in online labs
- Initiating contact with faculty member within the learning management system to discuss course content

Note: Logging into the course does not qualify as participation and will not be counted as meeting the attendance requirement.

Use of Technology

In order to be successful in the online or hybrid environment, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](https://help.pointloma.edu/TDClient/1808/Portal/KB/ArticleDet?ID=108349) (<https://help.pointloma.edu/TDClient/1808/Portal/KB/ArticleDet?ID=108349>) information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use. Please note that any course with online proctored exams requires a computer with a camera (tablets are not compatible nor allowable) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.
