ATTENDANCE

Consistent attendance is critical to your success. You are expected to arrive on time with all your materials ready to work. If an emergency arises you must send me an email prior to our class meeting. Due to the intensity of the course daily attendance is essential. If you are absent from more than 10 percent of class meetings, I have the option of filing a written report which may result in de-enrollment. If the absences exceed 20 percent, you may be de-enrolled without notice. If the date of the de-enrollment is past the last date to withdraw from a class, the student will be assigned a grade W or WF consistent with university policy in the grading section of the catalog. See Academic Policies in the undergraduate student catalog.

LATE ASSIGNMENTS

All assignments are to be submitted/turned in by the beginning of the class session when they are due. If you need special consideration please submit a written request. I reserve the right to modify the schedule as necessary.

ACADEMIC DISHONESTY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. As stated in the university catalog, "Academic dishonesty is the act of presenting information, ideas, and/or concepts as ones own when in reality they are the results of another person's creativity and effort. Such acts include plagiarism, copying of class assignments, and copying or other fraudulent behavior on examinations. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for a) that particular assignment or examination, and/or b) the course." See Academic Policies in the undergraduate catalog.

ACADEMIC ACCOMMODATIONS

While all students are expected to meet the minimum academic standards for completion of this course as established by the instructor, students with disabilities may require academic accommodations. At Point Loma Nazarene University, students requesting academic accommodations must file documentation with he Disability Resource Center (DRC), located in the Bond Academic center. Once the student files documentation, the Disability Resource Center will contact the student's instructors and provide written recommendations for reasonable and appropriate accommodations to meet the individual needs of the student. See Academic Policies in the undergraduate student catalog.

FERPA POLICY

In compliance with federal law, neither PLNU student ID nor social security number should be used in publicly posted grades or returned sets of assignments without student written permission. This class will meet the federal requirements by distributing all grades and papers individually). Also in compliance with FERPA, you will be the only person given information about your progress in this class unless you have designated others to receive it in the "Information Release" section of the student portal. See Policy Statements in the undergraduate student catalog.

FINAL EXAMINATION POLICY

Final portfolios are due for grading Friday, April 29.

USE OF TECHNOLOGY

I encourage all personal media devices for "learning." Please be respectful and professional by abstaining from media use during class time if it is unrelated to the course. Food is not permitted in the Mac Lab.
