

## Mult-Year Assessment Plan Art and Design

**2014-15**

Visual Art	Concept and Content: Seniors will generate multiple art-related ideas before deciding on the most innovative one(s) for their capstone works of art.	Senior Show
Visual Art	Composition and Presentation: Seniors will comprehend and applied the art elements and design principles in original artworks.	Senior Show
Visual Art	Effort: Seniors will demonstrate risk, time, and commitment to successfully complete original works of art.	Senior Show
Visual Art	Craftsmanship: Seniors will demonstrate competencies in the use of art techniques and materials.	Senior Show
Graphic Design	Concept and Content: Students will generate multiple graphic design-related ideas before deciding on the most innovative ones for their target audience(s).	Senior Portfolio
Graphic Design	Composition and Presentation: Students will comprehend and apply the art elements and design principles in original graphic designs.	Senior Portfolio
Graphic Design	Effort: Students will demonstrate risk, time, and commitment to successfully complete a graphic design portfolio of their work.	Senior Portfolio
Graphic Design	Craftsmanship: Students will demonstrate competencies in the use of design technologies and materials.	Senior Portfolio
Core Competency	Critical Thinking	ETS Proficiency Profile
Core Competency	Written Communication	ETS Proficiency Profile
Core Competency	Quantitative Reasoning	ETS Proficiency Profile
GE Assessment	2b. Students will understand and appreciate diverse forms of artistic expression.	Museum Critique in ART101, ART102, ART200, ART201

**2015-16**

Visual Art	Concept and Content: Seniors will generate multiple art-related ideas before deciding on the most innovative one(s) for their capstone works of art.	Senior Show
Visual Art	Composition and Presentation: Seniors will comprehend and applied the art elements and design principles in original artworks.	Senior Show
Visual Art	Effort: Seniors will demonstrate risk, time, and commitment to successfully complete original works of art.	Senior Show
Visual Art	Craftsmanship: Seniors will demonstrate competencies in the use of art techniques and materials.	Senior Show
Graphic Design	Concept and Content: Students will generate multiple graphic design-related ideas before deciding on the most innovative ones for their target audience(s).	Senior Portfolio
Graphic Design	Composition and Presentation: Students will comprehend and apply the art elements and design principles in original graphic designs.	Senior Portfolio
Graphic Design	Effort: Students will demonstrate risk, time, and commitment to successfully complete a graphic design portfolio of their work.	Senior Portfolio
Graphic Design	Craftsmanship: Students will demonstrate competencies in the use of design technologies and materials.	Senior Portfolio
Core Competency	Critical Thinking	ETS Proficiency Profile
Core Competency	Written Communication	ETS Proficiency Profile
Core Competency	Quantitative Reasoning	ETS Proficiency Profile
Core Competency	Oral Communication	Senior Presentation
GE Assessment	2b. Students will understand and appreciate diverse forms of artistic expression.	Museum Critique in ART101, ART102, ART200, ART201

**2016-17**

Visual Art	Concept and Content: Seniors will generate multiple art-related ideas before deciding on the most innovative one(s) for their capstone works of art.	Senior Show
Visual Art	Composition and Presentation: Seniors will comprehend and applied the art elements and design principles in original artworks.	Senior Show
Visual Art	Effort: Seniors will demonstrate risk, time, and commitment to successfully complete original works of art.	Senior Show
Visual Art	Craftsmanship: Seniors will demonstrate competencies in the use of art techniques and materials.	Senior Show
Graphic Design	Concept and Content: Students will generate multiple graphic design-related ideas before deciding on the most innovative ones for their target audience(s).	Senior Portfolio
Graphic Design	Composition and Presentation: Students will comprehend and apply the art elements and design principles in original graphic designs.	Senior Portfolio
Graphic Design	Effort: Students will demonstrate risk, time, and commitment to successfully complete a graphic design portfolio of their work.	Senior Portfolio
Graphic Design	Craftsmanship: Students will demonstrate competencies in the use of design technologies and materials.	Senior Portfolio
Core Competency	Critical Thinking	ETS Proficiency Profile
Core Competency	Written Communication	ETS Proficiency Profile
Core Competency	Quantitative Reasoning	ETS Proficiency Profile
Core Competency	Oral Communication	Senior Presentation
Core Competency	Information Literacy	Assessment will be designed
GE Assessment	2b. Students will understand and appreciate diverse forms of artistic expression.	Museum Critique in ART101, ART102, ART200, ART201

**2017-18**

Note that the Art and Design department is undergoing program review and expects to have new learning outcomes and measurements in place by the 2017-18 academic year.

Visual Art	Concept and Content: Seniors will generate multiple art-related ideas before deciding on the most innovative one(s) for their capstone works of art.	Senior Show
Visual Art	Composition and Presentation: Seniors will comprehend and applied the art elements and design principles in original artworks.	Senior Show
Visual Art	Effort: Seniors will demonstrate risk, time, and commitment to successfully complete original works of art.	Senior Show
Visual Art	Craftsmanship: Seniors will demonstrate competencies in the use of art techniques and materials.	Senior Show
Graphic Design	Concept and Content: Students will generate multiple graphic design-related ideas before deciding on the most innovative ones for their target audience(s).	Senior Portfolio
Graphic Design	Composition and Presentation: Students will comprehend and apply the art elements and design principles in original graphic designs.	Senior Portfolio
Graphic Design	Effort: Students will demonstrate risk, time, and commitment to successfully complete a graphic design portfolio of their work.	Senior Portfolio
Graphic Design	Craftsmanship: Students will demonstrate competencies in the use of design technologies and materials.	Senior Portfolio
Core Competency	Critical Thinking	ETS Proficiency Profile
Core Competency	Written Communication	ETS Proficiency Profile
Core Competency	Quantitative Reasoning	ETS Proficiency Profile
Core Competency	Oral Communication	Senior Presentation
Core Competency	Information Literacy	Writing assignment
GE Assessment	2b. Students will understand and appreciate diverse forms of artistic expression.	Museum Critique in ART101, ART102, ART200, ART201
