

Academic Policy Committee Proposals

28 September 2010
MOCM

Proposal: Add the following three (3) courses to the list of MOCM options:

COM390	Introduction to Public Relations
COM490	Special Studies in Communication
BUS201	Legal Environment of Business

Rationale: This change increases flexibility for students and streamlines the list of requirements for the MOCM degree. In addition, including BUS201 recognizes both the importance and interest among MOCM majors in legal aspects of organizational life.
