University Notifications

Attendance & Participation

Regular and punctual attendance at all classes is considered essential to optimum academic achievement. If the student is absent from more than 10 percent of class meetings, the faculty member has the option of filing a written report which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice. If the date of de-enrollment is past the last date to withdraw from a class, the student will be assigned a grade of W or WF consistent with university policy in the grading section of the catalog. Every absence in this class will result in a five point deduction from final points earned. See Academic Policies in the (undergrad/graduate as appropriate) academic catalog.

Academic Honesty and Dishonesty

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. As explained in the university catalog, academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. Violations of university academic honesty include cheating,

plagiarism, falsification, aiding the academic dishonesty of others, or malicious misuse of university resources. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for a) that particular assignment or examination, and/or b) the course following the procedure in the university catalog. Students may appeal also using the procedure in the university catalog. See [Academic Policies](#) for further information.

Final Course Grades

Final course grades will be submitted electronically at the conclusion of the semester by the deadline set forth by the university. Any questions regarding final grades need to be addressed within two weeks of the class ending and must be sent in writing to the professor. Grade inquiries beyond that time will not be allowed.

Academic Accommodations

While all students are expected to meet the minimum academic standards for completion of this course as established by the instructor, students with disabilities may request academic accommodations. At Point Loma Nazarene University, students must request that academic accommodations by filing documentation with the Disability Resource Center (DRC), located in the Bond Academic Center. Once the student files documentation, the Disability Resource Center will contact the student's instructors and provide written recommendations for reasonable and appropriate accommodations to meet the individual needs of the student. See Academic Policies in the (undergrad/graduate as appropriate) academic catalog.

Final Exam Policy

Successful completion of this class requires taking the final examination on its scheduled day. The final examination schedule is posted on the "Class Schedules" site. No requests for early examinations or alternative days will be approved.
