

Point Loma Nazarene University		LO 1	LO 2	LO 3	LO 4	LO 5
<b>HISTORY MAJOR</b>		Complete a substantial historical project autonomously.	Demonstrate the relationship between primary and secondary materials by assessing a historian's work and recognizing the evidence used to construct that historical argument.	Present and analyze, in written or oral presentation, different perspectives on an event from the past.	Have an academic transcript that shows courses with content that ranges over time, space, culture, and qualitative and quantitative	Find appropriate materials online, in a library, or in the community and know how to cite them.
