Comments on homework:

1. A homework assignment is late if it is not received at the start of class on the due date. No late homework will be accepted except by prior arrangement or with a documented emergency.
2. Please be sure that your homework is stapled together and the problems are in order.
3. Homework will be scored on a combination of completeness and correctness. A random selection (the same for all people) of the problems will be graded on any homework assignment.
4. Start working on your homework early. These assignments are long and meant to be done a little at a time over the course of many days.
5. When doing homework, please note it is normal to not be able to do every problem correctly on the first attempt. Do not be discouraged; instead, seek help.
