PLNU Mission

To Teach ~ To Shape ~ To Send

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service becomes an expression of faith. Being of Wesleyan heritage, we aspire to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

COURSE DESCRIPTION

This course is designed to provide a framework for students to establish an understanding and appreciation of western art music. Throughout the course, students will be introduced to foundational concepts and compositions that have shaped the musical landscape.

STUDENT LEARNING OUTCOMES

- Historical Perspectives: Students will be able to demonstrate an understanding of historical/cultural perspectives about the music.
- Music Concepts: Students will be able to recognize and describe basic music concepts (such as form, harmony, melody, and rhythm) using correct terminology.

METHODS USED IN THIS COURSE

Students enrolled in MUH 100 will achieve the objectives of the course through multiple methods:

- Class attendance, discussion and participation, and listening exercises
- Listening to and engaging assigned recordings both in and out of class
- Concert attendance at four approved concerts (See below for more details).

UNIVERSITY ATTENDANCE POLICY

If the student is absent from more than 10 percent of class meetings, the instructor has the option of filing a written report, which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice. If the date of de-enrollment is past the last date to withdraw from a class, the student will be assigned a grade of W or WF consistent with university policy in the grading section of the catalog. See [Academic Policies](#) in the undergrad student catalog.

LISTENING

The principal homework for this class is to listen to and memorize our assigned recordings. The following are some suggestions on how to memorize this music effectively.

- Listen and engage multiple times each day (a minimum of 30 minutes per day)
- Create a “system” to help you identify compositions (Flash Cards, Excel Document, iTunes Labels)
- Listen and view multiple performances of assigned works
- Take notes in-class (to keep track of time periods and composers)

For each full-length piece, you should be able to identify the composition’s name, composer, and time period after listening to as little as ten seconds from anywhere within the piece.
