## EXPECTATIONS

### What I can expect from you:

#### Time Commitment

This course will require an average of 5-6 hours of your time on a weekly basis. It's okay to work ahead, but it's not okay to work behind. Group project assignments, especially, may require coordinated effort over the period of a few days.

#### Canvas

You are expected to log in to Canvas several times (minimum of 3 times) weekly to access course material, participate in learning activities and submit assignments. Check Canvas (and/or, depending on your settings, your email) daily, M-F, for announcements. If you need to know the technical steps to complete an assignment or work within the Canvas environment, click the 'Help' link in the gold bar at the top of the course menu and choose from the options in the 'Help' menu that may best suit your needs. Always search the Canvas Guides before seeking help from me or a Canvas expert. If you require

additional technical support for Canvas access, contact the PLNU Help Center at 619-849-2222 or help@pointloma.edu.

### **Netiquette**

Observe netiquette principles in all of your online communications.

### **Group Work**

In order to build a sense of community, to lighten your load and to provide you with the opportunity to learn from one another, some assignments for the course involve group work.

### **Concert Attendance**

This course requires attendance at three specified off-campus concerts. Carpooling is strongly encouraged, and carpool organization will be facilitated with free online software. In addition to these off-campus concerts, you may attend approved on-campus performances for extra credit. As an audience member on-campus or off-campus, always observe concert etiquette.

### **What you can expect from me:**

You can expect me to: work hard to facilitate your learning, be available to help you individually on an as-needed basis and be dedicated to your success. I will regularly post announcements for our class and will answer questions concerning assignments and course content. I will make best efforts to respond to your inquiries within 24 hours, M-F. Please be patient and know that I am responding to many students.

## **USE OF TECHNOLOGY**

In order to be successful in the online environment, you'll need to meet the minimum technology and system requirements.

This course conceivably can be done with computer-lab computers and a smartphone, but using your own laptop computer will be much more convenient. The computer you will use needs the following:

- Platforms: Mac OS X 10.5 or higher or Windows XP or higher;
- Productivity Software: Microsoft Word or Apple Pages; Adobe Reader;
- Web Browser: Chrome or Firefox latest release with Adobe Shockwave and Adobe Flash Player;
- Networking: DSL or cable modem and a broadband connection to the internet;
- Email: School issued Gmail account
- Webcam and Microphone
- A smartphone, tablet computer, or camera for taking photographs of yourself with location services capabilities

You also need access to a photo-capable and video-capable smartphone or another type of digital camera with these capabilities.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

## **ACADEMIC ACCOMMODATIONS**

While all students are expected to meet the minimum academic standards for completion of this course as established by the instructor, students with disabilities may request academic accommodations. At PLNU, students must request academic accommodations by filing documentation with the **Disability Resource Center (DRC)** located in the Bond Academic Center. Once the student files documentation, the Disability Resource Center will contact the student's instructors and provide written recommendations for reasonable and appropriate accommodations to meet the individual needs of the student.

## **SPIRITUAL CARE**

PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our students to encounter God and grow in their Christian faith. You'll find faith integration activities throughout this course. In addition, there are resources for your Christian faith journey available on campus.

## **FERPA POLICY**

In compliance with federal law, neither PLNU student ID nor social security number should be used in publicly posted grades or returned sets of assignments without student written permission. This course will meet the federal requirements by posting grades and returning assignments via the Canvas gradebook. Also in compliance with FERPA, you will be the only person given information about your progress in this class unless you have designated others to receive it in the "Information Release" section of the student portal.
