

Student Learning Outcomes 2014-2015 Cross-Disciplinary Studies Degree

The Point Loma Nazarene Institutional Learning Outcomes (ILOs) guide the development of each program learning outcome within the Cross-Disciplinary Studies Degree. Because the Cross-Disciplinary Studies degree is housed in The School of Education, we have aligned the Student Learning Outcomes (SLOs) in each course to the Program Learning Outcomes (PLOs) for Cross-Disciplinary Studies, all of which fit under the School of Education’s overarching conceptual framework of “Equip, Transform, and Empower”.
