

**SPED MODERATE/SEVERE PRELIMINARY CREDENTIAL**  
**Traditional and Intern Pathways**  
**EVIDENCE OF STUDENT LEARNING**

**Assessment Instruments**

A signature assignment is required for each course. Data collected through the assignment is uploaded to Task Stream. Also collected is on-going formative data on Dispositions of Noble Character. Additional assessments are conducted by each professor and utilized to formulate a grade for each candidate. Data is analyzed biennially resulting in ongoing changes for program improvement. In the 2014-2015 school year there was no biennial report due to the California Teacher for Credentialing. The following cites a summary of evidence of the student learning which has been used for continued improvement.

**ADDITIONAL DISCUSSION:**

**ALL PROGRAM COURSES:** All syllabi and accompanying assignments will be reviewed to ensure adequate instruction of the common core standards at the graduate level.

**ALL PROGRAM DATA** Candidates enrolled in the Masters in Teaching (MAT) degree program often enter with the goal of receiving one preliminary credential. Many candidates are now choosing to seek two credentials. This requires that candidates enter into a second Taskstream Direct Response Folio (DRF). This impacts the consistent number of participants in a program. Key Assessment data may be in one folio or the other.
