

School of Nursing

MASTER OF SCIENCE IN NURSING **Dr. Jeanne Maiden, Program Director** **Dr. Barbara Taylor, School Dean** **Year-End Report 2011-2012**

- I. Name of Program and year program began**
Master of Nursing- Clinical Nurse Specialist (CNS), 2002
Master of Nursing- Nurse Educator Certificate, 2002
RN-MSN Master of Nursing- CNS, January 2009
RN-MSN Master of Nursing – Nurse Educator Program, January 2009
Post MSN Certificate Program- CNS, 2002
Post MSN Nurse Educator, 2002
- II. Number of students currently, 2011-2012 AY**

Head Count:

Program	FA 2011	Sp 2011	Su 2011	Sp 2012
CNS	2	4	2	3
MSN	54	55	52	50
RN-MSN	32	27	24	35

Credit Hour Count:

Program	FA 2011	Sp 2011	Su 2011	Sp 2012
CNS	6	29	6	20
MSN	288	380	231	297
RN-MSN	186	188	122	268

III. Number of students last year 2010-2011 AY

Head Count:

Program	FA 2009	Sp 2010	Su 2010	Sp 2011
CNS	2	4	1	4
MSN	39	41	42	55
RN-MSN	6	13	14	27

Credit Hour Count:

Program	FA 2009	Sp 2010	Su 2010	Sp 2011
CNS	4	20	6	29
MSN	235	271	205	380
RN-MSN	36	91	80	188

IV. Number of students who have defended their thesis/completed their project in 2011-2012 AY

The number of nursing students for 2011-2012 is currently 9 students with the potential to increase based on this year's graduating class finishing.

V. Number of students who have defended their thesis/completed their project in 2010-2011 AY

The number of students that have completed their thesis in year 2010-2011 was 9 students.

VI. Total # students who have graduated from program since its inception (List each program separately.)

Graduate Program	Total Graduates since Inception
MSN- CNS	59
MSN Nurse Educator	8
RN- MSN CNS	5
RN-MSN Nurse Educator	1
Post MSN CNS	0
Post MSN Educator	2
Total Graduates	75

VII. Student Scholarship

Student	Cohort	Title
Acheampong, Alberta (Agyemang)	6	Development of an Intensive Care Unit Nurse Preceptor Program
Arnett, Elizabeth	7	Nursing Emotional Intelligence: Implementation of a Communication Course for Educating Nursing Students on Emotion Regulation and Management
Arguilla, Elaine	8	Education in Pediatric Pain Management: A Curriculum Proposal for the Newly Graduated and Experienced Nurse
