## School of Nursing

### PROGRAM: NURSING, BACHELOR AND MASTER OF SCIENCE IN NURSING

**Program Values (Outcomes):** The SON is transitioning from the use of the term “program outcomes” to “program values”. It is our goal to intentionally incorporate the Christian worldview of nursing, further clarifying how PLNU graduates are “set apart” from other nursing graduates.

*At the completion of the program students will be able to provide evidence of achievement of these program values:*

- 1) **Inquiring Faithfully:** Demonstrate knowledge, skill and behavior of the evidence-based practice of nursing which integrates growth in reasoning, analysis, decision-making and the application of theory with the goal of advocating for others and/or self. This includes holistic nursing skills and the nursing process. (ILO 1)
- 2) **Leading Faithfully:** Incorporate a foundational relationship with Christ and others and embrace a willingness to serve others in the midst of life circumstances (e.g., illness, injustice, poverty). The student will role-model the need for “Sabbath Rest” as a means of personal renewal, and true care of the self, so that service to others is optimally achieved. The student will incorporate the characteristics of a servant leader including: humility, courage, forgiveness, discernment. (ILO 2)
- 3) **Communicating Faithfully:** Actively engage in the dynamic interactive process that is intrapersonal and interpersonal with the goal of advocating for others and/or self. This includes effective, culturally appropriate communication conveys information, thoughts, actions and feelings through the use of verbal and nonverbal skills. (ILO 1 & 2)
- 4) **Following Faithfully:** As defined as claiming the challenge from Florence Nightingale that nursing is a “divine imposed duty of ordinary work.” The nursing student will integrate the ordinary work by complying with and adhering to regulatory and professional standards (e.g. ANA Code of Ethics, the California Board of Registered Nursing, Scope of Nursing Practice, SON Handbook). This includes taking responsibility, being accountable for all actions and treating others with respect and dignity. (ILO 1, 2 & 3)
- 5) **Caring Faithfully:** Embrace a calling to the ministry of compassionate care for all people in response to God’s grace, which aims to foster optimal health and bring comfort in suffering and death. (ILO 3)
