Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service becomes an expression of faith. Being of Wesleyan heritage, we aspire to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

FINAL EXAMINATION POLICY

Successful completion of this class requires taking the final examination **on its scheduled day**. The final examination schedule is posted on the [Class Schedules](#) site. No requests for early examinations or alternative days will be approved.

PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

USE OF TECHNOLOGY

Point Loma Nazarene University encourages the use of technology for learning, communication, and collaboration. This course requires access to computers, software programs, and the Internet. At some point during the semester you will have a problem with technology, but these problems will not normally be accepted as excuses for unfinished work. Protect yourself by doing the following: Save work often and make regular backups of files in a different location from the originals,

plan ahead so that you will have time to use the on-campus computers and printers if necessary, and practice safe computing when surfing the web and checking email.

Also:

- a. If students use their laptop during class no other "file" should be open on the reader other than the class text/reading.
- b. **All other electronics must be muted or turned off for the entire class period.**
- c. You are responsible for checking your PLNU email account and Canvas for electronic messages from me. You are fully accountable for all course material, communications and assignments distributed via email or posted in Canvas.
- d. If you do not own a computer, there are computers accessible to you in all PLNU's computer labs. Contact PLNU's Helpdesk for further information.
- e. Students must maintain their class schedules. Should a student need arise to drop a course, they are responsible to drop the course (provided the drop date meets the stated calendar deadline established by the university) and to complete all necessary official forms (online or paper). Failing to attend and/or to complete required forms may result in a grade of F on the student's official transcript.

PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

PLNU ACADEMIC ACCOMMODATIONS POLICY

If you have a diagnosed disability, please contact PLNU's Disability Resource Center (DRC) within the first two weeks of class to demonstrate need and to register for accommodation by phone at 619-849-2486 or by e-mail at DRC@pointloma.edu. See [Disability Resource Center](#) for additional information.

PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all classes is considered essential to optimum academic achievement. If the student is absent from more than 10 percent of class meetings, the faculty member can file a written report which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. See [Academic Policies](#) in the Undergraduate Academic Catalog.

SPECIFIC CLASS ATTENDANCE AND PARTICIPATION POLICY

Each class period includes mandatory participation in group and pair activities, verbal practice, and learning new grammar skills. Therefore, students are receiving credit for being present and losing that credit if they are absent. For each absence, 1% of the final grade is deducted. Coming late twice equals one absence. Falling asleep in class = Absent. Students are expected to come to class prepared and to be active participants in their own learning for the duration of the class period.

After 10 unexcused absences, students will be notified for possible de-enrollment; after 12 unexcused absences (20% of the class), students will be given an "F" as their final grade.

Our classroom environment will be one of “mutual respect” and a “community of learning.” What this means is that you should not be embarrassed or discouraged to participate—and mistakes will be considered part of the learning process that everyone can benefit from. If you do not understand something, do not hesitate to ask for further explanation. Participation means coming to class with a positive attitude, making original comments in Spanish while not speaking English or getting off task. You will need to bring your online or loose-leaf textbook to class. NOTE: Class time is for engaging in Spanish activities and maximizing our time together. Cell phones or laptops may only be used for relevant in-class activities.
