Homework assignments

Homework will be assigned from handouts and a variety of online materials. These must be completed before arriving to class. There will be no credit granted for late assignments.

Compositions

Students shall turn in a first draft and a corrected second draft of each topic assigned. The final grade will be determined by averaging the grade of the two drafts. All compositions must be typed and will be a minimum of 1 1/2 pages or a maximum of 2 pages double spaced in Times New Roman Font size 12. If compositions are not turned in on the due date, they will be marked down for each day they are late.

Oral Presentations

Each student will do timed 5 minute oral presentations. These presentations may not be memorized. Students can use note cards for reference of vocabulary and an organizational outline. These presentations are scheduled on the calendar, and the topics are assigned. In addition, each student will be required to conduct three 30-minute conversations through *Talkabroad*.

Cultural Events

Students are required to attend 4 approved cultural events throughout the semester. Assignments for meeting this requirement will be given as the events arise.

PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university

Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

PLNU ACADEMIC ACCOMMODATIONS POLICY

While all students are expected to meet the minimum standards for completion of this course as established by the instructor, students with disabilities may require academic adjustments, modifications or auxiliary aids/services. At Point Loma Nazarene University (PLNU), these students are requested to register with the Disability Resource Center (DRC), located in the Bond Academic Center. (DRC@pointloma.edu or 619-849-2486). The DRC's policies and procedures for assisting such students in the development of an appropriate academic adjustment plan (AP) allows PLNU to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. Section 504 (a) prohibits discrimination against students with special needs and guarantees all qualified students equal access to and benefits of PLNU programs and activities. After the student files the required documentation, the DRC, in conjunction with the student, will develop an AP to meet that student's specific learning needs. The DRC will thereafter email the student's AP to all faculty who teach courses in which the student is enrolled each semester. The AP must be implemented in all such courses.

If students do not wish to avail themselves of some or all of the elements of their AP in a particular course, it is the responsibility of those students to notify their professor in that course. PLNU highly recommends that DRC students speak with their professors during the first two weeks of each semester about the applicability of their AP in that particular course and/or if they do not desire to take advantage of some or all of the elements of their AP in that course.

PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all classes is considered essential to optimum academic achievement. If the student is absent from more than 10 percent of class meetings, the faculty member can file a written report which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. See [Academic Policies](#) in the Undergraduate Academic Catalog. Students will be allowed two excused absence, thereafter students will be docked 1% of the total grade per absence except when absences are necessitated by certain university sponsored activities and approved in writing by the Provost of the university. A student who misses 20% or more of the total classes does not meet the course requirements and will be dropped from the course or receive an **F** as a final grade in the course.
