

2015-2016 Assessment Plan

Surveys:

The Student Development Assessment Team will be reviewing data from the following surveys:

- CIRP/HERI: TFS, YFCY, CSS (administered at intervals)
- NSSE (administered every three years)
- BCSSE (administered every three years)
- Survey Panel Data which includes information from homegrown surveys plus the standard tools such as NSSE, BCSSE, TFS, YFCY, CSS
- Diverse Learning Environments – Core Survey
- SSI - Student Satisfaction Inventory

The Student Development Team will identify questions that align with learning outcomes so that specific data can be pulled to review related to each learning outcome.

Additional Assessments in Individual Programs:

Each administrative unit is committed to doing additional assessments of at least one learning outcome or program in 2015-2016. The units are:

- Student Life & Retention
- Residential Life & Student Conduct
- Public Safety
- Student Success & Wellness
- Intercollegiate Athletics

A rotation for assessing learning outcomes in each area needs to be developed.
