COURSE ASSIGNMENTS

Summary Reflection/Assessment/Takeaways (3%)

These brief one-page summaries will help assess your grasp of information covered in our session. The expectation is that you share insight gained and points of agreement and/or disagreement. This assignment needs to be completed by 11:59 p.m. the following night.

Discussion Board Participation (6%)

Discussion board participation will be based on the weekly topic posted in Canvas. Your initial post is due

Wednesday at midnight; it is expected that you be engaged and deliver informed thought, leading to lively discussion with two pieces of specific feedback prior to Friday at midnight. You should also be ready to further discuss these issues with your colleagues at the following class session.

Article/Journal Summaries (15%)

The aim of supplemental readings is to keep you current with contemporary issues. It is your responsibility to find current literature; on occasion, the instructor may post articles for your review. You will be asked to submit a one-page report, typically by Sunday at midnight, summarizing the key points of outside readings by outlining the major points of the article. In this summary, please also state your opinion and points you agree and/or disagree with.

Online Quizzes from Readings (22%)

You will complete chapter readings in conjunction with each week's session. In order to assess your grasp of readings and class content, you will complete seven online quizzes – each worth 40 points. These are not meant to be arduous but to ensure you have appropriately comprehended the material. These will also allow the professors to ascertain any “sticking points” for students so that class time can be spent in clarifying key concepts.

Budget Build (8%)

The purpose of this assignment is to teach you how to build a budget in relation to your income. This assignment is to be created with your current real income and expenses. It must be done individually (just like the “real” world of personal finance) and the build is due during Week 2. This budget creation should encompass housing and auto costs, debt, student loan payments, retirement, additional savings and investments, health insurance, taxes, miscellaneous living expenses (food, gas, clothing, furniture, recreation) and tithing/donations for the month of February. More instructions, guidelines, and forms can be found on Canvas; it is expected that you utilize Excel or Quicken.

Budget Analysis (8%)

After tracking your expenses for the month of February, you will collect and analyze the data and submit a write-up. More instructions for this analysis can be found on Canvas. It is expected that you give a thorough recap, illustrating progress made, and correlating how this process could be applied within the context of this class

"Add a Sport at PLNU" Project (19%)

Based on the information gathered, you will create a proposal supporting the addition of a sport at PLNU for the intercollegiate athletics program. This eight-page report should encompass all things learned, creating a defense to combat the challenges facing college sports. The stance taken should address costs (including a budget), facilities, Title IX impact, potential revenues, etc. It is recommended that each student review literature and consult athletic administrators at various universities for feedback and to gain insight on pros and cons for their position.

"Bring a Franchise to San Diego" Project (19%)

Pick a sport and bring a franchise to San Diego. Or pick a franchise that has started in San Diego within the last five years and explain why it has or has not been a success. Any stance should be based on challenges facing the growth and development of San Diego County, trends in sports facility financing, and the economic impact analysis. All revenue and funding should also be addressed in this 8-page report. It is recommended that each student review literature and attempt to consult individuals in the sports industry for feedback and to gain insight on pros and cons for their position.

No assignments will be accepted after midnight on Sunday night, the last day of class.

While there are due dates for weekly assignments, you are welcome to post your work earlier in the week. In our discussions, late work means that others may not have the opportunity to respond to your comments. It also means that you will not have the benefit of as much interaction with other students as you will have if your assignment is posted on time. If you know you will be away on the day your assignment is due, please post your work before you leave.

Assignments will be considered late if posted after midnight Pacific Standard Time on the day they are due or after a specific time stated in the assignment.

FINAL EXAMINATION POLICY

Successful completion of this class requires taking the final examination **on its scheduled day**. No requests for alternative days will be approved.

SPIRITUAL CARE

PLNU strives to be a place where you grow as whole persons. To this end we provide resources for our graduate students to encounter God and grow in their Christian faith. At the Liberty Station campus we have an onsite chaplain, Rev. Wil Ryland who is available during class break times across the week. If you have questions, desire to meet with Rev Ryland or prayer requests you can contact him directly at gradchaplainlibertystation@pointloma.edu. In addition there are resources for your Christian faith journey available at the PLNU website: [Spiritual Life at PLNU](#).

COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

ACADEMIC HONESTY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or,

depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See Academic Policies in the Graduate and Professional Studies Catalog for definitions of kinds of academic dishonesty and for further policy information.

ACADEMIC ACCOMMODATIONS

While all students are expected to meet the minimum standards for completion of this course as established by the instructor, students with disabilities may require academic accommodations or adjustments, modifications or auxiliary aids/services. At Point Loma Nazarene University (PLNU), these students are requested to register with the Disability Resource Center (DRC), located in Rm. 312C at the Mission Valley Regional Center via DRC@pointloma.edu or 619.849.2533. The DRC's policies and procedures for assisting such students in the development of an appropriate Accommodation Plan (AP) allows PLNU to comply with Section 504/508 of the Rehabilitation Act and the Americans with Disabilities Act. Section 504 (a) prohibits discrimination against students with special needs and guarantees all qualified students equal access to and benefits of PLNU programs and activities. After the student files the required and official disability documentation, the DRC will contact the student within 15 business days to schedule an AP meeting. During the AP meeting an Accommodation Plan will be established to meet the student's specific disability-related needs. The DRC will thereafter email the student's AP to all faculty who teach courses in which the student is enrolled each quad/semester. The AP must be implemented in all such courses by faculty. All questions should be directed to the DRC for clarification.

ATTENDANCE POLICY

Students taking online courses are expected to attend each week of the course. Attendance is defined as participating in an academic activity within the online classroom which includes posting in a graded activity in the course. (Note: Logging into the course does not qualify as participation and will not be counted as meeting the attendance requirement.)

Students who do not attend at least once in any 3 consecutive days will be issued an attendance warning. Students who do not attend at least once in any 7 consecutive days will be dropped from the course retroactive to the last date of recorded attendance.

Students who anticipate being absent for an entire week of a course should contact the instructor in advance for approval and make arrangements to complete the required coursework and/or alternative assignments assigned at the discretion of the instructor. Acceptance of late work is at the discretion of the instructor and does not waive attendance requirements.

ACADEMIC STANDING

Graduate students at Point Loma must obtain a 3.0 GPA to remain in good standing in the MS Kinesiology program. Additionally, all graduate students need to earn a C or higher in all graduate courses according to the catalog grading policy found here: [GPS Academic Standing](#)

GRADING SYSTEM

Traditional letter grades (A, B, C, D, F) including plus and minus grades are used to indicate the level of scholarship earned for each course. Except for the correction of an error, all traditional letter grades are final at the conclusion of the academic term. Once the degree has been posted on the student's official transcript, no change of grade action is allowed for courses leading to the degree. The grade of C is the lowest grade acceptable for graduate credit.

INFORMATION LITERACY

The curriculum of the MS-KIN is designed so that you develop skills in scientific writing, performing statistical analysis of data, reading and critically appraising primary literature, and incorporating current best evidence into your professional practice. Not all information is equally sound or applicable to your practice. Various assignments within this course are designed to accomplish the goal of informational literacy—to evaluate the validity and importance of information obtained from any source and use the information appropriately to solve relevant problems.

SPIRITUAL CARE

Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our graduate students to encounter God and grow in their Christian faith. There are resources for your Christian faith journey available at the [Graduate & Professional Student Spiritual Life web page](#).

USE OF TECHNOLOGY

In order to be successful in the online environment, you'll need to meet the minimum technology and system requirements; please refer to the **Technology and System Requirements** page. Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

If you do need technical help, you may click on the HELP button (located on the top-right corner of Canvas) and choose from whom you want assistance, or you may contact the campus helpdesk (619-849-2222).

Point Loma Nazarene University encourages the use of technology for learning, communication, and collaboration. It is the responsibility of the student to confirm access to the essential applications needed for the class such as Excel as well as standard online research tools.
