NEW Business

1. Proposal to drop old BA Completion Program from SOE in catalog (Mark Pitts)

- Program was initially intended to help students with high unit volume to complete and move into the classroom.
- Transfer policy/procedure made program unattractive to students considering it.
- Recommended for approval as proposed. M/S/P*

OLD Business

1. Confusion on upper/lower division policy (discussion) (Mark Pitts)

- Lower division is approved for upper division use in College of Extended Learning.
- Not approved for traditional undergrad.
- Some precedent set with School of Business where a temporary memo of understanding was created to resolve transitional issues.
- Will be working with Kinesiology to determine if this is a viable option.

**Vote completed electronically.*
