Good morning IRB,

I appreciate your patience with the two SOE proposals we discussed during our meeting last week. I was working with SOE on a couple of questions to be sure that we had everything in order.

As approved in our meeting last Thursday, we are going to conduct the vote for the two SOE proposals via email. If there is any point for which you'd like to discuss in our next meeting, please let me know. We can bring the proposal back to the committee on Feb. 12.

First two files pertain to the preliminary credential for the Professional Administrative Services. (Note that the second 'file' is a zipped file with multiple documents.) The proposal lists the different actions separately and I organized the catalog copy portion so that you can see what is taking place.

The next two files pertain to the clear credential for the Professional Administrative Services. (Note that, again, the second 'file' is a zipped file with 2 documents.) Again, the proposal lists the different actions separately and I organized the catalog copy portion so that you can see what is taking place.

In both the preliminary and clear you will see an expanded response to the mission question.

Please let GESC know if you have any questions, or if you are ready to vote to respond accordingly.

Thank you!

Holly
