Good morning GESC,

First, I have an update. I learned that we will not be able to post the petition materials in their current form on the cloud as some of the files have sensitive information. Once we have a final vote on the two that are housed there now (which will be by the end of today), I'll remove them.

Dave is working with Graduate Admissions to set up a system where we, as a committee, have the information weneed without the sensitive information. At that point, we'll begin using the cloud again for this purpose. Thus, for now, we will revert back to the email method for disseminating files.

That said, we do have two more petitions for acceptance into a graduate program to review, that of I.S. and I. R. I have their materials attached. Please submit your vote to me by Monday morning. Otherwise, the vote will fall to the GESCchair. (You may still find the petition policies on the GESC cloud folder - <https://drive.google.com/a/pointloma.edu/folderview?id=0Byog45UJzC2UTENDZ3cyUEU2NHM&usp=sharing>).

Thanks much,

Holly
