Good morning GSC,

I have an action item that needs your vote. This is for a petition to be accepted into a graduate program under the exceptions policy. The candidate in question is A.S. and the program is the Master of Arts in Teaching. I have the policy attached first followed by A's materials and then the petition form. You will note that she has not passed all of the subsets of the CSET. However, at the time of her inquiry to the university she was told of the policy as it stood then, which was a pass on at least 2 subsets. GSC agreed to allow the formal policy to stand for students who made inquiries at that time.

Please reply to all when submitting your vote.

Also, I know that there are a few of you who cannot make GSC meetings. I've sent in a request to the Structural Governance Committee for assistance. Until this is resolved, I would appreciate if you would assist in email voting so that we reach a quorum.

Please let me know if you have any questions.

Sincerely,

Holly
