

President's Advisory Board

Membership

The President's Advisory Board is made up of individuals invited by the president to bring a breadth of external perspectives and expertise from their unique leadership roles for the benefit of Point Loma Nazarene University.

Mission of the Board

The President's Advisory Board exists to provide expertise, advice, and counsel for the university president on issues of shaping the future of Point Loma Nazarene University.

Vision of the Board

The President's Advisory Board will support the president of Point Loma Nazarene University as a service to the university and the cause of Christian higher education. The members of the board affirm the mission and vision of PLNU and seek to enhance the university's prominence and voice through its graduates, programs, and charitable interests.
