### Course Policies:

#### Student Responsibilities (Responsabilidades del/ de la estudiante):

**1. Class participation and attendance (La asistencia y la participación en clase):** Regular and punctual attendance in all classes for which a student is registered is considered essential to optimum academic achievement. Therefore, regular attendance and participation in each class are two of the course requirements to be met. There are no allowed or excused absences except when absences are necessitated by certain university sponsored activities and approved in writing by the Provost of the university. You must be in class to participate (or Zoom sessions), since we do conversation, review, and active practice with the material. **The first two absences do not count, but after, 1% of grade will be deducted per absence (10 points per absence). After 6 unexcused absences, the professor reserves the right to de-enroll the student from the class. After 12 absences (20% of the grade), a student cannot pass the class, and will receive an F for the course (per university policy).** Our classroom environment will be one of “mutual respect” and a “community of learning.” What this means is that you should not be embarrassed or discouraged to participate—and mistakes will be considered part of the learning process that everyone can benefit from. If you do not understand something, do not hesitate to ask for further explanation. **Please see the details below concerning synchronous / asynchronous learning and how this affects attendance.**

#### PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all **synchronous** class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions (virtual or face-to-face), the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. In some courses, a portion of the credit hour content will be delivered **asynchronously** and attendance will be determined by submitting the assignments by the posted due dates. See [Academic Policies](#) in the Undergraduate Academic Catalog. If absences exceed these limits but are due to university excused health issues, an exception will be granted.

## **Asynchronous Attendance/Participation Definition**

A day of attendance in asynchronous content is determined as contributing a substantive note, assignment, discussion, or submission by the posted due date. Failure to meet these standards will result in an absence for that day. Instructors will determine how many asynchronous attendance days are required each week.

**IMPORTANT NOTE: It is EXTREMELY important and necessary to study and review the material by completing the online homework and assignments.**

**2. Tests (Exámenes):** There will be a test given after every two chapters during the term. It will be imperative to do a thorough review before each test since the material is cumulative. **There are no make-up exams.** There will also be a departmental final exam. The final exam is comprehensive. There will also be vocabulary quizzes for each chapter, and two short grammar quizzes (TBA or pop quizzes) throughout the semester.

**3. The 3 “C”s: Culture, Community, Church:** Students will be offered to participate in some activities outside of class, all for **extra credit**. Students can choose an approved cultural event (film, online concert, virtual museum, Webinar or presentation, etc.) or an online church service in Spanish. Students must do a brief response paper (one page, in Spanish or English) on what they do, and make sure to turn it in. Sometimes the professor will provide a worksheet to fill out with questions to answer instead of a write-up. **All activities must be pre-approved by the professor.** Students can receive up to **20 points extra credit**, depending on level of involvement. Normally, each activity will be worth 10 points, with a limit of 2 per semester. If you choose a museum, church, film etc. **it is necessary to take a photo of yourself watching the event. No photo = no credit! Also, to clarify again, your event MUST be pre-approved by the professor. Please ask first to get your idea approved!**

## **4. Cultural Engagement Assignment (Tarea cultural):**

Students will be required to complete **two cultural engagement assignments** during the class, such as visiting an online museum (and answering questions), or watching films in Spanish (and answering questions), or possibly doing a short research project on a topic or person from the Spanish-speaking world.

**Not just any assignment or idea can fulfill this requirement; the activities need to be approved by the professor.** It will be necessary to take a photo of yourself doing the activity (if they are films or a visit to a virtual museum). **No photo = no credit!** In other words, if you are watching a film, please snap a quick photo of yourself watching the film. Likewise, if you are visiting an online museum, take a quick photo of yourself to show that you were doing the activity. The professor will provide more information in class.

**5. Conversation (Conversación):** Students will have the opportunity to attend conversation sessions for **extra credit**. Professor will provide times for a Spanish Coffee Hour, or conversation sessions that can be done by appointment. The idea is to not talk about grammar and class review, but to simply **practice conversational Spanish**. It is a good idea to arrange a small group ahead of time to have more interaction. **An hour of conversation is worth 10 extra credit points**, but students are encouraged to keep practicing and improving their Spanish even after receiving the 10 points. **More information will be provided in class.**

## **PLNU Copyright Policy**

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

## **PLNU Academic Honesty Policy**

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts, as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

## **PLNU Academic Accommodations Policy**

While all students are expected to meet the minimum standards for completion of this course as established by the instructor, students with disabilities may require academic adjustments, modifications or auxiliary aids/services. At Point Loma Nazarene University (PLNU), these students are requested to register with the Disability Resource Center (DRC), located in the Bond Academic Center. ([DRC@pointloma.edu](mailto:DRC@pointloma.edu) or 619-849-2486). The DRC's policies and procedures for assisting such students in the development of an appropriate academic adjustment plan (AP) allows PLNU to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. Section 504 (a) prohibits discrimination against students with special needs and guarantees all qualified students equal access to and benefits of PLNU programs and activities. After the student files the required documentation, the DRC, in conjunction with the student, will develop an AP to meet that student's specific learning needs. The DRC will thereafter email the student's AP to all faculty who teach courses in which the student is enrolled each semester. The AP must be implemented in all such courses.

If students do not wish to avail themselves of some or all of the elements of their AP in a particular course, it is the responsibility of those students to notify their professor in that course. PLNU highly recommends that DRC students speak with their professors during the first two weeks of each semester about the applicability of their AP in that particular course and/or if they do not desire to take advantage of some or all of the elements of their AP in that course.

## **USE OF TECHNOLOGY**

In order to be successful in the online environment, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information. Additionally, students are required to have headphone speakers compatible with their computer available to use. If a student is in need of technological resources please contact [student-tech-request@pointloma.edu](mailto:student-tech-request@pointloma.edu).

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

### **Ferpa Policy**

In compliance with federal law, neither PLNU student ID nor social security number should be used in publicly posted grades or returned sets of assignments without student written permission. This class will meet the federal requirements by (Note: each faculty member should choose one strategy to use: distributing all grades and papers individually; requesting and filing written student permission; or assigning each student a unique class ID number not identifiable on the alphabetic roster.) Also in compliance with FERPA, you will be the only person given information about your progress in this class unless you have designated others to receive it in the "Informational Release" section of the student portal.

### **Final Examination Policy**

Successful completion of this class requires taking the final examination **on its scheduled day**. The final examination is posted on the class schedules site. No requests for early examinations or alternative days will be approved.
