POLICIES, TERMS AND CONDITIONS

All students are expected to adhere to the following terms and conditions throughout the duration of this course. Please sign and date the “Acceptance of Terms and Conditions Agreement (last page of syllabus) take a picture and submit it in Canvas.

Classroom Environment. Respect for the person who is speaking in the front of the class is to be maintained at all times. Laptops and cell phones should be shut off and put away for the duration of the class period (unless otherwise instructed by Prof. Hogelucht). If any distracting behavior is noted during class lectures, discussions, or presentations, the student will be contacted by the instructor. The second warning will result in either the student being asked to leave (which would count as an absence for the day) or the loss of the student’s participation points. If the instructor suspects any cheating on an assignment and/or exam, the student will receive a zero for that exam/assignment and/or the student may be asked to leave the class. Critical to a class such as this, where classmates are disclosing their own visions, values, goals, and skills, is an environment of trust and respect. (*Note: be sure your cell phone is turned to **silence mode** and put away the beginning of **all** class periods. It is out of consideration that you avoid all interruptions to classmates during presentations and instructors during lectures).

Written Work. No late assignments are accepted. All written work is due at the **beginning** of the class period whether submitted in Canvas or turned in as a hard copy in class. Points will be deducted if turned in late in the class period. Failure to turn in work during class period in which it is due will receive a zero. Work is to be typed in a Times New Roman 11 or 12 point font size with 1 inch margins. Assignments will be submitted in Canvas—unless otherwise instructed. Use spell check and proofread all assignments. Points are deducted for not stapling and for each error in spelling and/or grammar.

Attendance. Regular and punctual attendance at all **synchronous** class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions (virtual or face-to-face), the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. In some courses, a portion of the credit hour content will be delivered **asynchronously** and attendance will be determined by submitting the assignments by the posted due dates. See Academic Policies in the Academic Catalog. If absences exceed these limits but are due to university excused health issues, an exception will be granted.

Asynchronous Attendance/Participation Definition. A day of attendance in asynchronous content is determined as contributing a substantive note, assignment, discussion, or submission by the posted due date. Failure to meet these standards will result in an absence for that day. Instructors will determine how many asynchronous attendance days are required each week.

Use of Technology. In order to be successful in the online environment, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information. Additionally, students are required to have headphone speakers compatible with their computer available to use. If a student is in need of technological resources please contact student-tech-request@pointloma.edu. Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

Spiritual Care. Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith.

If students have questions, a desire to meet with the chaplain or have prayer requests you can contact the [Office of Spiritual Development](#)

Academic Accommodations. While all students are expected to meet the minimum standards for completion of this course as established by the instructor, students with disabilities may require academic adjustments, modifications or auxiliary aids/services. At Point Loma Nazarene University (PLNU), these students are requested to register with the Disability Resource Center (DRC), located in the Bond Academic Center. (DRC@pointloma.edu or 619-849-2486). The DRC's policies and procedures for assisting such students in the development of an appropriate academic adjustment plan (AP) allows PLNU to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. Section 504 (a) prohibits discrimination against students with special needs and guarantees all qualified students equal access to and benefits of PLNU programs and activities. After the student files the required documentation, the DRC, in conjunction with the student, will develop an AP to meet that student's specific learning needs. The DRC will thereafter email the student's AP to all faculty who teach courses in which the student is enrolled each semester. The AP must be

implemented in all such courses. If students do not wish to avail themselves of some or all of the elements of their AP in a particular course, it is the responsibility of those students to notify their professor in that course. PLNU highly recommends that DRC students speak with their professors during the first two weeks of each semester about the applicability of their AP in that particular course and/or if they do not desire to take advantage of some or all of the elements of their AP in that course.

PLNU Academic Honesty Policy. Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one’s own when in reality they are the results of another person’s creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, not receive credit for the course. Please see [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information. Protect yourself from being suspected of plagiarism by citing ideas and exact words you’ve taken from other sources properly. Always include a Reference Page when sources are cited. Furthermore, always do your own work. APA citing format will be required in Bus. 3013.

PLNU Copyright Policy. Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

Final Exam Policy. Successful completion of this class requires taking the final examination **on its scheduled day**. No requests for early examinations or alternative days will be approved.

Course Credit Hour Information. In the interest of providing sufficient time to accomplish the stated Course Learning Outcomes, this class meets the PLNU credit hour policy for a 3 unit class delivered over 16 weeks. Specific details about how the class meets the credit hour requirement can be provided upon request.

State Authorization. State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student’s responsibility to notify the institution of any change in his or her physical location. Refer to the map using the below link to view which states allow online (distance education) outside of California. <https://www.pointloma.edu/offices/office-institutional-effectiveness-research/disclosures>

DESCRIPTION OF COURSE ASSIGNMENTS

Informational Interview Package (100 pts. – Rubric included in Canvas) This written assignment designed to help you gain valuable information about your future career. This could possibly be one of the most meaningful assignments you do in your college career (I’ve heard this from so many students). Contacts made through this assignment could lead to an internship and/or future job.

The informational interview assignment involves **three parts**:

1. **Locate interviewees/schedule interviews. Start on this right away, today.** Schedule an interview with TWO professionals who are currently employed in the industry/profession you think you would ideally like to pursue. Shoot for the stars with this assignment. You may not interview close friends, family members, PLNU employees, or current employers (these are all fairly easy access for you/ you should do these interviews outside of this assignment). Instead, research your field and shoot for the top in your field. Students in the past have used the directory of PLNU contacts/alumni as a resource (I will give this to you), friends’ parents and parents’ friends, yellow pages, and lastly some students went directly to the organization they were interested in to inquire about a possible informational interview. While it is preferred that you conduct these face to face, in light of the current COVID-19 situation, these can be done by phone, zoom, or Google Hangouts.
2. **Conduct the interviews.** Conduct the two 20 minute interviews by phone, Google hangouts, Zoom, or socially-distanced at the professionals’ workplaces. Avoid meeting at unusual settings and at late hours. Check with me if you are questioning anything. Approach these interviews as if you were applying for a job. Consider carefully the image you want to project in both dress and style. Always lean toward the conservative side in dress. Provide a snapshot of the professionals’ business cards and/or provide phone / email.

3. **On Thursday, Oct. 15th, all class members are required to turn in the following (you will do this in Canvas):**
 - a. **One typed page (double-spaced) with three paragraphs highlighting:**
 - 1) How your career goal is clearer, has changed or been adapted because of what you learned from this assignment.
 - 2) What you learned about the process of conducting an interview?
 - 3) Advice you would give students doing this assignment in the future
 - b. **One copy of each of the thank you letters you e-mailed or sent to interviewees and a copy of the addressed, stamped envelope to each interviewee (if mailed through post office).** Each thank you should be different in that you should highlight something specific you learned from each person. You may type or write these. If you write them, make sure your writing is legible.
 - c. **Scanned Business Cards from Professionals**
 - d. **Professional PowerPoint Video.** The last part of the assignment involves the creation of an Informative PowerPoint (using Screencast-O-Matic) about the industry or field you researched. The format for the Power Point is as follows:
