## **PLNU Mission**

### **To Teach ~ To Shape ~ To Send**

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service is an expression of faith. Being of Wesleyan heritage, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

## **COURSE DESCRIPTION**

This course surveys some of the latest findings in positive and moral psychology that concern how we live a good life in the world with others. It addresses three perennial questions about psychological and relational well-being: What makes a “good life” *good*? How do persons “change” for *good*? And: What makes a “good relationship” *good*? It examines theory and research in two rapidly expanding psychological literatures: the science of a flourishing life, the science of love and virtue, and the practical neuroscience of moral change. Students will participate in experimental exercises that this new science suggests will enhance our motivation and capacity for moral goodness. Beyond that, the class is designed to provide you with the opportunity to actually practice some of the habits that can induce character growth.

## **COURSE LEARNING OUTCOMES**

Students will be able to...

1. Summarize various models of well-being that vie for attention in popular and religious culture.
2. Describe key ingredients of a meaningful life as discussed in contemporary positive and moral psychology.
3. Describe some of the principles and practices of character change as offered in contemporary psychology.
4. Describe four essential virtues that facilitate mature love as understood in the new science of love and virtue.
5. Describe the meaning of moral maturity in light of the Judeo-Christian concept of love, especially as envisioned in the Wesleyan theological tradition.

<b>Total Hours</b>	<b>150</b>

### ASSESSMENT AND GRADING

Student grades will be posted in the Canvas grade book no later than midnight on Tuesday of each week beginning in Week Two of this course. It is important to read the comments posted in the grade book as these comments are intended to help students improve their work. Final grades will be posted within one week of the end of the class. Grades will be based on the following:

**Reading & Lecture Viewing and Responses:** 48 hours before each class, I will make available to you the lectures for the upcoming class. These lectures are designed both a) to clarify some key issues from your reading, and b) to introduce new material. Completing the reading and watching the lectures are necessary in order to be successful in this class, and you will use this material in your two largest assignments (described below). Within many of the lectures I will ask you questions. To get full credit for watching the lectures, you should type your responses to my questions in the text box at the bottom of each "Watch Lectures/Videos" assignment. I also ask you to pose one "Good" question to me in each assignment. This will help me to direct our class time together. **Lecture and Reading Responses will be 10% of your overall grade.**

**Homework Assignments:** At multiple points throughout the session, you will be asked to either read, watch, or listen to a piece of media, and then to relate it to the readings you have completed for the

course. Your lowest homework score will be dropped. **Homework will be 10% of your overall grade.**

**Vocation Assignment:** This is a two part assignment that includes a Vocation Paper and a Vital Engagement in a Vocation Video. **The Vocation Assignment will be 10% of your overall grade.**

- **Vocational Paper {5%}**: 3 to 4 Page (double spaced) paper. The purpose of the paper is to reflect on your vocational plans after you graduate from PLNU. Discuss the following in your paper:
  - What are your career goals? Where do you see yourself in 5 years? In 10 years?
  - Choose one career to focus on.
  - Does this career require attending Graduate School? If so, what type of program are you considering? And why?
  - With the career you are choosing, what is the process to obtain a job in that field? What is the typical salary based on your expected education level?
- **Vital Engagement in a Vocation Video {5%}**: Using the assigned readings (Happiness Hypothesis, Ch. 10), readings available online (“Stop trying to ‘find meaningful work (and create it instead)’”; and “A Deceptively Simple Way to Find More Happiness at Work”) and the podcast (“The Perils of Following your Career Passion”), record a two-minute long video answering the following question: **What is one or more ways that you will create or maximize vital engagement in your chosen career path?**

**The "Good Life" Paper:** Mid-way through the course you will write a two-part "Good Life" Paper (your Senior Capstone Project). Although more details are available on the Assignment page and in our in-class discussions, the paper will involve describing, critiquing, and applying the theories of the "good life" that we will be discussing during the first half of the class. **The Good Life Paper will be 30% of your overall grade {15% for each part}.**

**Attendance and Participation:** There will be weekly Zoom class sessions with mandatory attendance and required participation. **Attendance and Participation will be 10% of your overall grade.**

**Final Exam:** The Final Exam is based on the material covered during the second half of the class. Although more details are available on the Final Exam Assignment Page, the exam itself will involve the description and application of at least one "capacity of mind" and at least one "capacity of heart," as they relate to the construct of Generative Care. **The Final Exam will be 25% of your overall grade.**

**Good Life Survey, or alternate assignments:** At four points throughout the semester you will be asked to answer survey questions about your thoughts, experiences, and relationships. The purposes of this survey are twofold: 1) for you to track your own growth with respect to the concepts discussed in class, and 2) for me to evaluate how well the course serves to promote your growth. At the end of the semester, my hope is to give you access to the results of your surveys so that you can better understand how you have grown, and what areas to continue focusing on after the class ends. My hope is to also use this information to help me revise the class for future years. If you do complete the survey, **you have the option of either allowing me to use your responses** to see how the class performed as a whole (you would never be identified by name), **or you can choose to have your responses removed** from

the bigger set of data (you would still receive the same feedback on your growth). **However, you are not required to complete these surveys. If you choose NOT to complete the survey, you can instead complete a two page reading response for each survey (for a total of four reading responses throughout the semester).** If you choose this option, still click on the link to the survey, but indicate on the survey that you are choosing NOT to answer the questions, and you will be taken to the end of the survey. **The four surveys (or alternate assignments) will be worth a total of 5% of your overall grade.**

## STATE AUTHORIZATION

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization \(https://www.pointloma.edu/offices/office-institutional-effectiveness-research/disclosures\)](https://www.pointloma.edu/offices/office-institutional-effectiveness-research/disclosures) to view which states allow online (distance education) outside of California.

## INCOMPLETES AND LATE ASSIGNMENTS

Part of good paper-writing is effective time-management strategies. We could all write better papers if we had unlimited time to do so. However, there are certainly life situations that may prevent you from turning in your paper on time. How to balance these two conflicting issues? In order to provide you with some flexibility, and nevertheless to ensure that all of your papers are evaluated on an "even playing field," I have created a tiered grading system for late work. **If you miss a deadline to turn in a paper, for any reason, you will have until midnight on the next day to turn in the paper for a 5% deduction. After midnight, you then have up to midnight on the following day to turn it in for a 10% deduction. Following that, you will receive a 20% deduction. No papers will be accepted after the date on which the professor sends grades/feedback to the class for that paper.**

## PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

## PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing

grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](http://catalog.pointloma.edu/content.php?catoid=18&navoid=1278) for definitions of kinds of academic dishonesty and for further policy information.

## **PLNU ACADEMIC ACCOMMODATIONS POLICY**

While all students are expected to meet the minimum standards for completion of this course as established by the instructor, students with disabilities may require academic adjustments, modifications or auxiliary aids/services. At Point Loma Nazarene University (PLNU), these students are requested to register with the Disability Resource Center (DRC), located in the Bond Academic Center. ([DRC@pointloma.edu](mailto:DRC@pointloma.edu) or <https://mail.google.com/mail/?view=cm&fs=1&tf=1&to=DRC@pointloma.edu>) or 619-849-2486). The DRC's policies and procedures for assisting such students in the development of an appropriate academic adjustment plan (AP) allows PLNU to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. Section 504 (a) prohibits discrimination against students with special needs and guarantees all qualified students equal access to and benefits of PLNU programs and activities. After the student files the required documentation, the DRC, in conjunction with the student, will develop an AP to meet that student's specific learning needs. The DRC will thereafter email the student's AP to all faculty who teach courses in which the student is enrolled each semester. The AP must be implemented in all such courses.

If students do not wish to avail themselves of some or all of the elements of their AP in a particular course, it is the responsibility of those students to notify their professor in that course. PLNU highly recommends that DRC students speak with their professors during the first two weeks of each semester about the applicability of their AP in that particular course and/or if they do not desire to take advantage of some or all of the elements of their AP in that course.

## **PLNU ATTENDANCE AND PARTICIPATION POLICY**

Students taking online courses are expected to attend each week of the course. Attendance is defined as participating in an academic activity within the online classroom which includes posting in a graded activity in the course. (Note: Logging into the course does not qualify as participation and will not be counted as meeting the attendance requirement.)

Students who do not attend at least once in any 3 consecutive days will be issued an attendance warning. Students who do not attend at least once in any 7 consecutive days will be dropped from the course retroactive to the last date of recorded attendance.

## **SPIRITUAL CARE**

Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith.

If students have questions, a desire to meet with the chaplain or have prayer requests you can contact the [Office of Spiritual Development](https://www.pointloma.edu/offices/spiritual-development)

## USE OF TECHNOLOGY

In order to be successful in the online environment, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.
