**PLNU Mission**

**To Teach ~ To Shape ~ To Send**

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service becomes an expression of faith. Being of Wesleyan heritage, we aspire to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

**Foundational Explorations Mission**

PLNU provides a foundational course of study in the liberal arts informed by the life, death, and resurrection of Jesus Christ. In keeping with the Wesleyan tradition, the curriculum equips students with a broad range of knowledge and skills within and across disciplines to enrich major study, lifelong learning, and vocational service as Christ-like participants in the world's diverse societies and culture.

**COURSE DESCRIPTION**

Welcome to the Elementary Spanish sequence. This course is one of the components of the General Education Program at Point Loma Nazarene University, under the category of Seeking Cultural Perspectives. By including this course in a common educational experience for undergraduates, the faculty supports the survey of human endeavors from a historical, cultural, linguistic and philosophical perspective, including developing critical appreciation of human expression--both artistic and literary. This course emphasizes four basic skills: aural comprehension, speaking, reading, and writing. Also noted is the cultural and historical background of the areas where the language is spoken. Participation and active use of the language is emphasized in the classroom.

**COURSE FORMAT**

This course will be taught remotely, whereby students will attend class synchronously via Zoom one to two times per week and participate interactively online with various assignments and partner activities. All class materials, assignments, and lectures can be found on Canvas. Homework, as well as extra practice and grammar explanations are in the *Portales* textbook, on the [vhlcentral.com](http://vhlcentral.com) website.

If students are unable to attend in-person classes, they can access the practice worksheets on Canvas, but they cannot gain attendance/participation credit.

For activities in groups or partners, be sure to reserve the class hours that we are not using for Zoom, so that all students have the same availability and can easily schedule a meeting time. Difficulty in scheduling between students will not be excused.

## COURSE LEARNING OUTCOMES

## COURSE REQUIREMENTS

---

1. Active participation in each class. Active participation is defined to include the following: group work, completing in-class activities and sharing, oral participation, and completion of daily assignments.
2. Completion of required readings, homework in the *Portales* textbook, all written, oral, recorded, video, and web assignments.
3. Successful completion of written and oral examinations.

### Tests & Quizzes

Since language learning is a skill, it will be imperative to ensure the necessary proficiency is attained. To this end, there will be four unit tests given during the term. It will be necessary for students to do a thorough review before each test since the material is cumulative. All exams and quizzes are

scheduled on the calendar. **There are no make-up exams or quizzes.** There will also be one Final exam which is comprehensive in nature. This exam cannot be taken at any other time than that assigned by the University calendar. Vocabulary knowledge is extremely important. The more vocabulary you know, the more you will be able to say. Quizzes require students to memorize the vocabulary list from each lesson. This most complete list can be found on the last page of the lesson. Be sure to look up any **pages referred** in the last box of the vocabulary such as Expresiones útiles. The standard for knowledge in a foreign language is correct spelling; therefore, words must be spelled perfectly for credit. All vocabulary and structures used on assessments must be from your lessons. Structures and vocabulary from outside your lessons **will not** receive credit. **Please refrain from using Spanish dictionaries, Google translate, or any other assistance on assessments as this is considered academic dishonesty. It is imperative you take these at the scheduled times.** Please maintain clear and timely communication with your professor regarding any unforeseen emergencies you may have.

### **Homework**

In order to provide consistent input and practice, regular daily homework will be assigned online and can be found at your Portales website <http://vhlcentral.com> You will need to follow the instructions, and enroll in the appropriate course. Assignments are due by 11:59 p.m. PST on the date due, so please give yourself enough time to complete these before your clock runs out. This is especially important if you need to use the feature on vhlcentral.com "Ask your Instructor" for any questions on the homework. All assigned homework throughout will be **due on day noted per assignment.** All assignments that post after the due date automatically incur a 10% penalty per day. Further assignments and Discussions are assigned through Canvas. Please read all instructions carefully, and be aware of due dates.

### **Community Dinners**

These dinners are an integral part of the Community Classroom experience and all students are **required** to attend **at least two**. Traditionally, a catered meal from around the neighborhood is provided on site at Mid-City Church of the Nazarene. In addition to having a meal together, we hear from members of the City Heights community as they share their faith journeys, and transformational work in the urban community. In the remote learning environment, we will not be sharing a meal, but will be hearing from various community members, and students are required to attend.

### **Community Engagement/Service**

All students participating in the community classroom program are required to complete **10** hours of community service in City Heights per class. This component is being substituted by Cultural assignments in the remote learning environment.

### **Talkabroad**

In addition, each student will be required to conduct one 30 minute conversation through [Talkabroad.com](http://Talkabroad.com). There is a \$15 charge for a 30 minute conversation. This is part of your course materials. This conversation must be scheduled 36 hours in advance. Please schedule your conversation on time for the due date.

## FINAL EXAMINATION POLICY

Successful completion of this class requires taking the final examination **on its scheduled day**. The final examination schedule is posted on the [Class Schedules](#) site. No requests for early examinations or alternative days will be approved.

## PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

## PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

## PLNU ACADEMIC ACCOMMODATIONS POLICY

While all students are expected to meet the minimum standards for completion of this course as established by the instructor, students with disabilities may require academic adjustments, modifications or auxiliary aids/services. At Point Loma Nazarene University (PLNU), these students are requested to register with the Disability Resource Center (DRC), located in the Bond Academic Center.

([DRC@pointloma.edu](mailto:DRC@pointloma.edu) or 619-849-2486). The DRC's policies and procedures for assisting such students in the development of an appropriate academic adjustment plan (AP) allows PLNU to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. Section 504 (a) prohibits discrimination against students with special needs and guarantees all qualified students equal access to and benefits of PLNU programs and activities. After the student files the required documentation, the DRC, in conjunction with the student, will develop an AP to meet that student's specific learning needs. The DRC will thereafter email the student's AP to all faculty who teach courses in which the student is enrolled each semester. The AP must be implemented in all such courses.

If students do not wish to avail themselves of some or all of the elements of their AP in a particular course, it is the responsibility of those students to notify their professor in that course. PLNU highly recommends that DRC students speak with their professors during the first two weeks of each semester about the applicability of their AP in that particular course and/or if they do not desire to take advantage of some or all of the elements of their AP in that course.

### **PLNU ATTENDANCE AND PARTICIPATION POLICY**

---

Regular and punctual attendance at all classes is considered essential to optimum academic achievement. If the student is absent from more than 10 percent of class meetings, the faculty member can file a written report which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. See [Academic Policies](#) in the Undergraduate Academic Catalog. Students will be allowed one excused absence, thereafter students will be docked 1% of the total grade per absence except when absences are necessitated by certain university sponsored activities and approved in writing by the Provost of the university. A student who misses 20% or more of the total classes does not meet the course requirements and will be dropped from the course or receive an **F** as a final grade in the course.
