## FOUNDATIONS OF ACCOUNTING PRE-REQUISITE LEVELING MODULE

---

You are required to take the Foundations of Accounting course pre-requisite leveling module. The time to complete the module is estimated at 6 to 9 hours, depending on your previous exposure to the subject.

An MBA program staff member has sent registration and completion instructions to your PLNU e-mail. If you have not received these instructions, please notify the professor immediately to avoid late completion penalties.

To successfully complete the module, you must earn a minimum score of 80% on the module post-test. You are allowed to attempt the post-test twice. If you have not achieved a passing score (80%) after two attempts, you will be required to purchase a new module for \$39.00, and continue attempts until a passing score is achieved at the same URL: <https://micro.peregrineacademics.com/pointloma>

The password for the retake module is: **PLNUPAY-1001**

**If you take any modules that are not assigned to you for this course, you will be billed for each module at \$39 each.**

This module is worth 5% of your total course grade. Extra credit is available if you complete the module early. Similarly, earned credit will be reduced according to the timeline given in the table below:

Date	% Grade Earned	Incentive
8/20	7%	Early Reward
8/27	6%	Early Reward
<b>9/3</b>	<b>5%</b>	<b>Full Credit</b>
9/10	3%	Late Penalty

Note: If the course pre-requisite module has not been completed with a score of 80% or higher by **Sept 10**, the student will be dropped from the class. Students may receive only a partial refund in accordance with the PLNU refund policy outlined in the catalog.

The percentage earned on the leveling module post-test will be translated into points in conjunction with the extra credit and late penalty percentages as specified in the table below:

Post-test Percentage	Points Earned if completed by 8/20	Points Earned if completed by 8/27	Points Earned if completed by 9/3	Points Earned if completed by 9/10

## ASSESSMENTS AND GRADING

The available point distribution is as follows:

GRADED EVENT	POINTS
FOUNDATION OF ACCOUNTING MODULE (PRE-REQUISITE)	50
QUIZZES (5 POINTS EACH)	50
HOMEWORK (15 POINTS EACH)	150
CASE STUDIES (30 POINTS EACH)	90
GROUP ANNUAL REPORT PROJECT (25 POINTS EACH)	175
CLASS PARTICIPATION (5 POINTS EACH)	60
MID-TERM EXAM	175
FINAL EXAM (COMPREHENSIVE)	<u>250</u>
TOTAL	1,000

1. **Individual Quizzes:** Quizzes will be due at the beginning of each chapter and completed through the Canvas. No makeup quizzes will be given, and late submissions will not be accepted. The objective is to encourage you to read the chapters before they are discussed in class.
2. **Individual Homework:** Homework assignments will consist of problems from the end of each chapter. Homework must be prepared using Microsoft Excel and submitted through Canvas. Homework must include all work and supporting calculations in Excel for credit. Submit only your own original work for homework. While working together on homework assignments is acceptable, you cannot share homework (Microsoft Excel) files and must do your own work. Late homework assignments will not be accepted unless there is a special circumstance, which must be communicated to the professor in advance or in a timely manner.
3. **Group Case Studies:** Case studies for each assigned case are to be prepared based upon questions relating to such cases provided by the instructor. The specific case assignments and related questions, as well as the due date/time for each case summary will be posted in Canvas. Case studies will be completed in groups in Microsoft Word and/or Excel. Late case summaries will not be accepted as we will discuss all cases the day case summaries are due. Submit only your group's own original work for case summaries. A thorough reading and analysis of each case is required to prepare the case summaries and to prepare you for your

required contribution to case discussions that will occur for each case during class. Case Studies must be submitted through Canvas.

4. **Group Annual Report Project:** You will be in groups of 2-4 students for a 7-part, semester-long project in which you will analyze the Form 10-K/Annual Report from a public company. The purposes of this project are to emphasize financial statement literacy and to give students practical experience in the analysis of publicly-disclosed financial information. The project assignments match the readings from the Fraser text and will culminate in a final group recommendation to either buy or sell the company's stock. Each report has 4 goals: (1) quantitative accuracy, (2) reasonable written analysis, (3) proper spelling, grammar, punctuation, and (4) completeness. More information and report templates/forms are found in Canvas and Google Drive.
5. **Class Participation / Attendance:** The success of the course will be impacted by the quality of participation each class period. Class participation will be based upon your contributions to discussions, including input or questions regarding the readings, case-studies and homework assignments. In addition, you should be prepared to answer questions and participate in group activities and other in-class assignments as they may arise. Class participation will also be based upon your attendance – please see the class policy regarding attendance below.
6. **Exams:** Every student is to be present for the mid-term exam and the final exam at the scheduled times. No makeup exams will be given without PRIOR permission.
7. Students will be evaluated based on the following scale:

Percent	Grade	Percent	Grade	Percent	Grade

### SPIRITUAL CARE

---

PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our graduate students to encounter God and grow in their Christian faith. At the Mission Valley (MV) campus we have an onsite chaplain, Rev. Gordon Wong, who is available during class break times across the week. If you have questions for, desire to meet or share a prayer request with Rev. Wong you can contact him directly at mvchaplain@pointloma.edu or gordonwong@pointloma.edu. Rev. Wong's cell number is 808-429-1129 if you need a more immediate response. In addition, on the MV campus there is a prayer chapel on the third floor which is open for use as a space set apart for quiet reflection and prayer.

## **PLNU COPYRIGHT POLICY**

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

---

## **PLNU ACADEMIC HONESTY POLICY**

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See the Academic Honesty Policy in the Graduate and Professional Studies Catalog for definitions of kinds of academic dishonesty and for further policy information.

---

## **PLNU ACADEMIC ACCOMMODATIONS POLICY**

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester. PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course. Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

---

## **PLNU ATTENDANCE AND PARTICIPATION POLICY**

Regular and punctual attendance at all classes is considered essential to optimum academic achievement. If the student is absent from more than 10 percent of class meetings, the faculty member can file a written report which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. See Academic Policies in the Graduate and Professional Studies Catalog for additional detail.

---

## **USE OF TECHNOLOGY**

In order to be successful in your course, you'll need to meet the minimum technology and system requirements; please refer to the Technology and System Requirements information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use for any online or hybrid classes. Please note that any course with online proctored exams require a computer with a camera (tablets are not compatible) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.
