SPIRITUAL CARE

Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith.

If students have questions, a desire to meet with the chaplain or have prayer requests you can contact the [Office of Spiritual Development](#)

PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog.

See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

PLNU ACADEMIC ACCOMMODATIONS POLICY

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation.

USE OF TECHNOLOGY

In order to be successful in your course, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use for any online or hybrid classes. Please note that any course with online proctored exams require a computer with a camera (tablets are not compatible) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

FINAL EXAMINATION POLICY

Successful completion of this class requires taking the final examination **on its scheduled day**. No requests for early examinations or alternative days will be approved.

Marketing Plan: The Marketing Challenge Game (MCG) Fall 2021

The Competition:

Each student will work in a group of 4-5 persons to develop a marketing plan for a real business client called [The Cooking Penguin](#). The business has been started by two PLNU graduates and a local chef. The client judges will be [AJ Crawford](#), [Nathaniel Hosmer](#) and [Marco Gaona](#).

The project will be developed in two stages during the semester.

During the semester, you will have a marketing coach from AJ Crawford, a former winner of the MCG and a marketing consultant with Gerson and Associates. He will be available to provide feedback on your work and answer your questions. At the end of the semester, a client panel will review the work and select a winning team for the Fall 2021 Marketing Challenge Game. The panel will select the team they believe did the best job in reflecting effective application of marketing principles to develop effective marketing to achieve the SMART Objective.

At the end of the semester, Dr. Wiese will provide feedback and grade the work.

The winning team will receive 25 extra credit points and the name of persons on the team will be on Marketing Challenge Winners plaque on display in the Fermanian School of Business.

If a student earns 70 or less on the Peer Review/Participation grade, the student will not earn the extra credit points if her/his team wins. A student earning less than 70 on the Peer Review/Participation grade can only earn 70% of the team grade on the MCG marketing plan and presentation.

Dr. Wiese will grade the final Marketing Plan according to the following criteria.

Marketing Plan Grading Criteria: Total 150 points
Content represents a <u>comprehensive application</u> of the course material to support the Marketing Plan 50 points
Marketing Plan represents <u>accurate theory application</u> of the course material 50 points
Marketing Plan is an engaging, professional and grammatically/correct document 50 points

Let your Marketing Plan tell the story—make it interesting, visual, and engaging!

THIS IS WHAT YOU WANT TO DO!!! ANSWER:

1. What is the problem, need, opportunity? **Uncover “Where to Play”**
2. What insights from secondary/primary research can be connected to the uncovered problem/need/opportunity that disclose the best way to execute marketing? **Connect understanding to “How to Win”**
3. What is the detailed marketing plan that will solve the problem, meet the customer need and allow you to achieve the SMART Marketing Objective? **“Activate marketing to “Win”**
4. How will you know how you are doing and if your Marketing Plan is working? **Measure results**

The Marketing Plan is broken into two STAGES of work. CREATE A STORY.

1. **Stage One:** Uncover a need/problem/Opportunity AND Connect insights to the market.

Use both secondary and primary research to inform the following:

- What is the customer problem that you want to solve?
- What is the market situation that leads you to believe that there is a need/want/market opportunity?
- Who is the customer? Segments and target market? Key buying criteria? Motivators?
- What product/service/experience/promotion are you proposing?
- What is your marketing strategy that gives you a competitive advantage?

2. **Stage Two:** Activate Solutions and Measure results

- What is your specific marketing mix to implement your strategy?
 - Price tactics
 - Placement tactics
 - Promotion (Marketing Communication) tactics: How are you going to get the word out, create buzz and sell your product, service, and/or experience? What will you say? How will you execute your message? What channels of communication are you going to use?
- Develop examples of your ads, copy, website, etc.
- How will you measure results? What metrics will you use?

The final marketing plan is one document with the content of each stage presented in ONE coherent form. **The final document should be approximately 15-20 pages and be visually engaging/interesting.** Bring the concepts to life. This is not a boring academic term paper.

Presentation: Groups will be presenting marketing plans to the classroom. The presentations must:

- Be 15 minutes of presentation plus a time of question and answer
- Involve ALL group members
