Course Policies:

Student Responsibilities (Responsabilidades del/ de la estudiante):

1. Class participation and attendance (La asistencia y la participación en clase): Regular and punctual attendance in all classes for which a student is registered is considered essential to optimum academic achievement. Therefore, regular attendance and participation in each class are two of the course requirements to be met. There are no allowed or excused absences except when absences are necessitated by certain university sponsored activities and approved in writing by the provost of the university. You must be in class to participate (or Zoom sessions), since we do conversation, review, and active practice with the material (you must be in class or on Zoom the entire class period, or you will be marked absent). **The first two absences do not count**, but after, 1% of grade will be deducted per absence (10 points per absence). **After 6 unexcused absences, the professor reserves the right to de-enroll the student from the class. After 12 absences (20% of the grade), a student cannot pass the class, and will receive an F for the course (per university policy).** Our classroom environment will be one of “mutual respect” and a “community of learning.” What this means is that you should not be embarrassed or discouraged to participate—and mistakes will be considered part of the learning process that everyone can benefit from. If you do not understand something, do not hesitate to ask for further explanation.

PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation.

2. Tests (Exámenes): There will be a test given after every two chapters during the term. It will be imperative to do a thorough review before each test since the material is cumulative. **There are no make-up exams.** There will also be a departmental final exam. The final exam is comprehensive.

3. The 3 “C”s: Culture, Community, Church: Students will be offered to participate in some activities outside of class, all for **extra credit**. Students can choose an approved cultural event (film, concert, museum, Webinar or presentation, etc.) or a church service in Spanish. Students must do a brief response paper (one page, in Spanish or English) on what they do, and make sure to turn it in. Sometimes the professor will provide a worksheet to fill out with questions to answer instead of a write-up. **All activities must be pre-approved by the professor.** Students can receive up to **20 points extra credit**, depending on level of involvement. Normally, each activity will be worth 10 points, with a limit of 2 per semester. If you choose a museum, church, film etc. **it is necessary to take a photo of yourself watching or participating in the event. No photo = no credit! Also, to clarify again, your event MUST be pre-approved by the professor. Please ask first to get your idea approved!**

4. Cultural Engagement Assignments (Tareas culturales):

Cultural Engagement and Extra Credit assignments: Due by Friday, December 10 at 11:59pm.

Students will be required to complete **five cultural engagement assignments** during the class. Professor will provide more information about cultural assignments, including dates and requirements. **Not just any assignment or idea can fulfill this requirement; the activities need to be approved by the professor.** It will be necessary to take a photo of yourself doing the activity, **no photo = no credit!** In other words, if you are watching a presentation, please snap a quick photo of yourself. The professor will provide more information in class.

5. Conversation (Conversación): Students will have the opportunity to attend conversation sessions for **extra credit**. Professor will provide times for a **Spanish Coffee Hour**, or conversation sessions that can be done by appointment. The idea is to not talk about grammar and class review, but to simply **practice conversational Spanish**. It is a good idea to arrange a small group ahead of time to have more interaction. **An hour of conversation is worth 10 extra credit points**, but students are encouraged to keep practicing and improving their Spanish even after receiving the 10 points. **More information will be provided in class.**

PLNU Copyright Policy

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU Academic Honesty Policy

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

PLNU Academic Accommodations Policy

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester. PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course. Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

Final Examination Policy

Successful completion of this class requires taking the final examination **on its scheduled day**. The final examination is posted on the class schedules site. No requests for early examinations or alternative days will be approved.

An Important Note:

We will follow PLNU guidelines concerning COVID-19. It is required to wear a mask indoors (inside of BAC, inside the classroom etc.) Please do not bring food to class, since we will not be taking off masks inside the classroom. We will be doing most of our work with digital files (provided on Canvas or through email), so you will need to have your laptop or tablet. I will have a few paper handouts, but they will be for your individual use (please do not share these with other students). I will let you know when we can use laptops / tablets in class. The main focus of the class is practicing and learning Spanish, so when we use laptops / tablets, please do not watch videos or do things outside of our classwork. If I do notice that you are not staying with the class, I will mark you off 10 points for participation for the day.
