This course is intended to introduce students to a variety of materials and methods for drawing, as well as develop the student's understanding of historical precedent and contemporary best practices in drawing. Emphasis is placed on developing perceptual skills in order to draw accurately from life, while experimentation and creative development are also encouraged towards building a well-rounded and multi-faceted drawing practice.

## ***LEARNING OUTCOMES***

1. Obtain familiarity and ease with a range of traditional and contemporary drawing materials.
2. Develop perceptual acuity through the use of still-life drawing techniques in order to draw accurately from life.
3. Effectively utilize inventive line quality and expressive value to add creative voice to their work.
4. Apply drawing techniques to express personal and inventive visual ideas.

5. Employ the tools of perspective to render the illusion of an invented and real-world three-dimensional space.

6. Contextualize the conventions, ideas, and traditions of drawing in art history and in a contemporary practice.

7. Utilize drawing vocabulary and critical thinking skills to critique the work of their classmates, themselves, and those in the broader art world(s).

## ***METHODS***

## ***ATTENDANCE***

---

Attendance at all class sessions is required.

- Missing more than three class sessions will result in your final grade being reduced by one letter grade.
- Missing four class sessions will result in your grade being reduced by two letter grades.
- Missing five classes will result in failure of the class.
- Coming to class late three times is equivalent to one absence.

If you need to miss class because you are sick or have an emergency, please communicate this with me via email.

## ***STUDIO POLICIES***

---

**Studio safety during the COVID19 pandemic:** You are responsible for keeping up to date on current COVID policies put in place on the PLNU campus. Failure to comply to these policies in class will result in a loss of privileges to the studio space.

**Eating and drinking:** Eating and drinking will be allowed during lecture or discussion time, but will not be allowed during studio work time in class.

**Clean up:** Keeping the studio space clean and organized is vital to ensuring a safe and productive work environment for everyone. At the end of each class session, and at the end of any work session in the studio, all materials must be stored and work areas completely cleaned of excess charcoal, graphite, or other media.

## ***LATE WORK POLICY***

---

A detailed breakdown of the late work policies for all class assignments is listed on page 6 of this syllabus.

If you feel that you need a deadline extension on an assignment, **please email me to request an assignment extension contract**. You must request this extension contract at least 24 hours before the assignment is due.

Two contracts may be requested per semester, unless you have a special accommodation from the DRC.

Contracts cannot be requested for critique deadlines.

### ***PLNU ACADEMIC ACCOMMODATIONS POLICY***

---

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center ([EAC@pointloma.edu](mailto:EAC@pointloma.edu) or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

### ***PLNU ATTENDANCE AND PARTICIPATION POLICY***

---

Regular and punctual attendance at all class sessions is considered essential to

optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation.

### ***STATE AUTHORIZATION***

---

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization](#) to view which states allow online (distance education) outside of California.

### ***PLNU MISSION***

---

#### **To Teach ~ To Shape ~ To Send**

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service is an

expression of faith. Being of Wesleyan heritage, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

### ***FINAL EXAMINATION POLICY***

---

Successful completion of this class requires taking the final examination **on its scheduled day**. The final examination schedule is posted on the [Class Schedules](#) site. No requests for early examinations or alternative days will be approved.

### ***PLNU COPYRIGHT POLICY***

---

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

### ***PLNU ACADEMIC HONESTY POLICY***

---

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should

follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

### ***SPIRITUAL CARE***

---

Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith.

If students have questions, a desire to meet with the chaplain or have prayer requests you can contact the [Office of Spiritual Development](#).
