Total	100%

2. Additional information regarding student performance:
 - a. **Class Participation:** The success of each student in this course is directly related to the quality of the participation. Students should contribute to discussions on a daily basis. Class participation will be based upon each student's contribution to discussions, including input or questions regarding the textbook material. In addition, students should be prepared to answer questions, and participate in other in-class assignments as that arise. Class participation will also be based upon student attendance and preparation. See Academic Policies in the PLNU Undergraduate Academic Catalog.
 - b. **Exams:** Four (4) scheduled examinations and one (1) final examination will be administered. Every student is to be present for the scheduled examinations and the final exam at the scheduled time. **No makeup exams will be given without prior permission.** A makeup exam will be provided only for absences officially excused by the University provost or for emergencies completely beyond a student's control, such as a documented illness or injury. Students must coordinate any conflict with one of these exams with the faculty member as soon as the student discovers it, preferably not later than 48 hours prior to the exam.
 - c. **Final Examination Policy:** Successful completion of this class requires taking the final examination **on its scheduled day**. No requests for early examinations or alternative days will be approved.
 - d. **Incomplete & Late Assignments:** All assignments are to be submitted/turned in by or before the dates and times posted in Canvas.. Incompletes will only be assigned in extremely unusual circumstances.

Class Policies:

1. **Professionalism:** Students are expected to hold the highest levels of professionalism, including integrity, honesty, respectfulness, punctuality and mature leadership. Exemplary behavior is expected in this classroom.
2. **PLNU Academic Honesty Policy:** Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty members should follow and students may appeal using the procedure in the University Catalog. See Academic Policies in the PLNU Undergraduate Academic Catalog for definitions of types of academic dishonesty and for further policy information.
3. **PLNU Copyright Policy:** PLNU, as a non-profit educational institution, is entitled by law to use materials protected by the U.S. Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

Course Syllabus – Spring 2023

4. **PLNU Attendance and Participation Policy:** Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than ten (10) percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed twenty (20) percent, the student may be de-enrolled without notice until the University drop date or, after that date, receive the appropriate grade for their work and participation.
5. **Schedule and Other Changes:** The information in this syllabus is subject to change. Any such changes will be announced in class and/or communicated via Canvas or e-mail.
6. **E-Mail:** Assignments, announcements, changes to this syllabus and other communications from the faculty member, from time to time, may be made via the student's e-mail address and/or Canvas. Students are required to review their email and Canvas announcements daily.
7. **Mobile Phones:** The use of mobile phones, including phone calls, texting or any other purposes, is not allowed in the classroom during class meetings and examinations. Please keep mobile phones turned-off and out of sight.
8. **Use of Technology:** In order to be successful in this course, students must meet the minimum technology and system requirements. Please refer to the Technology and System Requirements information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use for any online or hybrid classes. Please note that any course with online proctored exams requires a computer with a camera (tablets are not compatible) to complete exams online. Problems with technology do not relieve students of the responsibility of participating, turning in assignments, or completing class work.
9. **Dropping the Course:** It is the student's responsibility to maintain his or her class schedule. Should the need arise to drop this course (personal emergencies, poor performance, etc.), the student has the responsibility to follow through (provided the drop date meets the stated calendar deadline established by the University), not the faculty member. Simply ceasing to attend this course or failing to follow through for a change of registration (drop/add) may result in a grade of F on the official transcript.
10. **PLNU Academic Accommodations Policy:** PLNU is committed to providing equal opportunity for participation in all its programs, service, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for accommodation has been determined, the EAC will issue an academic accommodation plan (AP) to all faculty who teach courses in which the student is enrolled each semester. PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course. Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

Spiritual Care: Please be aware that PLNU strives to be a place where students grow as whole persons. To this end, the institution provides resources for all students to encounter God and to grow in their Christian faith. If a student has questions, has prayer requests, or desires to meet with the chaplain, they are encouraged to contact the Office of Spiritual Development.
