Peregrine Course Leveling Module (50 points)

You are required to take the Foundations of Global Dimensions of Business course assignment leveling module. The time to complete the module is estimated at 6 to 9 hours, depending on your previous exposure to the subject.

To access the Foundations of Global Dimensions of Business module, follow the on-screen instructions found at the following URL: <https://micro.peregrineacademics.com/pointloma>

The password for the module is: **PLNU-1001**

If you have any problems with the registration process, please visit Peregrine's technical support page at: <http://www.peregrineacademics.com/support>

To successfully complete the module, you must earn a minimum score of 80% on the module post-test. You are allowed to attempt the post-test twice. If you have not achieved a passing score (80%) after two attempts, you will be required to purchase a new module for \$39.00 and continue attempts until a passing score is achieved at the same URL:

This module is worth 5% of your total course grade. The deadline for completing the module is May 16th. The percentage earned on the leveling module post-test will be translated into points earned in this course as follows:

Post-test Percentage	Points Earned in Course

85.00-89.99	40
80.00-84.99	35
<80.00	0

Weekly assignments and post (280 points). Students are required to post on time and respond to a fellow student when instructed. Response to fellow student should involve questions for deeper insight and further clarification. Students may also suggest expansion or provide supportive material to the posting. Insufficient responses to a fellow student would include generic statements i.e. “I agree” “interesting” or “Thank you.” The intent is to promote dialog and discourse on a given topic. Student points are assigned only if submitted on time as defined in the assignment, there is no credit for late submissions.

CESIM Global Challenge Simulation (220 points) We will explore many of the complexities of the execution of business strategies and processes through a team-based simulation – the *CESIM Global Challenge*. While no simulation does full justice to the complexity of business, this simulation will highlight some of the key challenges and opportunities in building a firm which spans international boundaries in production, sales and finance. The simulation will consist of 2 practice and 8 competition rounds. We will discuss in class how the simulation results will translate into earned grades.

Peer Feedback and evaluation (100 points)

Interview Paper (100 points) This assignment asks students to identify and interview a businessperson about their experience in international business. The interview could focus on either the challenges of carrying out business internationally or on the cross-cultural challenges of living and working overseas. There will be a set of deadlines for students to meet – selecting and securing the interview, preparing the interview questions, completion of a draft, peer review and the final interview paper.

Final Case (50 points) The final take-home case will explore your understanding of the cultural, ethical and business implications of a specific “news story”. Details will be discussed in class and posted on Canvas

Midterm & Final Exam (200 points total) These exams will consist of questions taken from the text reading material. Details on test method will be shared in advance.

INCOMPLETES AND LATE ASSIGNMENTS

All assignments are to be submitted/turned in by the beginning of the class session when they are

due—including assignments posted in Canvas. In general, I assign a grade of 0 for any work submitted late without prior agreement or acceptable reason. Incompletes will only be assigned under extremely unusual circumstances.

SPIRITUAL CARE

PLNU strives to be a place where you grow as a whole person. To this end, we provide resources for our graduate students to encounter God and grow in their Christian faith. At the Mission Valley (MV) campus we have an onsite chaplain, Rev. Gordon Wong, who is available during class break times across the week. If you have questions for, desire to meet or share a prayer request with Rev. Wong you can contact him directly at mvchaplain@pointloma.edu or gordonwong@pointloma.edu. Rev. Wong's cell number is 808-429-1129 if you need a more immediate response.

In addition, on the MV campus there is a prayer chapel on the third floor which is open for use as a space set apart for quiet reflection and prayer.

PLNU COPYRIGHT POLICY

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

PLNU ACADEMIC HONESTY POLICY

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See the [Academic Honesty Policy](#) in the Graduate and Professional Studies Catalog for definitions of kinds of academic dishonesty and for further policy information.

PLNU ACADEMIC ACCOMMODATIONS POLICY

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

SEXUAL MISCONDUCT AND DISCRIMINATION

Point Loma Nazarene University faculty are committed to helping create a safe learning environment for all students. If you (or someone you know) have experienced any form of sexual discrimination or misconduct, including sexual assault, dating or domestic violence, or stalking, know that help and support are available through the Title IX Office at pointloma.edu/Title-IX. Please be aware that under Title IX of the Education Amendments of 1972, it is required to disclose information about such misconduct to the Title IX Office.

If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact Counseling Services at counselingservices@pointloma.edu or find a list of campus pastors at pointloma.edu/title-ix

PLNU ATTENDANCE AND PARTICIPATION POLICY

Regular and punctual attendance at all classes is considered essential to optimum academic achievement. If the student is absent from more than 10 percent of class meetings, the faculty member can file a written report which may result in de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation. See [Academic Policies](#) in the Graduate and Professional Studies Catalog for additional detail.

USE OF TECHNOLOGY

In order to be successful in your course, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use for any online or hybrid classes. Please note that any course with online proctored exams require a computer with a camera (tablets are not compatible) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

FINAL EXAMINATION POLICY

Successful completion of this class requires taking the final examination **on its scheduled day**. No requests for early examinations or alternative days will be approved.
