Section 1: MWF 8:30-9:25 LA 101 8/28 – 12/08

Section 2: MWF 1:30-2:25 LA 102 8/28 – 12/08

1. **Course Description:** Study of organic compounds by functional group families with emphasis on structures, reactions, mechanisms, stereochemistry, and synthesis.
2. **Course Learning Outcomes:** The following outcomes are expected and will be assessed on exams and quizzes:
 - a) Apply the fundamental principles of polarity, acidity, resonance, and structure/stability relationships to relevant problems.
 - b) Demonstrate fluency in the nomenclature of alkanes, alkenes, alkynes, alcohols, ethers, and alkyl halides, and an understanding of the basic mechanisms by which these compounds react.
 - c) Design synthetic strategies involving alkanes, alkenes, alkynes, alcohols, ethers, and alkyl halides.
 - d) Propose reasonable reaction mechanisms in which alkanes, alkenes, alkynes, alcohols, ethers, and alkyl halides participate based on information discussed in class.
 - e) Infer molecular structure using instrumental techniques to include mass spectrometry, infrared spectroscopy, and nuclear magnetic resonance spectroscopy.

Program Learning Outcomes: PLO 1d and 2 are introduced and developed but not mastered in this course, so there are no course assignments used for assessment of our PLO's.

3. **Texts:** Janice Gorzynski Smith, **Organic Chemistry**, 6th edition, McGraw-Hill Publishing, 2019. You are expected to have access to a copy of this text.
 - **CONNECT Allocation:** This is a web based homework site. You are required to purchase access. If you bought a new book from the book store you already received access to CONNECT in your bundle. Our section web address is <https://connect.mheducation.com/class/m-perry-all-sections-fall-2023>
 - . A standalone copy of CONNECT can be purchased online, which includes the e-book.
4. **Molecular Models:** You will find that a set of molecular models is very useful in this course.
5. **Internet Resources and Communication:** You will be required to access this course on Canvas. I will place chapter notes for the class on this sight that you will have to print. Sections of the notes will be completed in videos that you will watch before coming to each class. The notes may contain some information that is not in the text. If filled out correctly, your notes should serve as an excellent chapter summary for review. I will generally have the notes for a given class on-line by 8:00 p.m. the day before we begin the chapter in class. Also, you are expected to access the CONNECT online homework site.

6. **Assigned Problems:** There will be a set of assigned problems due at the beginning of each class from the material covered in the pre-class videos. These problems will count for 10% of your course grade. In addition, you will be assigned a set of homework for every chapter to be completed online at the CONNECT web site. The assignment for each chapter includes all the possible questions and will be due no earlier than 11:59 pm two days after the completion of a chapter in lecture. You will be graded out of 100 points per assignment, which correlates to 10 problems. These assignments are invaluable in preparing you for the in-class exams. I strongly encourage you to solve as many problems as possible as working problems is the only practical way for learning the material, and you should try your best to solve the problems before looking at the solutions. The online homework will count for 10% of your overall course grade.
7. **Group Work:** You will be required to perform some in-class work in groups. These groups will consist of 3-4 students and will be assigned in the beginning of the semester. Group work will consist of short assignments and quizzes as well as exam review. Group work will count toward 10% of your overall course grade.
8. **Christian Practice:** There ought to be something different about a course taken at PLNU when compared to an institution that is not faith based. This difference, at least for Organic Chemistry, is not in content. It is, instead a difference in the class community. I desire for our class to be one in which the needs of others in the class are considered by the community. You will be assigned to a group at the beginning of the semester, and you will be asked to pray for members of the group throughout the semester. You will meet as a group at least three times during the semester with the first meeting occurring in the first two weeks of class. You will be required to fill out a log that includes the times you met as a group, the times you have prayed for group members, as well as times that you have encouraged a classmate or helped them in some way. You will hand this log in at the end of the semester and will be required to have at least 10 entries in addition to the three group meetings. This log will count for 60 points. There will be two check-in assignments during the semester worth 10 points each. In addition, you will be required to write a brief reflection on the overall assignment. This will also be worth 20 points. This Christian practice, love of neighbor, assignment will be worth 6% of your overall course grade.

9. **Office Hours:** I will make every effort to be available in my office during the times I've indicated below for office hours. I will hold office hours in my office, or I will post my location. If you need help outside of these times then you are welcome to schedule an appointment or take your chances and drop by my office in the Chemistry Department, Rohr Science 366.

Office Hours
Monday: 4-5,
Tuesday: 2-3
Wednesday: 3-4
Friday: 3-4

10. **Help Sessions:** I will do my best to schedule some class time prior to each exam for me to answer any questions that you might have.
11. **Quizzes:** There will be ten chapter quizzes (memorization based content) worth 10 points each given over the course of the semester. There will also be three post-exam quizzes throughout the semester worth 20 points each. Quizzes will be worth 10% of your course grade.
12. **Examinations:**
 - a) **Major Exams:** Exams will cover material in the text and the lecture material as well as any other assigned material. There will be 3 major exams worth 100 points each. These will count for 36% of your overall course grade. There will be no exam scores dropped. Exams will be comprehensive, but material covered since the previous exam will be emphasized. **If you are caught cheating, you can be given a zero on that quiz or exam and may be subject to further action as stated in university policy.**
Makeup examinations will be given only for excused absences provided the appropriate documentation is provided within the time frame (2 working days of the end of the excused absence).
This is an absolute deadline by which you must notify me of any excused absence! I would certainly

appreciate it if you contacted me the day of the examination or before the examination if you must miss an exam for any reason. My phone (849-2976) has a 24-hour message service so you may leave a message (always leave a phone number where you may be reached). If you are unable to call me then have your roommate, parents, etc. make the contact for you. If you find that there are errors in the grading of your exam, you will have two class periods after the exam has been returned to submit your exam for re-grading.

- b) **Final Exam:** A mandatory final exam will be given at the time dictated by the University schedule. Approximately half of the final will be over material covered since the third in-class exam, and the other half will be comprehensive. The final will count for 18% of your overall course grade.
- c) **Exam Schedule:** A schedule for the 3 hour exams and final exam is given below. Although it should not be necessary, changes in exam dates, if required, will be announced at least two days in advance. If you miss class and do not find out about the changes, that is your problem, and it is not a valid reason for requesting a make-up exam. The date for the final exam is firm as set by university policy.

Exam #1	September 25 (Monday)
Exam #2	October 18 (Wednesday)
Exam #3	November 13 (Monday)
Final	December 15 (Friday 4:30-7)

13. **Laboratory:** You are required to register and attend CHE2094L as a co-requisite for this course. If you drop the lab, you may be required to drop the course as well. This lab is worth 1 unit and will be graded independently. You will receive a separate lab syllabus.

14. **Course Grade:** Your overall course grade will be based on your performance in lecture. You will receive a separate grade for the laboratory. The weighting of each course activity is shown below.

Video Problems	10%
Homework	10%
Group work	10%
Quizzes	10%
Christ. Practice	6%
Hour exams	36%
Final	18%

Letter grades will be assigned at the end of the course based on your percentage of total possible points, according to the following APPROXIMATE scale:

A	90 – 100%
B	80 – 90%
C	70 – 80%
D	60 – 70%
NC/F	< 60%

(+) and (–) grades will be assigned within each bracket. (There is no A+ grade.)

15. **Attendance:** Attendance will be taken and will be used for advising purposes. If your absence is not excused, then you will get a zero for any group work done on that day. Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university drop date or, after that date, receive the appropriate grade for their work and participation.

17. **Academic Accommodations:** PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center (EAC@pointloma.edu or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

18. **University Mission:** Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service is an expression of faith. Being of Wesleyan heritage, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

19. **FE Mission:** PLNU provides a foundational course of study in the liberal arts informed by the life, death, and resurrection of Jesus Christ. In keeping with the Wesleyan tradition, the curriculum equips students with a broad range of knowledge and skills within and across disciplines to enrich major study, lifelong learning, and vocational service as Christ-like participants in the world's diverse societies and cultures.

20. **Copyright:** Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

21. **Academic Honesty:** Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

22. **Sexual Misconduct and Discrimination:** Point Loma Nazarene University faculty are committed to helping create a safe learning environment for all students. If you (or someone you know) have experienced any form of sexual discrimination or misconduct, including sexual assault, dating or domestic violence, or stalking, know that help and support are available through the Title IX Office at [If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact Counseling Services at \[counselingservices@pointloma.edu\]\(mailto:counselingservices@pointloma.edu\) or find a list of campus pastors at \[pointloma.edu/title-ix\]\(http://pointloma.edu/title-ix\)](http://pointloma.edu>Title-IX. Please be aware that under Title IX of the Education Amendments of 1972, it is required to disclose information about such misconduct to the Title IX Office.</p></div><div data-bbox=)

23. **State Authorization:** State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course,

continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization](#) to view which states allow online (distance education) outside of California.

24. **Spiritual Care:** Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith.

If students have questions, a desire to meet with the chaplain or have prayer requests you can contact your professor or the [Office of Spiritual Life and Formation](#).
