**PLNU Mission**

**To Teach ~ To Shape ~ To Send**

Point Loma Nazarene University exists to provide higher education in a vital Christian community where minds are engaged and challenged, character is modeled and formed, and service becomes an expression of faith. Being of Wesleyan heritage, we aspire to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life.

**SON Vision Statement**

The School of Nursing at Point Loma Nazarene University embraces, as a covenant, the commitment to excellence within a dynamic Christian environment in which each one will engage in the sacred work of nursing. This sacred work involves symbolically removing one's shoes in service of others.

*Take off your sandals for the place you are standing is holy ground. Exodus 3:5 NIV*

## SON Mission Statement

The School of Nursing at Point Loma Nazarene University exists to support the university Wesleyan mission and to provide an interdisciplinary learning program of excellence. Graduates of the SON are distinctly identified by grace, truth and holiness, serving others after the example of Christ, as they are sent to fulfill their calling as professional nurses.

*So He got up from the meal, took off His outer clothing, and wrapped a towel around His waist. After that, He poured water into a basin and began to wash His disciple's feet, drying them with a towel that was wrapped around Him. John 13: 4-5 NIV*

*Now that I, your Lord and Teacher, have washed your feet, you also should wash one another's feet. I have set you an example that you should do as I have done for you. John 13: 14-15 NIV*

## SON GRADING POLICIES

---

**Grading Scale** to be used for all exams and final course grades:

The following scale is used by the School of Nursing in all theory Courses:		
<b>A</b> = 100 - 93	<b>A-</b> = 92 - 90	<b>B+</b> = 89 - 87
<b>B</b> = 86 - 84	<b>B-</b> = 83 - 81	<b>C+</b> = 80 - 78
<b>C</b> = 77 - 75 ( <i>Must have minimum of C to progress in the program</i> )		
<b>C-</b> = 74- 73	<b>D+</b> = 72 - 71	<b>D</b> = 70 - 68
<b>F</b> = Below 68		

- All assigned course work must be completed to receive a final course grade and progress in the program.
- All assignments are to be submitted as specified by faculty, including assignments posted in Canvas or completed in practicum.
- In order to receive a passing grade in the course, the student must achieve a cumulative average of 75% on all tests and quizzes. Grades/points will not be rounded. For example: 80.5% does not round to 81% resulting in a grade of C+ instead of a B-. A grade of less than a "C" (below 75%) prohibits the student from continuing in the nursing program until the course is repeated with a satisfactory grade of  $\geq C$ .
- A grade of at least a "C" in each nursing theory, prerequisite, and/or co requisite course is required in order to progress to the next course or level. The nursing theory and related clinical courses must be taken concurrently and the student must receive a passing grade of "Credit" in the clinical course in order to progress to the next course or level.
- Throughout the curriculum students may repeat one nursing or prerequisite course. With the need for a second repeat of any nursing course the student will be dismissed from the nursing program.
- Students in all SON programs must earn a passing grade for a course's signature assignment in order to pass a course.
- Students must be present for the signature assignment presentations in order to earn any credit/points for the entire assignment.

### FINAL EXAMINATION POLICY

---

Successful completion of this class requires taking the final examination on its scheduled day. The final examination schedule is posted on the [Class Schedules](#) site. If you find yourself scheduled for three (3) or more final examinations on the same day, you are authorized to contact each professor to arrange a different time for one of those exams. However, unless you have three (3) or more exams on the same day, no requests for alternative final examinations will be granted.

#### **Academic Integrity**

The School of Nursing requires that students sign a Commitment to Academic Integrity and acknowledge testing procedures prior to taking an examination. By acknowledging testing procedures, either written or online, students accept their personal responsibility for maintaining the integrity of the examination process per the PLNU and SON policies on academic integrity.

**Testing Procedures** - Refer to Student Handbook

## PLNU ACADEMIC ACCOMMODATIONS POLICY

---

PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center ([EAC@pointloma.edu](mailto:EAC@pointloma.edu) or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

## INCOMPLETE AND LATE ASSIGNMENTS

---

All assignments are to be submitted by the due dates. There will be a 10% reduction of possible points for **each day** an assignment is late and assignments will **not be** accepted for credit four (4) days after the due date. Day 1 starts on the specified due date/time. Assignments will be considered late if posted after the due date and time using Pacific Standard Time.

## PLNU ATTENDANCE AND PARTICIPATION POLICY

---

Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions (**3 class sessions**), the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent (**6 class sessions**), the student may be de-enrolled without notice until the university **withdrawal** date or, after that date, receive an "F" grade.

## SON PROFESSIONAL STANDARDS

---

Students are required to adhere to professional standards while students at PLNU. The nursing department had developed these standards to provide clarification of expected professional behaviors.

1. Presenting yourself professionally in interactions with all persons
2. Behaving with honesty and ethics
3. Respectful communication techniques
4. Being proactive versus reactive
5. Accepting accountability for one's own actions
6. Being prepared and punctual

### Additional Guidelines

Social networking sites are a great way to connect with many others. These sites can be used to your disadvantage and all persons are advised to employ professional standards on these sites. A general

rule would be if what you have posted does not enhance your professional image then it probably needs to be reviewed.

The use of laptops, cell phones and other electronic devices is at the discretion of the course instructor. Generally, it is considered inappropriate to use any device for alternate uses not related to the class being taught. Cell phones should be kept on vibrate or silent during class times unless arrangements have previously been made.

Speaking negatively, relating stories or presenting a biased viewpoint about any class, instructor or other student that is not supportive of the individual involved and can be perceived as incivility. Disagreements are a part of life, but should be worked through in a private manner. Questioning the integrity of a persons' character is disrespectful. Each person is responsible and accountable for their words and actions.

Plagiarism or cheating **in any class** (nursing or non-nursing) will have consequences within the School of Nursing. Disciplinary action will be at the discretion of the instructor, the guidance of the Associate Dean and/or Dean of the School of Nursing, and may include assignment/class failure and possible dismissal from the program.

## COURSE-SPECIFIC POLICIES

---

- A student's classroom contribution is vital to the academic environment at Point Loma. Classroom contribution is more than just asking thoughtful questions, it also involves respectful attention to what others are saying. This is not only good because what is being said might be on a test, but it is also just a common courtesy. Although it does not need to be said to most college students, texting or playing on one's phone detracts from the classroom environment. ***In this class, students are not permitted to use their laptop computers, cell phones, or other electronic devices during class, unless instructed to do so by the professor.***
- Bring a computer to each class session. Many sessions will require students to access online materials. Exams and quizzes are only available in Canvas. If a student does not have their device, they will not be able to complete the quizzes/exams.
- Students who are late when a quiz is in session may not start the quiz and will receive a score of "0". Late entry for exams may be permitted, however extended time is not given to complete the exam.
- Class sessions are designed to promote student participation and collaboration. Assigned readings and mastery quizzes should be completed before class.
- Classes are not recorded and there is no option for remote attendance.

**Your instructors understand the demands of sophomore year and are here to help you as much as possible. We encourage you to communicate with us, especially if you find yourself falling behind or struggling with course content. The information you are learning is like a new language and not everyone is fluent right away. Our primary role as your faculty is to support you and connect you with resources that may be helpful. We are here for you.**

## STATE AUTHORIZATION

---

State authorization is a formal determination by a state that Point Loma Nazarene University is approved to conduct activities regulated by that state. In certain states outside California, Point Loma Nazarene

University is not authorized to enroll online (distance education) students. If a student moves to another state after admission to the program and/or enrollment in an online course, continuation within the program and/or course will depend on whether Point Loma Nazarene University is authorized to offer distance education courses in that state. It is the student's responsibility to notify the institution of any change in his or her physical location. Refer to the map on [State Authorization](#) to view which states allow online (distance education) outside of California.

---

## **SPIRITUAL CARE**

Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith. If students have questions, a desire to meet with the chaplain or have prayer requests you can contact your professor or the [Office of Spiritual Life and Formation](#).

---

## **PLNU COPYRIGHT POLICY**

Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

---

## **PLNU ACADEMIC HONESTY POLICY**

Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the results of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, for the course. Faculty should follow and students may appeal using the procedure in the university Catalog. See [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information.

---

## **USE OF TECHNOLOGY**

In order to be successful in the nursing program, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use. Please note that nursing courses utilize online proctored exams which require a computer with a camera (tablets are not compatible) to complete exams online.

Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

---

## **ARTIFICIAL INTELLIGENCE (AI) POLICY**

Use of Artificial Intelligence (AI) tools (e.g. ChatGPT, iA Writer, Marmot, Botowski) **is not permitted**, and use of these tools will be treated as plagiarism.

## LANGUAGE AND BELONGING

---

Point Loma Nazarene University faculty are committed to helping create a safe and hospitable learning environment for all students. As Christian scholars we are keenly aware of the power of language and believe in treating others with dignity. As such, it is important that our language be equitable, inclusive, and prejudice free. Inclusive/Bias-free language is the standard outlined by all major academic style guides, including MLA, APA, and Chicago, and it is the expected norm in university-level work. Good writing and speaking do not use unsubstantiated or irrelevant generalizations about personal qualities such as age, disability, economic class, ethnicity, marital status, parentage, political or religious beliefs, race, gender, sex, or sexual orientation. Inclusive language also avoids using stereotypes or terminology that demeans persons or groups based on age, disability, class, ethnicity, gender, race, language, or national origin. Respectful use of language is particularly important when referring to those outside of the religious and lifestyle commitments of those in the PLNU community. By working toward precision and clarity of language, we mark ourselves as serious and respectful scholars, and we model the Christ-like quality of hospitality.

You may report an incident(s) using the [Bias Incident Reporting Form](#).

## SEXUAL MISCONDUCT AND DISCRIMINATION

---

Point Loma Nazarene University faculty are committed to helping create a safe learning environment for all students. If you (or someone you know) have experienced any form of sexual discrimination or misconduct, including sexual assault, dating or domestic violence, or stalking, know that help and support are available through the Title IX Office at [pointloma.edu/Title-IX](http://pointloma.edu/Title-IX). Please be aware that under Title IX of the Education Amendments of 1972, it is required to disclose information about such misconduct to the Title IX Office. If you wish to speak to a confidential employee who does not have this reporting responsibility, you can contact Counseling Services at [counselingservices@pointloma.edu](mailto:counselingservices@pointloma.edu) or find a list of campus pastors at [pointloma.edu/title-ix](http://pointloma.edu/title-ix)
