### POLICIES, TERMS AND CONDITIONS

All students are expected to adhere to the following terms and conditions throughout the duration of this course. Please sign and date the “Acceptance of Terms and Conditions Agreement (last page of syllabus) take a picture and submit it in Canvas.

**Classroom Environment.** Respect for the person who is speaking in the front of the class is to be maintained at all times. Laptops and cell phones should be shut off and put away for the duration of the class period (unless otherwise instructed by Prof. Hogelucht). If any distracting behavior is noted during class lectures, discussions, or presentations, the student will be contacted by the instructor. The second warning will result in either the student being asked to leave (which would count as an absence for the day) or the loss of the student's participation points. If the instructor suspects any cheating on an assignment and/or exam, the student will receive a zero for that exam/assignment and/or the student may be asked to leave the class. Critical to a class such as this, where classmates are disclosing their own visions, values, goals, and skills, is an environment of trust and respect. (\*Note: be sure your cell phone is turned to **silence mode** and put away the beginning of **all** class periods. It is out of consideration that you avoid all interruptions during presentations and lectures).

**Assignments.** No late assignments are accepted. All work is due at the **beginning** of the class period in Canvas (unless otherwise instructed). Points will be deducted if turned in late in the class period. Failure to turn in work during class period in which it is due will receive a zero. Work is to be typed in a Times New Roman 11 or 12 point font size with 1 inch margins. Please use spell check and proofread all assignments. Incompletes will only be assigned in extremely unusual circumstances.

**Attendance.** Regular and punctual attendance at all class sessions is considered essential to optimum academic achievement. If the student is absent for more than 10 percent of class sessions, the faculty member will issue a written warning of de-enrollment. If the absences exceed 20 percent, the student may be de-enrolled without notice until the university withdrawal date or, after that date, receive an “F” grade.

**Use of Technology.** In order to be successful in your course, you'll need to meet the minimum technology and system requirements; please refer to the [Technology and System Requirements](#) information. Additionally, students are required to have headphone speakers, microphone, or webcams compatible with their computer available to use for any online or hybrid classes. Please note that any course with online proctored exams require a computer with a camera (tablets are not compatible) to complete exams online. Problems with technology do not relieve you of the responsibility of participating, turning in your assignments, or completing your class work.

**Spiritual Care.** Please be aware PLNU strives to be a place where you grow as whole persons. To this end, we provide resources for our students to encounter God and grow in their Christian faith. If students have questions, a desire to meet with the chaplain or have prayer requests you can contact your professor or the Office of Spiritual Life and Formation.

**Academic Accommodations.** PLNU is committed to providing equal opportunity for participation in all its programs, services, and activities. Students with disabilities may request course-related accommodations by contacting the Educational Access Center (EAC), located in the Bond Academic Center ([EAC@pointloma.edu](mailto:EAC@pointloma.edu) or 619-849-2486). Once a student's eligibility for an accommodation has been determined, the EAC will issue an academic accommodation plan ("AP") to all faculty who teach courses in which the student is enrolled each semester.

PLNU highly recommends that students speak with their professors during the first two weeks of each semester/term about the implementation of their AP in that particular course and/or if they do not wish to utilize some or all of the elements of their AP in that course.

Students who need accommodations for a disability should contact the EAC as early as possible (i.e., ideally before the beginning of the semester) to assure appropriate accommodations can be provided. It is the student's responsibility to make the first contact with the EAC.

---

**PLNU Academic Honesty Policy.** Students should demonstrate academic honesty by doing original work and by giving appropriate credit to the ideas of others. Academic dishonesty is the act of presenting information, ideas, and/or concepts as one's own when in reality they are the result of another person's creativity and effort. A faculty member who believes a situation involving academic dishonesty has been detected may assign a failing grade for that assignment or examination, or, depending on the seriousness of the offense, not receive credit for the course. Please see [Academic Policies](#) for definitions of kinds of academic dishonesty and for further policy information. Protect yourself from being suspected of plagiarism by citing ideas and exact words you've taken from other sources properly. Always include a Reference Page when sources are cited. Furthermore, always do your own work. APA citing format will be required in Bus. 3013.

**Artificial Intelligence (AI) Policy:** You are allowed to use Artificial Intelligence (AI) tools (e.g, ChatGPT, iA Writer, Marmot, Botowski) to generate ideas; however, you are NOT allowed to use AI tools to generate content (text, video, audio, images) that will be included or quoted in any work submitted for this course. If you have any doubts about using AI, please gain permission from the instructor.

**PLNU Copyright Policy.** Point Loma Nazarene University, as a non-profit educational institution, is entitled by law to use materials protected by the US Copyright Act for classroom education. Any use of those materials outside the class may violate the law.

**Loma Writing Center.** The Loma Writing Center exists to help all members of the PLNU community cultivate transferable writing skills to engage their academic, professional, personal, and spiritual communities. We work toward this goal by conducting one-on-one consultation sessions, supporting writing education across the PLNU community, and participating in ongoing writing center research. Getting feedback from the Loma Writing Center while you're in the process of working on an assignment is a great way to improve the quality of your writing and develop as a writer. You are encouraged to talk with a trained writing consultant about getting started on an assignment, organizing your ideas, finding and citing sources, revising, editing for grammar and polishing final drafts, and more. For information about how to make in-person or online appointments, see [Loma Writing Center webpage](#) or visit the Loma Writer Center on the first floor of the Ryan Library, room 221.

**Final Exam Policy.** Successful completion of this class requires taking the final examination on its scheduled day. The final examination schedule is posted on the Class Schedules site. If you find yourself scheduled for three (3) or more final examinations on the same day, you are authorized to contact each professor to arrange a different time for one of those exams. Unless this is your situation, no requests for alternative final examinations will be granted.

**Course Credit Hour Information.** In the interest of providing sufficient time to accomplish the stated Course Learning Outcomes, this class meets the PLNU credit hour policy for a 3 unit class delivered over 16 weeks. Specific details about how the class meets the credit hour requirement can be provided upon request.

## DESCRIPTION OF COURSE ASSIGNMENTS

**Informational Interview Package (100 pts. – Rubric included in Canvas)** This written assignment designed to help you gain valuable information about your future career. This could possibly be one of the most meaningful assignments you do in your college career (I've heard this from so many students). Contacts made through this assignment could lead to an internship and/or future job.

The informational interview assignment involves **four parts**:

1. **Locate interviewees/schedule interviews. Start on this right away, today.** Schedule an interview with TWO professionals who are currently employed in the industry/profession you think you would ideally like to pursue. Shoot for the stars with this assignment. You may not interview close friends, family members, PLNU employees, or current employers (these are all fairly easy access for you/ you should do these interviews outside of this assignment). Instead, research your field and shoot for the top in your field. Students in the past have used the directory of PLNU contacts/alumni as a resource (I will give this to you), friends' parents and parents' friends, yellow pages, and lastly some students went directly to the organization they were interested in to inquire about a possible informational interview. While it is preferred that you conduct these face to face, in light of the current COVID-19 situation, these can be done by phone, zoom, or Google Hangouts.
2. **Conduct the interviews.** Conduct the two 20 – minute interviews in person (preferably at the professionals' workplaces) or by phone, Google hangouts, Zoom, or socially-distanced at the professionals' workplaces. Avoid meeting at unusual settings and at late hours. Check with me if you are questioning anything. Approach these interviews as if you were applying for a job. Consider carefully the image you want to project in both dress and style. Always lean toward the conservative side in dress. Provide a snapshot of the professionals' business cards and/or provide phone / email.
3. **On Mar. 11th, all class members are required to turn in the following (you will do this in Canvas):**
  - a. **One typed page (double-spaced) with three paragraphs highlighting:**
    - 1) How your career goal is clearer, has changed or been adapted because of what you learned from this assignment.
    - 2) What you learned about the process of conducting an interview?
    - 3) Advice you would give students doing this assignment in the future
  - b. **One copy of each of the thank you letters you e-mailed or sent to interviewees and a copy of the addressed, stamped envelope to each interviewee (if mailed through post office).** Each thank you should be different in that you should highlight something specific you learned from each person. You may type or write these. If you write them, make sure your writing is legible.
  - c. **Typed Contact Information for Each Professional (Name, Job title, Company, phone, and email) or business card.** With two notes made: 1) Are they on our "list" and 2) Can we add them to our "list" for future students to contact for an informational interview.
4. **Professional PowerPoint (DUE at the START of Class on Your Assigned Presentation Day).** The last part of the assignment involves the creation of an Informative PowerPoint about the industry or field you researched. The format for the Power Point is as follows:
